Section 1. Overview of Funding

American Rescue Plan Act & Coronavirus State and Local Fiscal Recovery Fund

On March 11, 2021, President Joe Biden signed the American Rescue Plan Act (“ARPA”) into law. Among its many provisions intended to address the COVID-19 pandemic, the ARPA included an amendment to the Social Security Act (“SSA”) adding Section 602 and Section 603 of the SSA establishing the Coronavirus Local Fiscal Recovery Fund (“FRF”), intended to provide local governments with funds to respond to the impact of COVID-19. On December 29, 2022 the Consolidated Appropriations Act, 2023 (“2023 CAA”) further amended Section 602 and Section 603 of the SSA to expand the eligible uses of funds provided to local governments from the FRF. The FRF funds may be used by recipients, including non-entitlement units of local government, for the following four purposes:

1. To respond to the public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality;
2. To respond to workers performing essential work during the COVID–19 public health emergency by providing premium pay to eligible workers;
3. For the provision of government services to the extent of the reduction in revenue due to the COVID–19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency;
4. To make necessary investments in water, sewer, or broadband infrastructure;
5. To provide emergency relief from physical and economic impacts of natural disasters; and
6. To make investments in surface transportation infrastructure projects eligible for Federal funding under certain United States Department of Transportation programs or under Title I of the Community Development Act of 1974.

On May 17, 2021, the United States Department of the Treasury (“Treasury”) issued an Interim Final Rule (“2021 IFR”), providing guidance and clarifying the nature and scope of expenses eligible for payment using FRF funds. On January 6, 2022, Treasury issued a final rule (the “2022 Final Rule”) which provided flexibility and simplifications regarding the use of the FRF funds. The Final Rule takes effect on April 1, 2022, but recipients of FRF funds can take advantage of the Final Rule’s provisions as of the date of its publication. On September 20, 2023 the Treasury issued an Interim Final Rule (“2023 IFR”), providing guidance and clarifying the nature and scope of expenses eligible for payment using FRF funds in light of the amendments to the SSA set forth in the 2023 CAA.

City of Westfield’s Allocated Funding

Congress allocated FRF funds under the ARPA to the several states to distribute to eligible non-entitlement units of local government based on each non-entitlement unit of local government’s population share of the total population of all non-entitlement units of local government in the state. The City of Westfield (the “City”) is a non-entitlement unit of local government for purposes of the FRF. The City has been allocated \$9,854,745 in FRF funds. The City received its first tranche of funds in the amount of \$4,927,372.71 on June 1, 2021. The City received a supplement to its first tranche of funds in the amount of \$18,650.89 on March 11, 2022. The City received its second tranche of funds

in the amount of \$4,946,023.60 on August 17, 2022. As a result of the supplemental award of funds, the City's total award is \$9,892,047.20.

City of Westfield ARPA Plan

In accordance with guidance issued by the Indiana State Board of Accounts, the City has adopted this plan outlining the intended uses, amounts, and justifications for its FRF expenditures. These numbers are estimates for each category. They may change based on need, COVID conditions and or bids/quotes that come in higher or lower. Likewise, projects may be added and or removed. This plan is to layout a roadmap for the City Government to utilize these dollars to have the greatest overall impact on Westfield. Input for this plan has been received from community members, business leaders, department heads and elected officials.

Section 2. Summary of Proposed Uses of Funding

The City of Westfield plans to use its FRF funds in the below amounts and permitted categories, further detailed in the following pages of this plan:

Category	Amount
Responding to the COVID-19 public health emergency and its negative economic impacts	\$0.00
Providing premium pay to eligible workers	\$0.00
Provision of government services to extent of reduction in revenue	\$9,832,047.20
Water, sewer and broadband infrastructure development	\$0.00
Responding to the physical and economic impacts of natural disasters	\$0.00
Surface transportation infrastructure development	\$0.00
Audit costs and consultants to support effective management and oversight including compliance with legal, regulatory, and other requirements	\$60,000.00

Section 3. City of Westfield, Indiana ARPA Funding Plan for 2022-2023

A. Proposed Actions to Provide Government Services.

The Treasury has provided in its FR that a recipient of FRF funds may elect to be treated as having experienced up to \$10,000,000 or the full amount of the recipients award (the “Standard Allowance”) in revenue loss for purposes of opening the ability to expend funds on the provision of government services up to the amount of COVID-19 related revenue loss. The City will elect the Standard Allowance and is therefore permitted to expend up to the full amount of its award on the provision of government services.

The FR provides that “generally speaking, services provided by the recipient governments are ‘government services’ under the IFR and FR, unless Treasury has stated otherwise.”¹ Treasury’s guidance on reporting and compliance included in audiovisual presentations by the Treasury² has made clear that recipients of FRF funds which have elected the Standard Allowance should report all expenditures of the FRF funds by the recipient in the expenditure category identified by the Treasury for reporting the “Provision of Government Services” regardless of eligibility in other expenditure categories. In line with the aforementioned portion of the FR and this Treasury guidance, the City has placed all projects in this Subsection 3(A) of its ARP Plan without regard to potential eligibility in other expenditure categories under the FR.

1. Action to Support Nonprofit Organizations in the City by Conducting a Nonprofit Grant Program

Proposed action: The City of Westfield has responded to the negative economic impacts of the public health emergency by providing grants to impacted nonprofits in response to negative economic impacts of the pandemic on those nonprofits such as decreased revenues, uncompensated for increased needs for the services of the nonprofit, or increased costs of operations.

Estimated cost: \$479,205.00

Justification: Direct assistance, in the form of grants, to nonprofit organizations which have been impacted by the COVID-19 public health emergency is an enumerated eligible use.³ The City will evaluate applications for grant funding using a competitive grant process as identified in Treasury’s FR.⁴

³ “The interim final rule provided for, and the final rule maintains, the ability for recipients to provide direct assistance to nonprofits that experienced public health or negative economic impacts of the pandemic. Specifically, recipients may provide direct assistance to nonprofits if the nonprofit has experienced a public health or negative economic impact as a result of the pandemic.” Federal Register Vol. 87, No. 18, p. 4380.

⁴ “Recipients may avoid conflicts of interest in providing assistance to nonprofits or making subrecipient awards by, inter alia, making aid available to nonprofits on generally applicable terms or utilizing a competitive grant process, respectively.” Federal Register Vol. 87, No. 18, p. 4380.

2. Action to Provide Premium Pay to Eligible Workers who Have Performed Essential Work

Proposed action: The City of Westfield has responded to the needs of workers performing essential work during the COVID–19 public health emergency by providing premium pay to eligible workers. The City has identified front-line public safety staff in the Westfield Fire Department and Westfield Police Department as appropriate recipients of premium pay. The City has therefore provided these front-line public safety staff with premium pay in the amount of \$1,500 per staff member for work performed from January 27, 2021 to present through the COVID-19 Public Health Emergency.

Estimated cost: \$209,914.79

Justification: Providing premium pay to eligible workers who performed essential work during the COVID-19 Public Health Emergency is an eligible use of FRF funds identified in the text of the ARPA.⁵ The front-line public safety staff that will receive premium pay are eligible because they are public employees of a recipient government.⁶ Providing front-line public safety staff with premium pay responds to these staff members performing essential work because they were required to be physically present at work throughout the pandemic and were exposed to increased risk of transmission of COVID-19 as a result.⁷

3. Action to Provide for Certain Drainage and Stormwater Infrastructure Projects in the City

Proposed action: The City of Westfield plans to provide for certain improvements to drainage and stormwater infrastructure in the City with a particular focus on the areas surrounding the historic downtown of the City. These infrastructure improvements are intended to address inadequate existing infrastructure and issues of flooding in the historic downtown of the City.

Estimated cost: \$3,135,722.00

Justification: The construction and maintenance of sewer, stormwater, and drainage infrastructure is a service traditionally provided by a local unit of government.⁸

⁵ “funds may be used ‘to respond to workers performing essential work during the COVID–19 public health emergency by providing premium pay to eligible workers of the . . . government that are performing such essential work” Federal Register Vol. 87, No. 18, p. 4396.

⁶ Federal Register Vol. 87, No. 18, p. 4397-4398.

⁷ Essential Work is defined in the Final Rule as, “work that (1) is not performed while teleworking from a residence and (2) involves either (i) regular, in-person interactions with patients, the public, or coworkers of the individual that is performing the work or (ii) regular physical handling of items that were handled by, or are to be handled by, patients, the public, or coworkers of the individual that is performing the work. Treasury adopted this definition of essential work to ensure that premium pay is targeted to workers that faced or face heightened risks due to the character of their work during a pandemic.” Federal Register Vol. 87, No. 18, p. 4398.

⁸ See e.g., Federal Register Vol. 87, No. 18, p. 4408.

4. Action to Provide Funding Support for the Construction of a YMCA Facility by the YMCA of Greater Indianapolis in the City

Proposed action: The City of Westfield plans to make a grant of funds to the YMCA of Greater Indianapolis for the construction of a 90,000 square foot addition to the existing Westfield-Washington Schools Natatorium facility located at the corner of 181st Street and Wheeler Road in the City. The expanded facility will continue the existing operations of the natatorium facility for Westfield-Washington Schools and will add gymnasium, track, and other exercise facilities as well as community gathering spaces, children's programming spaces, and other community amenities. The facility will also house an Ascension St. Vincent medical clinic.

Estimated Cost: \$5,000,000.00

Justification: The provision of incentives for the construction of facilities in the City which will promote the welfare of residents, the quality of life in the community, and general attractiveness of the City is a service traditionally provided by a local unit of government.⁹ Additionally, providing grant funding to nonprofit organizations to support the operations of those nonprofit organizations in the City is a service traditionally provide by a local unit of government.¹⁰

5. Action to Provide for Surface Transportation Infrastructure Projects in the City

Proposed action: The City of Westfield plans to provide funding for certain surface transportation infrastructure projects within the City including the expansion, modification, improvement, resurfacing, maintenance and preservation of City street, road, and trail infrastructure including any related improvements.¹¹

Estimated cost: \$1,007,205.41

Justification: The construction and maintenance of surface transportation infrastructure is a service traditionally provided by a local unit of government.¹²

¹² See e.g., Federal Register Vol. 87, No. 18, p. 4408.

- B. Audit costs and consultants to support effective management and oversight including compliance with legal, regulatory, and other requirements¹³

1. **Consultants to be retained**

Proposed Action: The Common Council of the City of Westfield has retained Barnes & Thornburg, LLP, Indianapolis, Indiana to advise the Common Council on matters of compliance with legal, regulatory, and other requirements

Estimated cost: approximately \$ 1,500.00/month

Justification: Ensuring that the Common Council has appropriate counsel as it navigates the legal and regulatory framework that directs the City's expenditure of FRF funds to avoid expenditure of funds on ineligible projects and to maximize value for residents of Westfield.¹⁴

¹³ In accordance with Treasury guidance these expenditure items will be reported as actions to provide government services, they are identified in this separate category for clarity in the City's plan only.

Ordinance 23-16: 2024 Non-Elected Officials Salary Ordinance

Council Introduction: August 28, 2023

Adoption Consideration: October 9, 2023

Jeremy Lollar presented stating this is the yearly Ordinance that sets a minimum, mid, maximum pay range for each position within the city. Mr. Lollar stated the ranges were adjusted to reflect a 4% cost of living increase for 2024. The ordinance includes new positions requested by Mayor-elect, Scott Willis.

Troy Patton expressed that he was not in favor of the 4% COL increase, stating the average corporate America increase range from 2.83-3.2%. Mr. Patton stated this ordinance is “completely washed up”, it throws inaccurate numbers at different positions. We should be giving raises based on performance not just 4% across the board.

Mr. Patton voiced that in his opinion the city is overpaying and over exaggerating the value of some positions. For these reasons, Mr. Patton is against this ordinance.

Cindy Spoljaric stated there are inconsistencies with grade vs pay. Mrs. Spoljaric inquired if we are still using Archer to help with the salaries, and if so why. Departments are requesting to alter the numbers so that using Archer makes no sense.

Scott Willis stated there is money in the HR budget next year to perform a new study and use a different company. Mr. Willis stated that using a third party establishes neutrality. Mr. Willis asked council what it would take to get this passed, stating he has a person who he is wanting to hire as chief of legal but can't until the salary amount is confirmed. There are also two other positions Mr. Willis is asking to create.

Jeremy mentioned that there were 12 other positions throughout the city that were being requested. There was continued discussion.

Scott Willis made the motion to approve Ordinance 23-16 with stipulation that all current positions revert back to the 2023 salary ranges and the new positions will remain as written in pages 5,6, and 7. Troy Patton seconded. Vote: Yes-7; No-0. Motion carries.

Ordinance 23-17: City of Westfield Authorizing the Issuance and Sale of GO Bond Series 2023A

Council Introduction: August 28, 2023

Public Hearing: October 9, 2023

Adoption Consideration: October 9, 2023

Jeremy Lollar presented stating the Issuance of GO Bonds is used as a tool to help us control the tax rate, plus gives us money for capital improvement projects. Mr. Lollar explained how the city loses money if the tax rates fall.

Mr. Lollar stated the GO Bond Series 2023A pertains to infrastructure improvement projects.

Troy Patton inquired why we issue two bonds and why we don't just do one bond for a larger amount. Jim Crawford stated there is a state statute that limits the dollar amount that one bond can be to go through an abbreviated process.

Scott Willis stated that he was aware that there was some who were disappointed about not using TIF revenue to pay for some of the infrastructure projects. Mr. Willis relayed that he met with John Rogers, and Danielle Tolan are they are working to build a ten-year plan and looking at TIF districts to push as much infrastructure improvements to those districts. The plan is to have a phased approach to infrastructure by the beginning of the year that will list all projects that the city needs to invest in over the next 10 to 20 years.

Mr. Patton asked Mr. Willis about the \$8M in surplus last year and \$4M the year prior. Mr. Patton would like to know where that money is going. He suggested in the future, that it be reported where the surplus is going. Mr. Lollar replied that the sustainability report lays out the plan for the surplus funds.

Cindy Spoljaric voiced her problem with the GO Bond including projects that are in TIF districts (161st and Spring Mill). Mrs. Spoljaric asked why have TIF districts if we aren't using revenue for infrastructure improvements in those areas. There was continued council discussion.

Public Hearing Open: 8:03 PM/No comments

Public Hearing Closed: 8:04 PM

Scott Willis made a motion to approve Ordinance 23-17. Victor McCarty seconded.
Vote: Yes-2; No-5. Motion fails.

Ordinance 23-19: City of Westfield Authorizing the Issuance and Sale of GO Bonds 2023B

Council Introduction: August 28, 2023

Public Hearing: October 9, 2023

Adoption Consideration: October 9, 2023

Jeremy Lollar presented stating this bond is specific to public safety, vehicles, engines, medic unit, updates to public safety building, and public works vehicles and equipment. Phase two of the Spring Mill and 161st Street is also included in this bond.

Public Hearing Open: 8:15 PM/No comments

Public Hearing Closed: 8:16 PM

Cindy Spoljaric commented that she would like to support the public safety part of this bond but she does not support the 161st & Spring Mill project in this bond. Jeremy Lollar stated that the \$1M that is allocated to that project could be modified by changing the language of the Ordinance and making a motion to change to another specific project.

Mr. Johns stated it was his understanding that as of this year, the state of Indiana TIF rules would allow TIF dollars could be used for public safety items.

Jake Gilbert stated that often people criticize the approval of TIF districts. Mr. Gilbert stated the city has critical infrastructure projects that TIF revenue should cover. Mr. Gilbert reiterated that he supports Mr. Willis and public safety needs, but he feels like it is double dipping to have a TIF area and not use the revenue to support infrastructure projects in that area.

Cindy Spoljaric made a motion to approve Ordinance 23-19 with an amendment to the language to state making certain local road, street and bridge infrastructure improvements not currently in an Economic Development Area (striking the 161st and Spring Mill Project).

Jake Gilbert seconded. Vote: Yes-7; No-0. Motion carries.

Ordinance 23-20: Appropriating GO Bond Series 2023B

Council Introduction: August 28, 2023

Public Hearing: October 9, 2023

Adoption Consideration: October 9, 2023

Public Hearing Open-8:15 PM/No comments

Public Hearing Closed-8:16 PM

Cindy Spoljaric made a motion to approve Ordinance 23-20 with the language change stated in Ordinance 23-19. Scott Frei seconded. Vote: Yes-7; No-0. Motion carries.

Ordinance 23-25: Wheeler Landing PUD Amendment IX

Council Introduction: September 11, 2023

APC Public Hearing: October 2, 2023

APC Recommendation: October 2, 2023

Adoption Consideration: October 9, 2023

Kevin Todd presented stating this amendment is for approximately 1 acre located at 181st St. and Wheeler Rd. The amendment modifies the architectural standards of the eastern facade.

Victor McCarty made a motion to approve Ordinance 23-25 as written. Scott Willis seconded. Vote: Yes-7; No-0. Motion carries.

Ordinance 23-26: 2024 Budget

Council Introduction: August 28, 2023

Public Hearing: October 9, 2023

Adoption Consideration: October 23, 2023

Jeremy Lollar presented stating the purpose tonight is to hold the public hearing on Form 1, and to hear any comments on what council what like to see reduced on the proposed budget.

Public Hearing Open-8:20 PM/No Comment

Public Hearing Closed-8:21 PM

Scott Willis asked Mr. Lollar to confirm that the GO Bond line items were included in the budget just in case they did not pass. Mr. Lollar stated the GO Bond Series 2023A dollars were included and since that bond did not pass the money would be needed to remain in the budget.

Troy Patton asked Mr. Lollar if he had changed the legal line from \$300,000 to \$150,000. Mr. Lollar stated that he had not, but would prior to the final proposal. Mr. Patton commended Marla Ailor and the Clerk Treasurer's Office on their research to find a savings on payroll services. Mrs. Ailor gave a brief overview of her findings, and conversations with ADP (current payroll provider). After multiple conversations a new pricing structure was negotiated with a yearly savings of approximately \$64,000 and a total (4-year period) of over \$250,000.

Mr. Patton commented the other areas he personally feels should be cut back on is HR and Grand Park.

Scott Willis said the revised budget does not show any addition to the HR staff and that he agrees with Mr. Patton on reducing the Grand Park budget, but stated it is just a guess on how long the city will maintain Grand Park before negotiating a contract and handing it over. Mr. Willis stated that he is happy to cut the budget but may have to come to the next council to ask for an additional appropriation. Mr. Willis said that he would think about reducing the budget and would come back to council before making a commitment. Mr. Lollar asked that Matt Trnien be included in the conversation.

Cindy Spoljaric brought up the Food and Beverage revenue is all currently going to Grand Park and it will be increasing and that council might want to revisit where the revenue goes. Mr. Lollar suggested investing in future downtown infrastructure projects, like parking.

New Business

Resolution 23-110: Authorizing the Disposition of Certain Real Property to Promote Economic Development

Adoption Consideration: October 9, 2023

Jeremy Lollar presented stating this is in regards to the city owned property at 201 Mill St. There has been interest from an economic development perspective to acquire the property. Council approving this resolution would give the city permission to start the disposition process. Two appraisals have already been received, a public RFP would be sent out with the minimum bid being the average of the two appraisals. Stipulations are in place that require the buyer to use it for certain functions.

Scott Willis made the motion to approve Resolution 23-110 as presented. Victor McCarty seconded. Vote: Yes-7; No-0. Motion carries.

Resolution 23-111: Transferring Funds (Façade Improvement Grant)

Adoption Consideration: October 9, 2023

Marla Ailor presented stating that in the 2023 budget council chose to not appropriate \$15,000 for the Façade Improvement Grant Program out of their General Fund budget. Kevin Todd, Director of Community Development did properly appropriate \$15,000 in Fund 511 for the purpose of appropriating awards to the grant applicants, however those funds did not exist for transfer as they had in previous years. Due to the oversight in funding, Community Development is willing to transfer the \$5,037.81 shortfall out of their service line in order to cover the negative balance.

Cindy Spoljaric made the motion to approve Resolution 23-11 as presented. Scott Frei seconded. Vote: Yes-7; No-0. Motion carries.

Resolution 23-112: City of Westfield Authorizing the Clerk Treasurer to Transfer Surplus Proceeds

Adoption Consideration: October 9, 2023

Marla Ailor presented stating the proceeds of both 2016 (\$2M) and 2018 (\$3M) GO Bonds were exhausted by the projects for which they were meant, and the balances represent the surplus funds remaining after principal and interest payments were concluded. The bonds were last debited on 12-3-2021 and the balances are \$1,988.42 and \$3,994.80. The Clerk Treasurer is requesting council's approval to move the total of the bond surpluses totaling \$5,879.22 from Fund numbers 343 and 347 back to the General Fund for use, which is allowable under IC 5-1-13-2.

Scott Frei made the motion to approve Resolution 23-112 as presented. Jake Gilbert seconded. Vote: Yes-7; No-0. Motion carries.

Ordinance 23-27: Grand Junction Plaza Approving a Lease Between the City of Westfield RDA, and RDC Pledging Certified Share Revenue to the RDC, Approving RDA Bonds, Approving the Transfer of Certain Property from the City to RDA & all Matters Related Thereto

Council Introduction: October 9, 2023

Public Hearing: October 23, 2023

Adoption Consideration: October 23, 2023

Jeremy Lollar stated that this is the permanent financing of the Grand Junction Plaza.

Jim Crawford went through the bullet points of the bands. The Bands were issued in 2019, statute limits the initial term of the bans and renewals to five years. The bans come due April 1, 2024. The plan was to have permanent financing when they expired, through bonds. The proposal is for the Redevelopment Authority to issue bonds and the proceeds would be used to pay the city for the title of the existing Grand Junction Plaza. The RDA would then enter into a lease with the RDC for those assets. The RDC would make lease payments from certified shares of LIT. The city would be pledging to make the shares of certified LIT in a sufficient manner to pay for the lease payments to the RDA. Council by statute is required to approve any bonds of the RDA and has to approve RDC leases, transfer of property, and approval of the pledge of the certified shares.

Jim Treat stated it is the plan to use TIF funds so that we can buy down the Bond and reduce the debt service and interest to keep the bond amount under \$30M.

Jake Gilbert questioned buying down the bond with the last two years surplus versus TIF dollars. John Rogers stated RDC is using capital dollars vs TIF would be using operational dollars. Mr. Rogers feels the RDC funds are the better option.

Ordinance 23-28: Authorizing an Additional Appropriation from the Proceeds of the City Redevelopment Authority Local Income Tax Lease Rental Revenue Bonds Series 2023
Council Introduction: October 9, 2023
Public Hearing: October 23, 2023
Adoption Consideration: October 23, 2023

This is appropriating the said proceeds of the above Ordinance

Ordinance 23-29: 2024 Elected Officials Salary Ordinance
Council Introduction: October 9, 2023
Adoption Consideration: October 23, 2023

Marla Ailor presented stating the 2024 budget proposals for the elected officials' salaries appear exactly as presented in the 2023 budget with no increases. The council line is slightly different in as far as what the pay is or has been. The reason behind this is there was a miscalculation. It amounts to an \$81. annual increase if you go by the budgeted amount or you can reduce the budget amount and keep the pay the same. Scott Frei stated he would like to see it be reduced and the pay remain the same.

Ordinance 23-30: Additional Appropriation (2022 GO Bonds)
Council Introduction: October 9, 2023
Public Hearing: October 23, 2023
Adoption Consideration: October 23, 2023

Marla Ailor presented stating the appropriation of the proceeds of the GO Bonds of 2022 were approved by council on October 24, 2022 for \$5,815,000.

Typically the CT's office is contacted by administration and presented with the exact figures to record in NAV for tracking purposes and use throughout the budgeted year. In this case, however things were not typical.

P/I payments were budgeted out of Fund 353 by the CT staff while the specific allocations would have been recorded by us in Fund 352 after receiving a directive. So, while the proceeds were received and being spent there were never entered into NAV. This can be considered a housekeeping item as this Ordinance ratifies the expenditures made in 2023. To date, \$733,722.00 was spent by the Fire Department for a new engine and \$139,04789 has additionally been spent for the construction design of services pertaining to the Cherry St. Bridge and 181st St & Wheeler Rd RAB, all of which are mentioned in the bond ordinance. \$4,897,923.11 remains.

These are not DLGF Funds, however we will reach out to DLGF simply to advise them of the corrective action plan. Mrs. Ailor thanked Mr. Lollar and Mr. Herceg for helping to rectify the situation.

Ordinance 23-31: Updated Traffic Ordinance

Council Introduction: October 9, 2023

Adoption Consideration: October 23, 2023

Johnathon Nail presented stating this is the annual Ordinance that updates any new roads, stop signs, parking areas speed limits etc.

Guests:

Linda Naas spoke stating a tax rate decrease doesn't necessarily mean the city receives less money. The AV causes increase in the city revenues. When the AV goes up so does the city's revenue.

Clerk-Treasurer Comments

Marla Ailor stated that tomorrow there will be a meeting with Standard & Poor to ask for a bond rating. Eleven years ago, the city was given an AA+ rating and in 2013, S & P performed due diligence to confirm the rating held true, and it did and the rating was confirmed stable. According to data from the 2010 census the population was an estimated 30,068. For comparison in 2020 census reported 46,410. At the time of the last rating, Grand Park Sports Campus was scheduled to open in June 2014 and will soon celebrate it's 10th year. In addition to policy, other considerations include the city's debt and near-term debt, capital plans, the city's economy, finances and cyber-security.

Mrs. Ailor reported on investments stating that with the Clerk-treasurer's oversight, we have almost double the city's investments since the beginning of last year.

City Council Comments:

Troy Patton- Commented that he would be happy to go to a second- class city now that Mayor Cook will not be running.

Cindy Spoljaric- APC update. Commented that there is a vacate seat, now that Victor McCarty has become a city councilor and welcomed Victor to council.

Victor McCarty- Relayed that the Fire Fighters Expo was great and commented on Westfield Welcome doing a great job.

Mike Johns- Ask everyone to pray for Israel

Mayor Comments:

None

INSURANCE

HEALTH, LIFE, DENTAL, VISION, WORKERS COMPENSATION – As available for all employees.

SOCIAL SECURITY/MEDICARE CONTRIBUTIONS – As provided for all employees.

EMPLOYEE ASSISTANCE PROGRAM – As provided for all employees.

RETIREMENT

CIVILIAN PERF – 14.2% (2024) of the eligible employee's salary is contributed by the City for the PERF program (Public Employees Retirement Fund). Benefits for elected officials retired from PERF may differ. Please see the Clerk Treasurer's Office for more information.

1. 3% of the employee's salary is contributed on behalf of the employee (employee's contribution) and identified in a private PERF account for the employee. This money is available to the employee if they would resign from the City. Once the employee begins to draw a retirement check from PERF this fund may be used to supplement that monthly retirement.
2. 11.2% of the employee's salary is contributed for the employee (City's contribution) and is added to the general state retirement fund that supports all state employees through the PERF retirement program.

457 PLAN (Supplemental Retirement Plan) – The City of Westfield offers one supplemental 457 retirement plan to all employees. Employees may contribute (pretax) a maximum amount authorized by law into the plan.

CITY MATCHING CONTRIBUTION – To encourage employee participation in the 457 plans, the City makes a matching contribution of \$.667 for each \$1.00 contributed up to 6% of base pay for all civilian employees. This matching contribution is made in July and January of each year into a 401A account that requires vesting.
