Presentation: Comprehensive Plan Update/Caleb Ernest

Caleb Ernest gave an update on the Comprehensive Plan. In April of this year, RFPs were sent out to select an architectural firm to be a consultant for the city. A Review Committee looked at all the proposals and in June Rundell Ernsberger Associates, Inc. (REA) was selected. The Board of Public Works approved a contract with REA in August. Mr. Ernest gave an overview of REA's schedule, including the seven different phases for the entirety of the Comprehensive Plan. The final phase is not expected to be completed until February 2026.

Councilor Dartt inquired who would be on the Steering Committee. Mr. Ernest stated that members of the community, business owners, investors and three city council members would make up the committee, with Community Development staff providing oversight. The selection process is going on now and will be finalized soon.

Presentation: Recommendation from Audit Committee Regarding Outside Auditor/Tonya Hyatt

Tonya Hyatt reported that the Audit Committee had issued an RFP to solicit a Certified Public Accounting Firm to conduct an examination/audit of the City's finances. Three firms submitted proposals, all of which met the conditions of the request, and are in good standing with the State Board of Accounts. The Audit Committee has reviewed the proposals and ranks the firms as follows: Forvis Mazars, Crowe LLP, and Baker Tilly US LLP. The committee is asking council to consider a motion to approve their selection of Forvis Mazars, and recommends the city enter into negotiations with Forvis Mazars to obtain their professional services. Kaitlin Glazier advised the council to select a designated negotiator.

Patrick Tamm made the motion to approve the Audit Committee's recommendation of Forvis Mazars and selected Kurt Wanninger and Kelley Kemper, Financial Strategist for the city, as negotiators for the contract. Noah Herron seconded the motion. Vote: Yes-7; No-0. Motion carried

Resolution 24-152: DORA/Designated Permittees

Ordinance 24-69: Park and Popular PUD

Staff Planner: Daine Crabtree/Council Sponsor: Noah Herron

First Reading: November 11, 2024

APC Public Hearing: December 2, 2024

APC Recommendation: January 15, 2025 (tentative)

Adoption Consideration: January 27, 2025 (tentative)

Daine Crabtree stated the PUD would encompass approximately 11 acres. The petitioner, Old Town Companies, would like to rezone the real estate to allow a mixed-use district, including structured parking, a hotel, office and retail space, multifamily dwellings, town homes, and a public plaza.

Jeremy Lollar, with Old Town Companies, stated the development will involve approximately 9 acres, leaving 2 acres not impacted by this development. The real estate is currently zoned enclosed industrial a parcel that is part Grand Millennium Center PUD and Park Street in Junction phase two included are the subject project. The project includes 301 multifamily units, 20,000sf of retail space, a boutique hotel, 15,000sf of office space, and a parking structure, which will have 523 shared parking spaces. Mr. Lollar showed the character exhibits, discussing each exhibit in detail.

Councilor Duepner expressed that he thinks this project overall works functionally for this area, but he would prefer that the Brownstones be for sale rather than for rent. Mr Duepner also has concerns about the apartment sizes being too small, particularly at this price point. Councilor Dartt asked Mr. Lollar about the price point and size of the townhomes north of this project. Mr. Lollar replied he did not know but would find out that information. Mr. Duepner feels the Plaza needs to be more unique, as it will be a main thoroughfare coming into the downtown area, and a major focal point that will serve a large amount of foot traffic.

Ordinance 24-70: Grand Universe PUD

Staff Presenter: Daine Crabtree/Council Sponsor: Joe Duepner

First Reading: November 11, 2024

APC Public Hearing: December 2, 2024

APC Workshop Anticipated: January 21, 2025

APC Recommendation Anticipated: February 3, 2025

Adoption Consideration: February 10, 2025

Daine Crabtree presented stating this is for the Grand Universe PUD which involves approximately 66 acres, and updates and amends the existing Links PUD which the property is currently zoned. The project is proposed to split the real estate into four sub areas; 1) Sports Entertainment District. 2) Town Center District. 3) Resort District. 4) Grand Universe

District. There will be a neighborhood meeting on November 25th at The Westfield Public Library from 6:30 PM to 8:00 PM and there will be a Public Hearing at the December 2nd Plan Commission Meeting.

Andi Metzel, attorney with Taft Law Firm representing Grand Universe Development Partners, reiterated that a neighborhood meeting is planned so that residents can hear about the project in greater detail and have any questions answered that they may have. Ms. Metzel stated the project is supposed to be an innovative, immersive destination for learning, recreation and leisure offering educational value as well as entertainment. The background and vision for Grand Universe was detailed, stating this replaces the Links PUD which was approved in 1990 and 2020, in its entirety. The 66 acres will be a phased development. **The Grand Universe District** (located at the south of the property) will be the science and space exploration building (Johnson Hagermen Center for Science and Space Exploration), which will have multiple observatories, and a STEM pavilion with events and amenities. Grand Universe is looking to work with entities like NASA and SpaceX. **The Resort District** will have a hotel along the Monon Trail, intended to be located in the center of the project site, so people staying there are able to walk to and visit the multiple amenities. **The Sports and Entertainment District** to the north will compliment Grand Park, and be a place to watch sports, see art, to have entertainment, being a visual component not a playing component. The district will have park space and amenities and will provide immediate access to the Monon. **The Town Center District** will have apartment/multifamily high density uses incorporated with mix-use development. Character exhibits show modern and contemporary renderings. The first phase, which includes the Science and Space Center and the hotel, will be a \$600 million investment.

There were questions from the council and discussions regarding a possible connection from the hotel to Grand Park via the Monon, the number of parking spaces that will be available, the number of apartments, property taxes/non-profit, and the future of Tomlinson Road.

PUBLIC-PRIVATE AGREEMENT **(Grand Park Operations)**

This Public-Private Agreement (Grand Park Operations) (this “**Agreement**”) is made and entered effective as of December [____]¹, 2024 (the “**Effective Date**”) by and between the City of Westfield, Indiana (the “**City**”), the Westfield Redevelopment Commission (“**RDC**” and together with the City, the “**City Parties**”), and Grand Park Sports & Entertainment, LLC (“**GPSE**”). The City, RDC and GPSE are sometimes referred to herein individually as a “**Party**” and collectively as the “**Parties**”.

RECITALS

WHEREAS, the City and RDC are the owners of the Campus (as defined below) and Grand Park Events Center (as defined below); and

WHEREAS, it is the intention of the City Parties that Grand Park (as defined below) be operated primarily as a youth sports park such that the citizens of the City will benefit from youth athletic contests and other types of entertainment, performances, and events that contribute to the educational, cultural, recreational, economic, and tourism development of the community, and in a manner that Grand Park continues to be an amenity to the community as set forth in the City Purposes Plan (as defined below) (the “**City Purposes**”); and

WHEREAS, at the conclusion of a nearly 21-month process following the issuance of a Request for Proposals on March 1, 2022, the City Parties selected GPSE to be the operator of Grand Park pursuant to public-private agreement between the City Parties and GPSE under IC 5-23, *et seq.*; and

WHEREAS, GPSE is an Indiana limited liability company that possesses the requisite experience and expertise to operate Grand Park and desires to obtain the right and license to use and operate Grand Park pursuant to the terms and conditions of this Agreement; and

WHEREAS, the City Parties desire to grant GPSE the right and license to use and operate Grand Park pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing, the mutual benefits and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

GPSE shall reasonably cooperate, at no expense to GPSE, with the City Parties in connection with such Performance Metrics Audit. Upon conclusion of the Performance Metrics Audit, if the City Parties determine in good faith, based on the completed Performance Metrics Audit, that GPSE has failed to meet the Performance Metrics in the aggregate³ for the Applicable Period in any material respect for any reason other than Force Majeure, the City Parties may reject the Extension Notice by giving notice to GPSE within 120 days of such Extension Notice together with a copy of the findings of the Performance Metrics Audit (a “**Rejection Notice**”). GPSE shall have thirty (30) days to respond in writing to any Rejection Notice. After completion of the Performance Metrics Audit (and if a Rejection Notice was issued, after GPSE has responded in writing thereto), the Parties agree to meet to (i) discuss the Performance Metrics Audit, (ii) attempt in good faith to resolve any disputes regarding GPSE’s failure to meet the Performance Metrics if a Rejection Notice was issued, and (iii) discuss any proposed changes to the terms and conditions of this Agreement for

³ NTD: Once Performance Metrics are agreed upon, an example illustrating ‘in the aggregate’ to be added (e.g. if a Performance Metric is 2% annual increase in visitors and in two of 5 years the increase was only 1%, but other three years were over 2% such that the metric was met over 5-year period taken as a whole, then the Performance Metric will be deemed to be satisfied)

the applicable Extended Term, provided that neither Party shall be required to agree to any changes as a condition to the effectiveness of such Extended Term. If (A) the City Parties timely completed the Performance Metrics Audit and timely issued a Rejection Notice, (B) GPSE failed to meet the Performance Metrics in the aggregate for the Applicable Period for any reason other than Force Majeure, and (C) the Parties have not otherwise agreed upon an extension of the Term within sixty (60) days of such Rejection Notice, then the Extended Term contemplated by the Extension Notice and all other remaining Extension Options shall be void and of no further force or effect. No less than two (2) years prior to the to the expiration of the final Extended Term, the Parties shall meet to discuss in good faith further extension of the Term on the same terms and conditions of this Agreement other than the duration of such extension. If the Parties have not mutually agreed to such extension by the date that is eighteen (18) months prior to the expiration of the final Extended Term, GPSE shall not be obligated to make further GPSE Matching Contributions to the Escrow Fund. For the avoidance of doubt, GPSE shall continue to remain obligated to make Operations Fee payments for the remainder of the Term.

The Handback Audit shall be conducted at the City Parties’ expense (unless this Agreement was terminated due to a default by GPSE, in which event the Handback Audit shall be conducted at GPSE’s expense). If the Handback Audit finds material deficiencies in the Handback Requirements and such deficiencies are not the responsibility of a tenant or licensee under a lease or license being assigned to the City Parties, GPSE shall promptly perform the Handback Cure Work. The Handback Cure Work shall be subject to re-inspection by the Handback Audit contractor at the City’s sole discretion and expense.

The Parties expect that there will be no Real Estate Taxes or personal property taxes imposed with respect to Grand Park, the Equipment or any other real or personal property owned by the City Parties in light of, among other things, (i) title to Grand Park, the Equipment and such other personal property is and will remain owned by the City Parties, and (ii) the City Purposes and the City Purposes Plan. If any Real Estate Taxes or personal property taxes (other than personal property taxes assessed on personal property owned by GPSE), or special or other assessments, are imposed during the Term against Grand Park, the Equipment, any other real or personal property owned by the City Parties, this Agreement, or Manager's interest in any of the foregoing, then (1) the City shall be responsible for the payment of such taxes and assessments, (2) the Parties shall cooperate, at the City's expense, to challenge and appeal such imposition to the full extent of the law, including by administrative and judicial action, (3) if the City, in its reasonable discretion, concludes that such challenges and appeals have been exhausted and unsuccessful, the Parties shall thereafter endeavor in good faith to negotiate an amendment to or a replacement of this Agreement to restructure the transactions contemplated hereby in a manner that would not result in the imposition of such taxes and assessments, (4) if, despite such good faith efforts, the Parties are unable to agree upon a restructuring that would not result in the imposition of such taxes and assessments within ninety (90) days, then so long as the Real Estate Taxes payable by the City in a calendar year exceed ten percent (10%) of the then current Operations Fee, the City may terminate this Agreement upon sixty (60) days' prior written notice to GPSE, provided that GPSE may nullify such termination by agreeing (in a notice to the City Parties given within thirty (30) days of such termination notice) to pay such taxes and assessments to the extent the same exceed ten percent (10%) of the then current Operations Fee in a calendar year, and (5) if GPSE nullifies such termination, then the City Parties agree to cooperate, at GPSE's expense, in connection with any other reasonable means to reduce or eliminate the imposition of such taxes and assessments, including by legislative action and/or implementation of a tax increment financing district (in the event a tax increment financing district is implemented, GPSE shall have no obligation to pay any portion of Real Estate Taxes captured by such tax increment financing district). Notwithstanding anything to the contrary herein, if any Real Estate Taxes or personal property taxes or special or other assessments are imposed in connection with the development of the Grand Park District by anyone other than GPSE, (x) such taxes and assessments shall not trigger the foregoing provisions of this Section 9(a), (y) GPSE shall have no

responsibility with respect to such taxes and assessments, and (z) as between GPSE and the City Parties, the City Parties shall be responsible for the payment of such taxes and assessments (but may require a third party to pay such taxes and assessments).

(b) **Discriminatory Taxes.** The City shall promptly reimburse GPSE for the amount of Discriminatory Taxes incurred by GPSE. For purposes of this Agreement, a Discriminatory Tax shall be deemed to have been incurred by GPSE whether such Discriminatory Tax is levied upon GPSE, its affiliate or their respective agents, contractors, tenants, invitees, patrons, licensees, customers, attendees, spectators or ticket holders. For purposes of this Agreement, "**Discriminatory Taxes**" shall mean any tax, user fee or other monetary obligation, fee, charge or penalty imposed or increased after the Effective Date directly or indirectly by the City or related municipal entity (except as specifically mandated or required to be so imposed or increased by the State of Indiana or any other state or federal governmental entity), associated with attendance or participation at any event at Grand Park, the leasing or licensing of Grand Park or any portion thereof, or the revenue derived by GPSE from events at Grand Park, which tax, user fee or other mandatory obligation, fee, charge or penalty is not imposed in a proportionate and comparable manner upon those entities or persons attending or participating in events in all venues in the City of Westfield, leases or licenses within the City of Westfield or revenues derived from venues in the City of Westfield.

SECTION 10. GRAND PARK DISTRICT DEVELOPMENT

(a) **Grand Park District Development Plan Obligation.** Upon completion of the Grand Park Area Master Plan, GPSE shall cooperate with Developer to provide input to Developer for the Grand Park District Development Plan. GPSE shall reasonably cooperate in connection with the implementation of the Grand Park District Development Plan and development of the Grand Park District in accordance with the Grand Park District Development Plan, including taking commercially reasonable measures to coordinate with Developer concerning: (1) easements required to develop the Grand Park District; (2) accommodation of temporary lay-down areas required in connection with the development of a parcel within the Grand Park District to the extent the same cannot be located within portions of the Grand Park District that have been removed from the Campus; and (3) other matters related to development of the Grand Park District (other than Infrastructure Relocation, which is addressed elsewhere in this Agreement), in each case consistent with the Grand Park District Development Plan and the Declaration; provided that GPSE shall not be required to incur any cost in connection therewith and shall not be required to cooperate in a manner that would materially, adversely affect its rights or obligations under this Agreement, except to the extent expressly set forth in the Grand Park District Development Plan and/or the Declaration. GPSE shall reasonably cooperate, at no material expense to GPSE, with the City Parties in connection with the City Parties' efforts to attract companies engaged in the research, innovation, and development of new technologies related to sports to locate in the City. Such cooperation may include exploring potential synergies or mutually beneficial agreements with such companies in connection with the use of sports technologies at Grand Park. It shall be unreasonable for GPSE to refuse to cooperate with the City Parties and any prospective sports technology company to provide access to Grand Park and/or a non-exclusive license to data generated thereon provided that such cooperation: (1) is at no expense to GPSE; (2) does not

materially impair GPSE's operation of Grand Park; and (3) would not cause GPSE to be in default under any existing agreements.

SECTION 11. REPRESENTATIONS AND WARRANTIES

(a) GPSE Representations and Warranties.

(1) GPSE hereby represents and warrants to City Parties the following: (i) it has been duly organized, and is validly existing and in good standing under the laws of the State of Indiana; (ii) it has performed and complied with all applicable laws, ordinances, rules, and regulations as are necessary or requisite to GPSE's entering into this Agreement; (iii) GPSE has the full power and authority to enter into and perform its obligations under this Agreement; (iv) this Agreement constitutes a valid and binding obligation of GPSE; and (v) it has obtained all licenses, authorizations, approvals, consents or permits required by applicable Laws to conduct its business generally and to perform its obligations under this Agreement.

(2) *[Additional representations and warranties by GPSE under consideration]*

(b) City Parties Representations and Warranties. City Parties, respectively, hereby represent and warrant to GPSE that:

(1) they have performed and complied with all applicable codes, ordinances, statutes, laws, rules, and regulations necessary or requisite to their entering into and carrying out the terms of this Agreement; (ii) this Agreement is the valid and binding obligation of the City Parties; and (iii) City Parties have full power and authority to enter into and to perform their respective obligations under this Agreement.

(2) all portions of the Campus are owned in fee simple by the City Parties, subject only to the Permitted Exceptions, and, during the Term, GPSE shall have the quiet and peaceable exclusive right, authority, license and privilege, for and during the Term, to possess and operate Grand Park as provided hereunder, subject only to the terms and conditions of this Agreement and the Permitted Exceptions.

(3) as of the Effective Date, to the City Parties' knowledge and belief after due inquiry, there are no warranties, guarantees, indemnities or similar contractual rights in effect with respect to the Equipment or work performed or materials provided with respect to the Improvements except for those listed on **Exhibit ____** hereto.

(4) *[Additional representations and warranties by City Parties under consideration]*

SECTION 12. DEFAULT AND REMEDIES

(a) GPSE Default. It shall be an Event of Default by GPSE under this Agreement if:

- (1) GPSE is in Financial Default as defined herein;
- (2) GPSE fails to perform or observe any of its covenants, agreements or obligations hereunder within the Cure Period;
- (3) An 'Event of Default' (as defined in any Ancillary Agreement) by GPSE is continuing; or
- (4) Indy Sports & Entertainment LLC or Bullpen Ventures, LLC shall cease to, directly or indirectly, direct the day-to-day management policies and decisions of GPSE, (ii) Indy Sports & Entertainment LLC and Bullpen Ventures LLC shall cease to, directly or indirectly, own at least fifty-one percent (51%) of the outstanding membership interest of GPSE, or (iii) GPSE shall have effected a sale of all or substantially all of its assets.

(b) City Parties Remedies. Upon a Financial Default by GPSE or an Event of Default described in Clause 12(a)(4), the City Parties shall have the right to terminate this Agreement by notice to GPSE, in which event all Ancillary Agreements shall also terminate. Upon an Event of Default described in Clauses 12(a)(2) or (3) above, the City Parties shall have the right, though not the obligation to: (i) terminate this Agreement by notice to GPSE, in which event all Ancillary Agreements shall also terminate; (ii) perform such acts as are necessary to cure such Event of Default and recover the reasonable cost of such performance, together with interest from the date of demand until paid at a rate equal to the Default Rate; and/or (iii) to specifically enforce any of the City Parties' rights or GPSE's obligations hereunder and recover the costs and expenses incurred by the City Parties in connection therewith, including reasonable attorneys' fees, together with interest from the date of demand until paid at a rate equal to the Default Rate.

(c) City Parties Default. It shall be an Event of Default by the City Parties under this Agreement, if either City Party:

- (1) Fails to perform or observe any of its covenants, agreements, or obligations hereunder within the Cure Period; or
- (2) An Event of Default (as defined in any Ancillary Agreement) by a City Party is continuing.

(d) GPSE Remedies. Upon an Event of Default described in Clauses 12(c)(1)-(2) above, GPSE shall have the right, though not the obligation, without any further notice or demand, to: (i) terminate this Agreement by notice to the City Parties, in which event all Ancillary Agreements shall also terminate; (ii) perform such acts as are necessary to cure such Event of Default and recover and/or offset against the Operations Payment the reasonable cost of such performance, together with interest from the date of demand until paid at a rate equal to the Default Rate; and/or

(iii) to specifically enforce any of GPSE's rights or the City Parties' obligations hereunder and recover the costs and expenses incurred by the City in connection therewith, including reasonable attorneys' fees, together with interest from the date of demand until paid at a rate equal to the Default Rate.

SECTION 13. GUARANTY

Concurrently herewith, Guarantors shall execute the Guaranty guaranteeing to the City Parties the punctual payment of the Operations Fee in an amount not to exceed the Operations Fee payable during the twelve (12) month period following the earlier to occur of an Event of Default by GPSE and the City Parties' receipt of notice from GPSE that GPSE irrevocably surrenders all of its rights under this Agreement effective as of a date designated in such notice; provided that if the City Parties terminate this Agreement as a result of an Event of Default by GPSE, such amount shall be reduced by (i) twenty-five percent (25%) of the balance in the Escrow Fund, and (ii) the net revenue actually received by the City Parties from operation of Grand Park at the conclusion of the twelve (12) month period of the Guaranty. The sum of the twenty-five percent (25%) Escrow Fund balance reduction shall be divided by twelve (12) and the resulting quotient shall be deducted from each monthly payment of the Operations Fee Guarantors are required to make over such twelve (12) month period; for example, if the annual Operations Fee was \$4,000,000 and the balance in the Escrow Fund was \$1,000,000, the Guarantors would pay \$312,500 per month for the twelve (12) month period [$\$4,000,000 - (25\% \text{ of } \$1,000,000 \text{ OR } \$250,000) / 12 = \$312,500/\text{month}$]. At the conclusion of the twelve (12) month period of the Guaranty, the City Parties shall remit net revenues remaining after the payment of all expenses associated with its assumption of Grand Park operations to the Guarantors, such remittance not to exceed the total amount of Operations Fee payments actually made by Guarantors and/or GPSE during such period.

SECTION 14. GENERAL PROVISIONS

(a) Approvals; Cooperation. Unless expressly set forth herein to the contrary, approvals and consents required by any Party shall not be unreasonably withheld, conditioned, or delayed. It is the stated and mutually-agreed intent of the Parties to pursue and accomplish the transactions described and contemplated herein in good faith and in a spirit of cooperation and mutual good will and the Parties acknowledge that the successful performance of this Agreement requires their continued cooperation.

(b) Force Majeure. The obligations of each of the Parties hereto are subject to Force Majeure. In no event shall the failure to pay any sums due under this Agreement or the Ancillary Agreements be excused by Force Majeure.

(c) Exhibits; Entire Agreement. The Exhibits attached to this Agreement are hereby incorporated herein as an integral part hereof. This Agreement supersedes all prior correspondence, negotiations, and agreements, and constitutes the entire agreement between the Parties with respect to the subject matter hereof.

(d) Intentionally Omitted.

(e) Waiver. No waiver of any default, failure to perform, condition, provision, or breach of this Agreement will be deemed to imply or constitute a waiver of any other like default, failure to perform, condition, provision, or breach of this Agreement. The failure of either Party to exercise any right, power, or privilege under the terms of this Agreement will not be construed as a waiver of any subsequent or future exercise of that right, power, or privilege or the exercise of any other right, power, or privilege.

(f) Governing Laws. This Agreement shall be construed in accordance with, and governed by, the laws of the State of Indiana without regard to principles of choice of law, and suit, if any, must be brought in the United States District Court for the Southern District of Indiana, Indianapolis Division, or Hamilton County, Indiana, as may be appropriate.

(g) Headings & Construction. The headings used for the articles, sections, and paragraphs of this Agreement are for convenience and reference purposes only. This Agreement has been reviewed and negotiated by the Parties and shall not be interpreted more strongly for or against any party based upon the source of draftsmanship. As used herein, the terms “include” and “including” shall be understood to be followed by “without limitation” in each instance.

(h) Severability. If any provision, covenant, agreement, or portion of this Agreement or its application to any person, entity, or property is held invalid, such invalidity shall not affect the application or validity of any other provisions, covenants, agreements or portions of this Agreement and, to that end, any provisions, covenants, agreements, or portions of this Agreement are declared to be severable.

(i) Assignment. No Party may assign this Agreement, or any rights, interests, or obligations hereunder, without the prior written consent of all other Parties. Subject to the foregoing, this Agreement shall be binding upon, and inure to the benefit of the parties hereto and their respective successors and assigns.

(j) Third Party Beneficiaries. Nothing in this Agreement shall be construed to confer any rights or remedies on any third party not a signatory to this Agreement.

(k) Independent Parties & No Joint Venture or Partnership. Nothing contained in this Agreement shall be construed as creating either a joint venture or partnership relationship between the Parties or any affiliate thereof. Neither Party shall have any authority or capacity to bind the other Party or its affiliates or to act on their behalf. Each Party expressly acknowledges that none of its employees, agents or contractors are employees of the other Party and that none of its employees, agents or contractors are entitled to participate in any benefit plans of such other Party.

(l) Termination. A Party may terminate this Agreement only as expressly provided herein.

(m) Notices. Any notices required or permitted under this Agreement shall be given in writing and shall be deemed delivered when received by email, U.S. certified mail, United Parcel

(n) Counterparts. This Agreement may be executed by electronically exchanged signature pages and/or in any number of counterparts, each of which when so executed shall be deemed an original, but all of which together shall constitute one and the same instrument.

(o) Non-Discrimination. In accordance with I.C. 22-9-11-10, GPSE shall not discriminate against any employee or applicant available for employment, to be employed in the performance of this Agreement, with respect to hire, tenure, terms, and conditions or privileges of employment, because of such person's race, color, religion, sex, disability, national origin, or ancestry.

(p) Dealings with Iran. In accordance with IC 5-22-16.5, by executing this Agreement, GPSE certifies that GPSE is not engaged in investment activities with Iran.

(q) Debarment and Suspension.

The term "principal" for the purposes of this clause means an officer, director, owner, partner, key employee, or other person with primary or supervisory responsibility, or a person who has a critical influence or substantive control over the operations of GPSE.

(2) GPSE shall immediately notify the City Parties if GPSE obtains knowledge that any subcontractor of GPSE receiving funds under this Agreement becomes debarred or suspended, and shall, at the City's request, take all steps reasonably required by the City to terminate GPSE's contractual relationship with the subcontractor for work to be performed under this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Public-Private Agreement (Grand Park Operations) to be effective as of the Effective Date:

City Purposes Plan

The City of Westfield, Indiana (the “**City**”) and the Westfield Redevelopment Commission (“**RDC**” and together with the City, the “**City Parties**”) desire that Grand Park be operated in a manner (i) that benefits the public welfare of the citizens of the City by attracting youth athletic contests and other types of family-oriented entertainment, performances and events that contribute to the educational, cultural, recreational and tourism development of the community, and (ii) such that Grand Park continues to be an amenity to the community as set forth in this plan (this “**Plan**”).

1. **Operations.** The operator of Grand Park will operate Grand Park primarily as a youth sports park and in a manner not inconsistent with this Plan.

2. **Availability for City Events.** The City Parties will have the right to reserve Grand Park, or an appropriate portion thereof, for the following events (the “**City Events**”): Westfield Rocks the Fourth; Touch a Truck; Indianapolis Colts Training Camp; Mayor’s Grand Gala; and such other events as the City and the operator of Grand Park shall mutually establish from time to time. The operator of Grand Park will not charge a use fee or any other fee to the City Parties for the City Events, but the City Parties will reimburse such operator for all costs incurred in connection with the City Events and the City Parties shall otherwise be solely responsible for all costs and expenses associated with the City Events.

3. **Services for City Events.** At the City’s request, the operator of Grand Park will negotiate with the City in good faith to establish reasonable rates from time to time for certain services to be provided by the operator in connection with City Events pursuant to separate agreement(s) between the operator and the City.

4. **WYSI Agreement.** So long as W.Y.S., Incorporated, an Indiana non-profit corporation d/b/a Westfield Youth Sports (“**WYSI**”) maintains its tax-exempt status as a 501(c)(3) organization and its primary purpose remains promoting amateur youth sports participation among school-age children in the City, the operator of Grand Park will, in good faith, negotiate an agreement with WYSI (the “**WYSI Agreement**”), which agreement is anticipated to include the following terms:

- The operator of Grand Park will allow WYSI to use a maximum number of hours for the following sports at Grand Park at 50% of the standard rates set by the operator from time to time.
 - Lacrosse fields 180 weekday and weekend hours
 - Football fields 160 Saturday hours
 - Football fields 240 weekday hours
 - Baseball/Softball diamonds 2,400 weekday only hours
- WYSI will also have the right to request inside field usage in the Events Center at the same 50% discount from operator’s standard rates, but only at such times and on such dates as the operator shall approve in its sole discretion.

- WYSI will have priority of scheduling after City Events and other contractual commitments have been satisfied, including but not limited to: Indiana Eleven Academy, Bullpen Tournaments, and Indiana Bulls.
- By November 1, WYSI will provide a notice to the operator of Grand Park with a notice of the estimated hours by sport needed for the following calendar year.
- WYSI and the operator of Grand Park will cooperate to finalize the schedule for such hours by February 1 of such calendar year. WYSI will pay for a minimum of 75% of the hours scheduled on the finalized schedule or the actual hours used, whichever is greater.
- All WYSI games will offer free admission to all players and spectators.
- The operator of Grand Park will allow a football equipment trailer to be stored at Grand Park.
- As long as WYSI utilizes more than 1500 hours at Grand Park in a calendar year, the operator of Grand Park will donate to WYSI an amount sufficient to be a WYSI platinum sponsor (currently \$25,000, which amount may be increased by WYSI from time to time, but the operator shall not be required to pay any increase in excess of 2% over the amount paid by the operator for the prior calendar year), which donation may be deducted from any invoice owed to the operator of Grand Park by WYSI.
- The operator of Grand Park will have the fields/diamonds game-ready for each sport.
- The operator of Grand Park and WYSI will cooperate to determine the need for medical trainers for particular WYSI events.
- The operator of Grand Park may terminate the WYSI Agreement if WYSI fails to maintain its tax-exempt status as a 501(c)(3) organization or its primary purpose is no longer to promote amateur youth sports participation among school-age children in the City.
- Standard terms and conditions set forth in similar agreements for use of the fields/diamonds between the operator of Grand Park and third parties.

It is understood that the operator of Grand Park and WYSI may negotiate additional and/or different terms than those outlined above and the executed WYSI Agreement, as amended from time to time, will govern and control over the provisions above.

4. **Zachary Cook Hyde Memorial.** The tree planted at Grand Park in memoriam of Zachary Cook Hyde will remain in its current location and relocated only in the event relocation is necessary for its preservation with prior written consent from the Andrew Cook family.

5. **Future Development.** The operator of Grand Park will: (i) cooperate with the City in connection with the City's development of a master development plan for the Grand Park area; and (ii) cooperate with a developer selected by the City to develop a Grand Park district development plan with respect to development within Grand Park.

6. **Free Admission for City Residents to Certain Events.** The operator of Grand Park will allow verified residents of the City and their immediate families free access without payment of any gate/ticket charges or parking fees to all youth sports events at Grand Park that are sponsored by the operator of Grand Park.

This Plan is designed to promote the public welfare of the citizens of the City by (i) attracting visitors who will make expenditures benefiting the hospitality and restaurant industries and other

businesses in the City, (ii) promoting capital investment in the City, particularly in areas surrounding the Grand Park and thereby increasing the City's property tax base and promoting additional opportunities for the gainful employment of citizens of the City, and (iii) Grand Park continuing to be an amenity for the citizens of the City, including by serving as the rent-free venue for the City Events, the benefits provided to the City's youth and their families through the WYSI Agreement and the free admission for City residents to certain youth sports events.

Emergency and Public Safety Plan

Grand Park Sports Campus Emergency Management Plan

Grand Park Overview and Background Plan

Facility Background

Grand Park is a 400-acre sports complex located in the City of Westfield, Indiana. The complex was developed to meet the demands of the rapidly growing youth sports market in the Hamilton County area and in the region. The City of Westfield was identified as the ideal location. Grand Park is bound by State Road 32 on the south, 191st Street to the north, Spring Mill Road on the west and US Highway 31 to the east. Construction on the park began in fall of 2011 and the park opened in the spring of 2014. The park includes 26 outdoor diamonds and 31 outdoor fields. One indoor facility will provide championship-level fields for baseball, softball, soccer, football, field hockey and lacrosse. More than 2 million visitors are expected annually to participate in or attend events at the facility. In the future, the fields are envisioned to be surrounded by dining, retail and entertainment venues, all geared toward supporting and enhancing the family sports atmosphere and experience.

Plan Overview

The Grand Park Emergency Management Plan outlines the management and response procedures to handle emergency management scenarios. The plan utilizes existing emergency response flowcharts and matrices created for Grand Park, plans from other similar facilities, and industry standards set forth by the U.S. Department of Homeland Security (DHS) National Response Framework. The plan serves as a foundation for staff emergency response training and should be reviewed with staff periodically to ensure all individuals are knowledgeable on the processes and procedures should an emergency event occur. It is intended that this plan will be exercised annually at minimum, either through a table top or full-scale exercise. The plan will be updated regularly by Grand Park Sports and Entertainment, based on outcomes of the exercises and real-world events at Grand Park and beyond.

Participating Entities and Roles

Entity	Primary Role
City of Westfield, Indiana	The City of Westfield owns Grand Park. The city has contracted Grand Park Sports and Entertainment to manage the park on a day to day basis with the exception of City Events.
Grand Park Sports and Entertainment (GPSE)	GPSE has been contracted by the city of Westfield to manage the day to day operations of the park.
Bullpen Tournaments	Bullpen Tournaments are responsible for managing its own organization. Bullpen Tournaments will host tournaments at Grand Park. Bullpen Tournaments are responsible for the diamond fields, and will play the role of event director(s) in the execution of this plan, as appropriate. Additionally, they will coordinate quad manager for the baseball fields.
Westfield Youth Sports (WYSI) and Westfield Youth Soccer Association (WYSA)/Indiana Fire Juniors (IFJ)	WYSI and WYSA/IFJ are housed at Grand Park. WYSI is a youth sporting organization offering baseball, basketball, cheerleading, football, lacrosse, softball, track and field, volleyball, and wrestling. WYSA/IFJ is a youth and adult soccer program serving the Westfield area. WYSI and WYSA/IFJ are responsible for managing their organizations and for overseeing their own practices and games at Grand Park.
Public Safety Entities	The following public safety entities are involved in the execution of this plan: Primary: • Westfield Police Department • Westfield Fire Department Supporting: • Hamilton County Emergency Management • Hamilton County Sheriff's Office • Indiana State Police • Regional law enforcement agencies • Indiana Department of Homeland Security

Park Event Tiers

Grand Park Sports Campus will be home to many different types of sporting events. From routine practices to tournaments that draw national and international participation, the number of attendees on the park grounds will vary greatly on a daily basis. To assist with planning required to support the events of various sizes, the City has defined the following tiers based on type of event and anticipated number of attendees. A tier will be assigned to Grand Park Sports Campus daily (Green, unless otherwise noted). The daily tier of the park will drive the level of onsite support from Grand Park Staff and also public safety officials. The tier system is to be applied to each side of the facility by itself (Diamond Sports and Field Sports). This will be determined by the max visitor load per hour, which is to be filled out two weeks prior to each event.

Tier 1 - Green – Practice or League Games: Tier 1 assumes practices or league games are occurring for organizational sports, including but not limited to WYSI, WYSA/IFJ, and/or Bullpen Tournaments. It is assumed less than 5,000 people on campus.

Tier 2 - Yellow – Small Tournament Play: Tier 2 assumes tournaments are taking place at Grand Park Sports Campus, and assumes 5,000- 20,000 people are estimated to be onsite at Grand Park Sports Campus at any one point in time (typically Friday- Sunday).

Tier 3 - Red - Large Tournament Play: Tier 3 assumes tournaments are taking place at Grand Park, and more than 20,000 people are estimated to be onsite any one time (typically Friday- Sunday).

Establishing and Communicating Park Tier

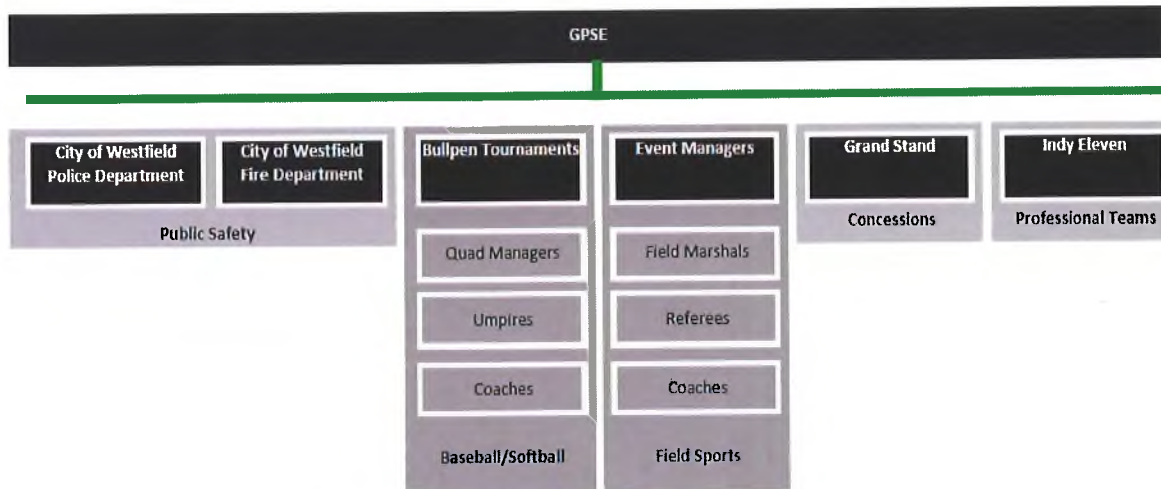

It will be the responsibility of the GPSE team to communicate the daily tier (green, yellow, red) and the potential number of attendees to all stakeholders, to provide time for proper preparation and staffing. This will be determined by the max visitor load per hour, which is to be filled out two weeks prior to each event.

A central calendar is available to reflect the number of teams attending tournaments on the Grand Park website. The calendar is available at grandpark.org/events/

Processes and procedures to address the incidents and hazards outlined above are included in this plan in **Sections 8 and 9 - Emergency Action Plans.**

Communication Plans

Park-wide Communication to Visitors

Grand Park has the following mechanisms in place to communicate with visitors at Grand Park daily, for all types of events (all tiers). This system is available to use in an emergency response

situation. The communication system includes the following components:

- Weather alert system (siren and red beacon light)
- Two-way radios to communicate
- Personal cell phones
- Signage throughout Grand Park
- Outdoor Warning Siren
- Weather hotline (organization-specific weather hotlines for updates on weather and play status)
- Websites (organization-specific, for updates on weather and play status)
- Mass notification/paging system (pending)

Weather Alert System

Grand Park is equipped with an automated weather alert system. When a solid tone and the red beacon light is on, this is an indication to all park participants to seek shelter in a vehicle or offsite. When the siren sounds an alternating high and low tone and the red beacon light is off, it is safe to return. Signage will be available throughout Grand Park, as a reminder to Park visitors. More information about the use of the Weather Alert System is provided in Section 9. Emergency Action Plans: Weather.

Hamilton County Emergency Management Agency Tornado Siren

Hamilton County Emergency Management Agency (Hamilton County EMA) has adopted a revised policy concerning use of outdoor emergency sirens to notify Hamilton County residents of severe weather. Effective August 1, 2014, outdoor sirens in Hamilton County will be activated under one of four conditions:

If the National Weather Service issues a Tornado Warning for all or part of Hamilton County, outdoor sirens will be activated for that part of the county under the warning;

- If a funnel cloud or tornado is identified by trained public safety personnel;
- At the discretion of the Hamilton County Emergency Operations Center staff or, based on storm potter reports, in the event of a straight-line wind event causing damage; or,
- At the request of a municipal official such as a Mayor, Police Chief, or Fire Chief.

Activation of the outdoor sirens during for any of these reasons will be done on a 5 minute on, 5 minutes off rotation for the duration of the emergency. Outdoor sirens are owned and maintained by local municipalities so if one part of a municipality is under siren activation then all outdoor sirens in that county will be activated.

Testing of outdoor emergency sirens in Hamilton County will continue each Friday morning at 11:00am unless the temperature is below 32 degrees or in the event of potential bad weather.

The policy for siren activation is provided in Appendix A: Hamilton County EMA Tornado Sirens.

Media Communications

The GPSE appointed media director or their designee, in consultation with the Westfield Police PIO, will be the single point of contact to interface with the media during or after an emergency

situation. Only this single point of contact should talk to the media. All other stakeholders outlined in this plan should not speak with the media unless directed to do so by the single point of contact.

Traffic Management Plans

The large number of participants and visitors at Grand Park makes movement of people, emergency equipment when needed, and vehicles difficult. A cohesive ingress/egress traffic plan will be developed by the City of Westfield Police Department outside of this Emergency Management Plan. The City of Westfield Police Department will be the primary party responsible for managing traffic flow in and out of Grand Park, for all Tiers. Communicate all potential issues with traffic at least two weeks prior to the event.

Preferred Vendors

- Westfield Police Department
- Westfield Fire Department

Park Visitor Guidelines

Visitors to Grand Park will comply with all applicable state, federal and local laws and Grand Park rules.

In addition to the City of Westfield's park regulations, which are defined by City ordinance (Sec. 44-1. General rules for the use of city parks and recreational facilities), Grand Park also has the following rules and regulations:

Hours

Per City ordinance, unless otherwise posted for a specific event, Grand Park will be open from sunrise to midnight seven days a week. However, Grand Park may be closed early, or hours extended temporarily, in case of emergency, adverse weather conditions, or unusual circumstances as determined and ordered by Grand Park Staff.

Emergency Action Plans: Non-Weather

Emergency Action Plans may have four components:

Mitigation: The purpose of mitigation activities is to either prevent the occurrence of an emergency or to minimize the potential adverse effects of an emergency. Though there are many mitigation activities that may occur as part of actual response to an emergency, the most effective mitigation activities are those that take place long before an emergency occurs. These involve identifying potential hazards, then taking measures to remove the hazard, prevent or minimize the potential for emergencies involving the hazard, or minimize the adverse effects of an emergency involving the hazard.

Preparedness: Preparedness includes activities necessary to ensure a high degree of readiness so that response to an incident would be swift and effective. Components include planning and procedure, training programs, and emergency drills.

Response: Response activities are all of those measures taken during an incident, which prevent serious injury, loss of life, and minimize damage to the facility. This section focuses on response activities.

Recovery: Recovery contains those short- and long-term activities that return all systems to normal operations. Short-term recovery actions are taken to assess structural damage and return vital life support systems to minimum operating standards; long-term recovery actions may continue for many months or years focusing on restoring normalcy to everyday facility operations.

For Grand Park Sports Campus, all emergencies shall first be reported to 911.

Non-emergency police requests should be directed to the non-emergency police line at 317-773-1300.

Guaranty

GUARANTY OF PAYMENT

THIS GUARANTY OF PAYMENT (this "Guaranty") is made effective this ____ day of _____, 2024 (the "Effective Date"), by **BULLPEN VENTURES, LLC**, an Indiana limited liability company ("**Bullpen**"), and **KG 11 LLC**, an Indiana limited liability company ("**ISE**"). Bullpen and ISE are sometimes herein individually referred to as a "**Guarantor**" and collectively referred to as the "**Guarantors**".

To induce **THE CITY OF WESTFIELD, INDIANA** (the "**City**"), and **THE WESTFIELD REDEVELOPMENT COMMISSION** (the "**RDC**"; and together with the City, the "**City Parties**") to enter into that certain Public-Private Agreement (Grand Park Operations), dated as of the Effective Date (the "**PPA**") with Grand Park Sports & Entertainment, LLC, an Indiana limited liability company ("**GPSE**"), the Guarantors intending to be legally bound, hereby unconditionally guarantee to the City Parties the punctual payment of the Guaranteed Obligation. As used herein, the "**Guaranteed Obligation**" means payment by GPSE of the Operations Fee under the PPA in an amount not to exceed the Operations Fee payable during the twelve (12) month period following the earlier to occur of (i) an Event of Default by GPSE, and (ii) the City Parties' receipt of notice from GPSE that GPSE irrevocably surrenders all of its rights under the PPA effective as of a date designated in such notice; provided that if the City Parties terminate the PPA as a result of an Event of Default by GPSE, such amount shall be reduced by (1) twenty-five percent (25%) of the balance in the Escrow Fund, and (2) the net revenue actually received by the City Parties from operation of Grand Park at the conclusion of the twelve (12) month period of the Guaranty. The sum of the twenty-five percent (25%) Escrow Fund balance reduction shall be divided by twelve (12) and the resulting quotient shall be deducted from each monthly payment of the Operations Fee Guarantors are required to make over such twelve (12) month period; for example, if the annual Operations Fee was \$4,000,000 and the balance in the Escrow Fund was \$1,000,000, the Guarantors would pay \$312,500 per month for the twelve (12) month period [$\$4,000,000 - (25\% \text{ of } \$1,000,000 \text{ OR } \$250,000) / 12 = \$312,500/\text{month}$]. At the conclusion of such twelve (12) month period, the City Parties shall remit any net revenues remaining after the payment of all expenses associated with its assumption of Grand Park operations to the Guarantors. Any capitalized term used, but not defined, in this Guaranty shall have the meaning ascribed to such term in the PPA.

This Guaranty shall be construed as an absolute and unconditional guaranty of payment and not a guaranty of collection and each Guarantor's liability shall be direct, immediate, and not conditional or contingent upon the pursuit by the City Parties of any remedies it may have or the requirement to resort first to GPSE, any other guarantor of the Guaranteed Obligation (including, but not limited to, the other Guarantor), any collateral or security, or any other remedy whatsoever. Neither Guarantor shall have the right of contribution, subrogation, reimbursement, or indemnity whatsoever against or from GPSE, nor any right to recourse to any security for the Guaranteed Obligation given by GPSE or any other entity or person unless and until all of the Guaranteed Obligation has been paid in full.

The City Parties may, from time to time, without notice to the undersigned Guarantors: (a) extend or renew for any period (whether or not longer than the original period) or amend the PPA; (b) release, waive, or compromise any liability of any of the undersigned hereunder or any liability of any other party or parties primarily or secondarily liable on any of the Guaranteed Obligation; or (c) resort to the undersigned Guarantors for payment of any of the Guaranteed Obligation, whether or not the City Parties shall have proceeded against GPSE or any other party primarily or secondarily liable on any of the Guaranteed Obligation. No such action or failure to act by the City Parties shall affect the liability of the Guarantors hereunder in any manner whatsoever.

Each Guarantor hereby expressly waives: (a) notice of the acceptance of this Guaranty; (b) notice of the existence, creation, amount, modification, amendment, alteration, or extension of the PPA; (c) presentment, demand, notice of dishonor, protest, and all other notices whatsoever except for the notices

expressly required by this Guaranty; (d) any benefit of valuation, appraisement, homestead, or other exemption law, now or hereafter in effect in any jurisdiction in which enforcement of this Guaranty is sought; and (e) all diligence in collection of the Guaranteed Obligation or perfection or protection of or realization upon any collateral or security for the Guaranteed Obligation or any part thereof.

No delay on the part of the City Parties in the exercise of any right or remedy shall operate as a waiver thereof, and no final or partial exercise by the City Parties of any right or remedy shall preclude other or further exercises thereof or the exercises of any other right or remedy.

The validity of this Guaranty and the obligations of the undersigned hereunder shall not be terminated, affected, or impaired by reason of any waiver of, or failure to enforce, any of the rights or remedies reserved to the City Parties in the PPA, or otherwise, or by reason of the bankruptcy or insolvency of GPSE and whether or not the term of said PPA shall terminate by reason of said bankruptcy or insolvency.

Each Guarantor covenants and agrees that the City Parties may proceed directly against each Guarantor without first proceeding or making claim or exhausting any remedy against GPSE, or the other Guarantor, or pursuant to any particular remedy or remedies available to the City Parties. Each Guarantor agrees to pay all of the City Parties' costs, expenses, and reasonable attorneys' fees incurred by the City Parties in enforcing this Guaranty. The obligations of each Guarantor under this Guaranty shall be absolute and unconditional and shall remain in full force and effect until the Guaranteed Obligation has been paid in full.

All of the City Parties' rights and remedies under the PPA or under this Guaranty are intended to be distinct, separate, and cumulative, and no such right or remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. Whenever used in this Guaranty, the terms Guarantor, City Parties, and GPSE shall include the respective successors and assigns of the party named as such. As used herein, the plural shall include the singular and the singular shall include the plural.

Each Guarantor represents that the guaranty of each covenant herein provided is offered freely and voluntarily as an inducement for the City parties to enter into the PPA with GPSE. The undersigned individual signing this Guaranty for each Guarantor hereby represents and warrants said individual has the authority to sign on behalf of such Guarantor. All payments by Guarantors shall be in lawful money of the United States of America at the office and for the account of the City Parties. Each Guarantor shall be jointly and severally liable for all obligations under this Guaranty.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each Guarantor has executed this Guaranty to be effective as of the Effective Date.

GPSE Insurance

CITY OF
Westfield
INDIANA

Approval of Public Private
Partnership with GPSE
12/09/2024

Thank You

- ❖ **Grand Park Team**
- ❖ **Operations Review Committee**
- ❖ **City Administration and City Council**
- ❖ **GPSE**
- ❖ **Taft Law, Faegre Drinker, and Ice Miller**
- ❖ **Bondry Consulting**

Why GPSE

- ❖ GPSE bid was the only one that allowed retaining ownership of Grand Park (GP) while an operator used their own resources to take the park into the future
- ❖ GPSE is a joint venture between Bullpen Tournaments and Indy Sports and Entertainment who own the Indy 11, both of which have the depth of knowledge and understanding of GP and have contributed to its success in the past
- ❖ GPSE also brings the development and real estate expertise of Keystone Realty Group LLC

Why GPSE

- ❖ Government will NEVER run a business as efficiently and effectively as the private sector.
- ❖ The business of Sports and Entertainment is all about relationships. The City could never replicate the deep relationships that GPSE has with the NCAA, FIFA, Big Ten Conference, Horizon League, IHSAA, United Soccer League, Major League Soccer, and MLB
- ❖ GP has already benefited from these connections as it has been selected as a Base Camp site for the 2026 World Cup

Why GPSE

- ❖ GPSE brings an exciting vision for the Park and the expertise to ensure GP remains the premier destination for youth sports
- ❖ GPSE will be making guaranteed annual payments that over 30 years will generate over \$184 million dollars for the City
- ❖ GPSE will also be contributing \$38 million dollars into a shared escrow fund that can be used for Capital Improvements and other agreed upon projects within GP

Why GPSE

- ❖ A guaranteed revenue stream is part of the strategic plan to create the GP District, which includes a total investment of approximately \$2B. This includes:
 - Land acquisition
 - Winter sports components
 - Structured parking
 - Hotel with convention center
 - Economic incentive packages for Corporate HQs
 - Development of a Sports Tech Hub
 - Construction of a championship, multisport stadium

Why GPSE

- ❖ Provides a continuation of Westfield residents receiving free admission
- ❖ Provides a continued partnership with WYSI with an increase in diamond & field usage
- ❖ Allows the City to unwind difficult contracts that would be impossible to do with another organization.
- ❖ Diverts all business risk associated with GP to the private sector
- ❖ Provides a financial guaranty for the operations fee payment

Recent Changes Made per Council Request

- ❖ The agreement has been shortened from 40 down to 30 years. This will include an initial 10-year term and four 5-year extensions.
- ❖ We have instituted a cap of net revenues back to the guarantors in the event of a default
- ❖ We have added date ranges for all City Events to be held at the Grand Park Sports Campus
- ❖ We have added a table indicating the escrow contributions from both parties
- ❖ We have instituted a cap on PSDA revenues that can be credited to the GPSE matching escrow contribution

We would appreciate your vote!!!

Grand Millennium PUD – Amendment III

Narrative Statement

Please allow the following paragraphs to serve as a narrative statement for the Grand Millennium PUD Amendment III. The site was previously zoned for 350 residential units, retail and office in the Amendment III area.

The Grand Millennium project has progressed over the last several years. Currently, the development includes the new Westfield -Washington Library and construction is in progress for a Medical Office Building.

This next phase will complete the multi-use vision of the overall Grand Millennium development. Located at the SW corner of Park Street & Westfield Blvd, the project is a western anchor to Westfield's downtown.

The proposed next phase of the project will include three buildings. Building 1 will be a multi-use building with residential, retail and a structured parking garage. Building 1 will be approximately 212 units and 11,000 SF of retail and a 292-space parking garage. Building 2 will be a multi-use building with residential and retail with first level parking and residential above. Building 2 will be approximately 154 units and 1,500 SF of retail and 155 ground level spaces. A third building will be a Medical Office Building of up to 60,000 SF.

The site is also centrally located between the Monon Trail and the Midland Trace Trail, making it a good amenity location for residents using the various trails. To provide amenities for City residents, the project design is proposed to include several outdoor amenity areas. As a further amenity, the combined pond at the south end of the project will include paths with exercise stations as well as a fishing pier.

The specific request with Amendment III of the Grand Millennium PUD is to allow the overall project to increase by 20 units and allow for the building to be in the location of the current pond. This will allow the layout as presented to be constructed.

We appreciate the opportunity to work through the various zoning and economic development approvals with this project. Our overall goal is to provide additional parking for the downtown area but also additional amenities for Westfield residents. This will allow the Grand Millennium site to become a destination for living, working and recreation.

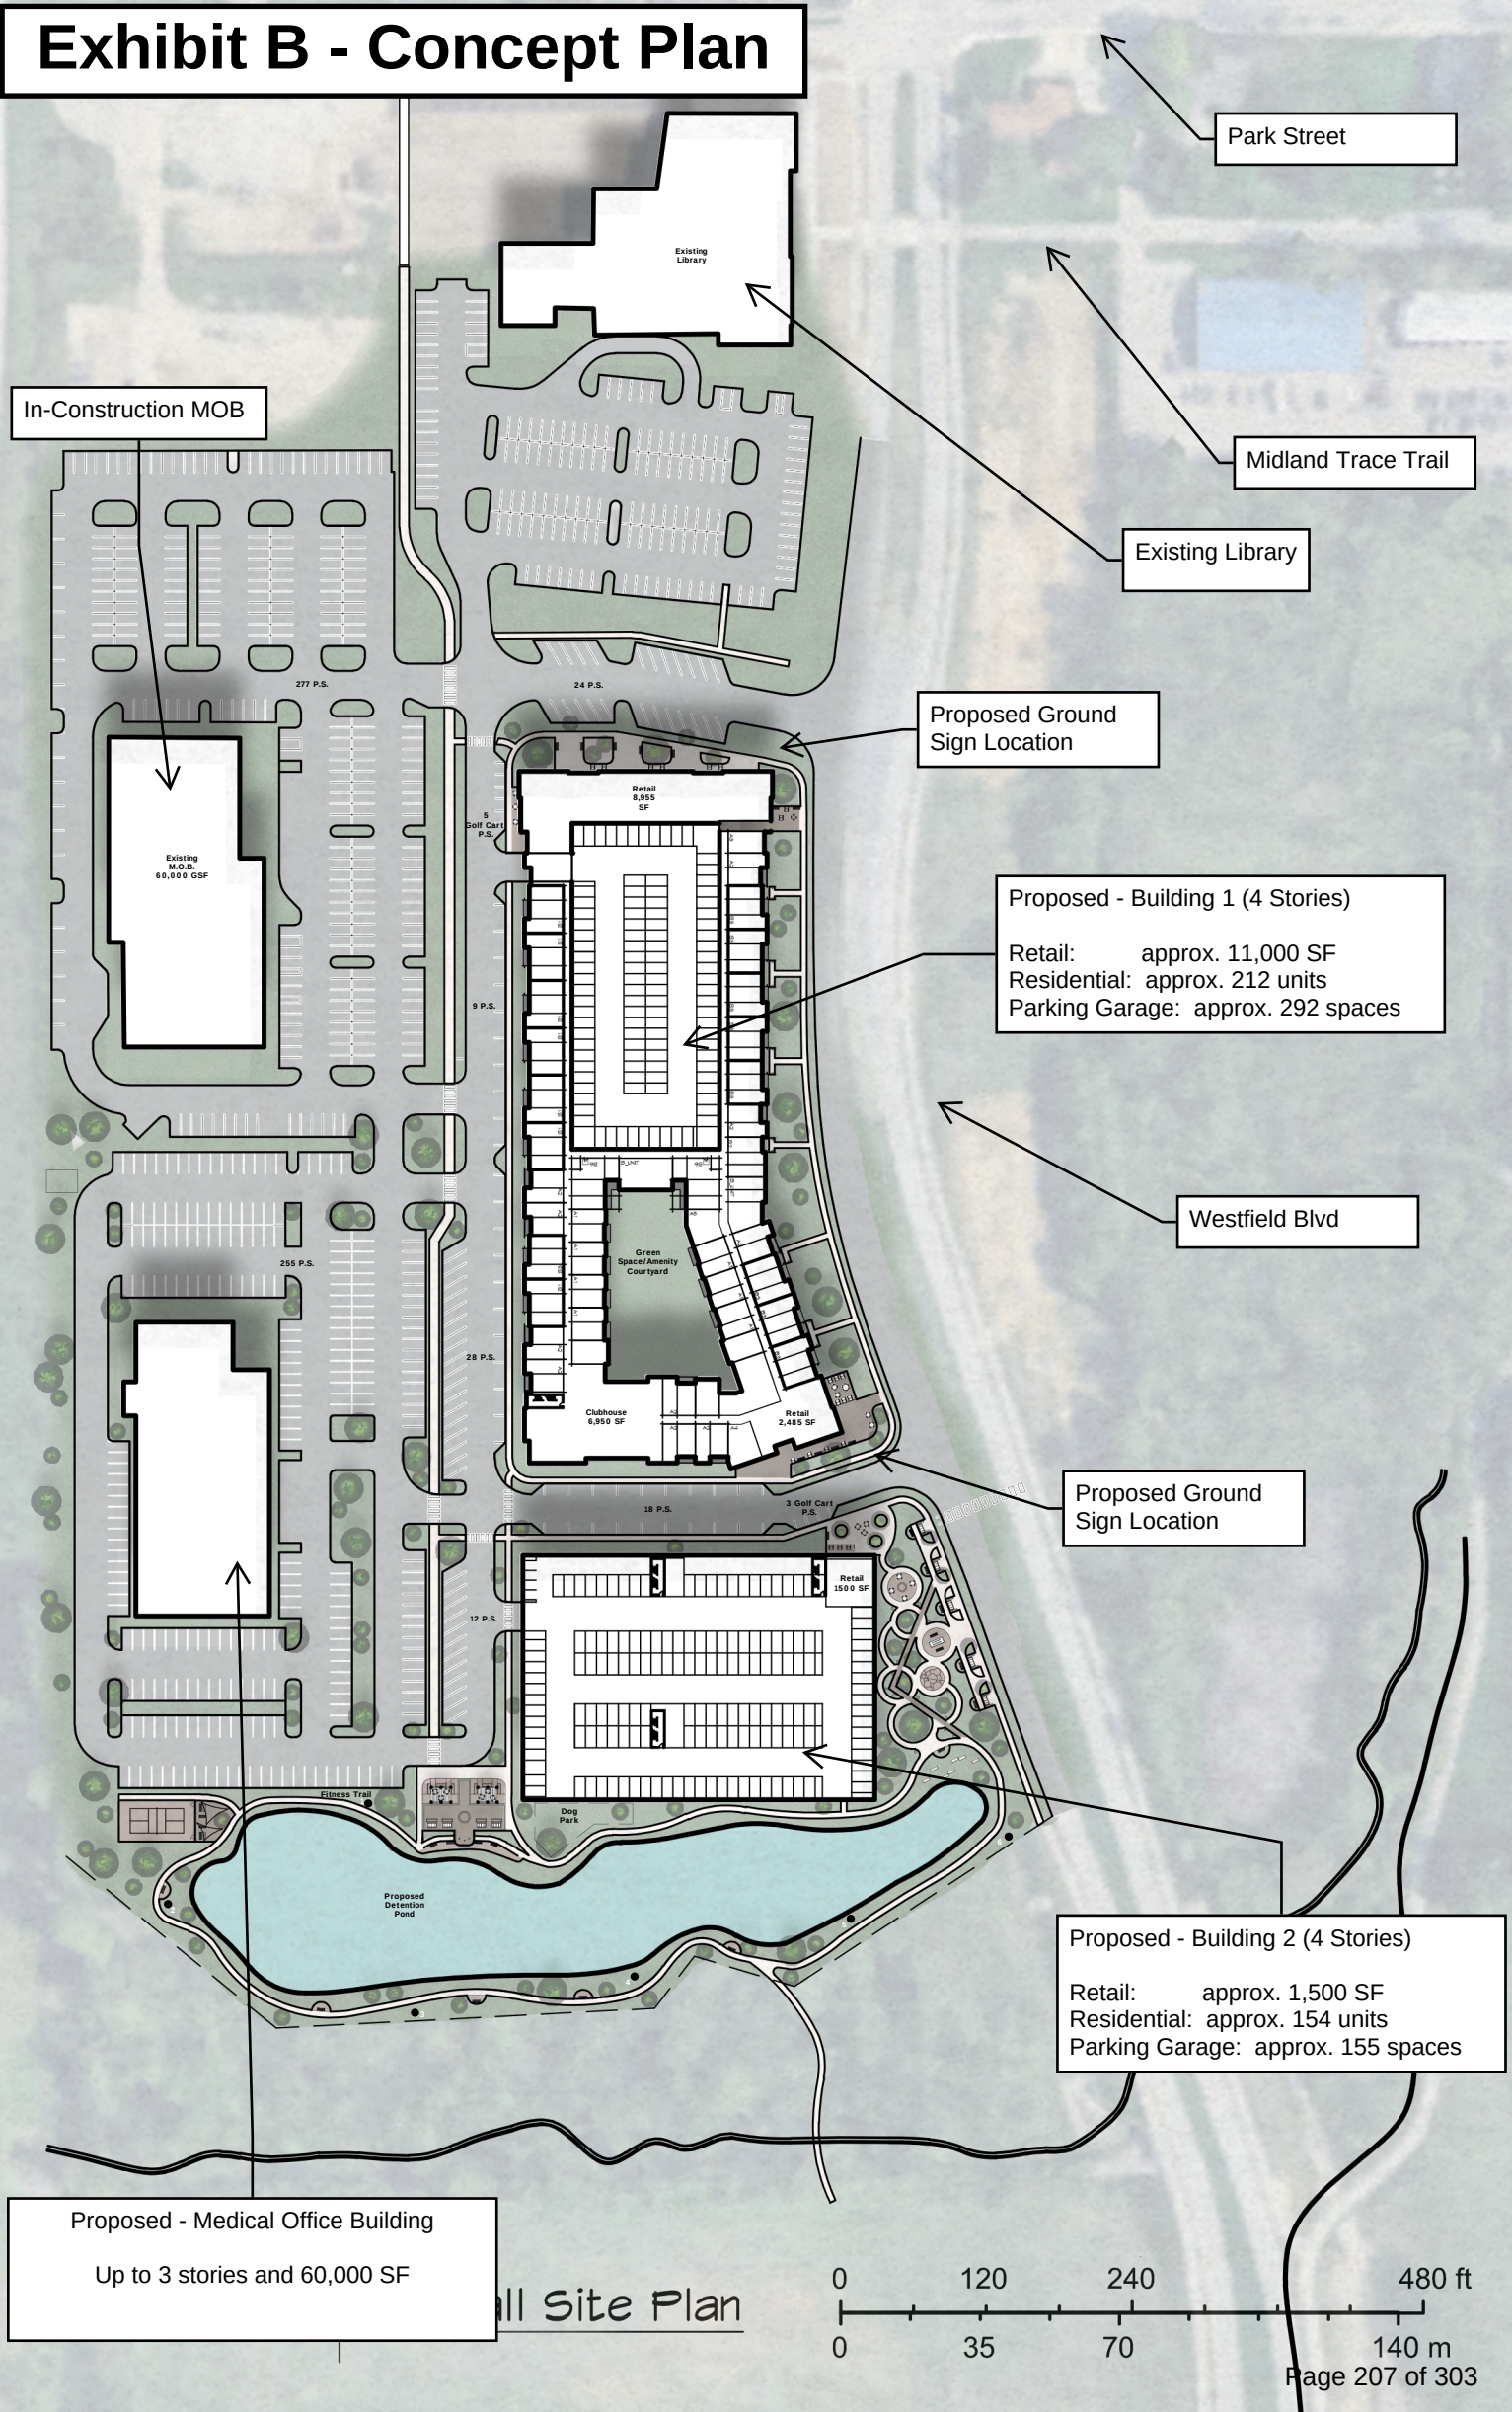

Sincerely,

David George
