Narrative Statement

Carramore PUD

Drees Premier Homes is excited to propose a new single-family neighborhood to be known as “Carramore.” The neighborhood consists of 40 acres on the west side of Horton Road, just north of the T-intersection of Horton Road and East 199th Street. Carramore will include 83 new home sites.

Carramore will offer a large variety of single family homes, many of which will be similar in size and style to its Wilshire neighborhood located on the north side of 156th Street, west of Spring Mill Road (immediately south of Shamrock Springs Elementary School). Wilshire has continued a long string of very successful Drees neighborhoods focused on great elevations with a wide variety of ranch and two story homes. At an average price of over \$400,000 Wilshire has been a great addition to the Westfield community. Carramore will be similar in size to Wilshire, and the average price is anticipated to be closer to \$430,000. Carramore will have the same emphasis on great elevations, a variety of homes, and a beautiful entryway focused on creating a wonderful sense of arrival.

Carramore is surrounded on three sides by the Chatham Hills PUD and will offer an opportunity to purchase homes at a price point between what is currently offered in Chatham Hills and what will be offered by Arbor Homes.

Narrative Statement

The Courtyards of Westfield PUD

The Courtyards of Westfield is a PUD consisting of 99 single family “courtyard” homes located at the southwest corner of East 151st Street and Towne Road in Westfield.

Epcon Communities, a nationally recognized developer of age targeted developments for 35 years, is planning to build their unique, copyrighted, “Courtyard” homes featuring quality architecture in a wide variety of ranch style plans which offers the lifestyle benefits common to Epcon properties – no steps/no mower.

Five different home plans ranging from 1,400 sq.ft. to 4,100 sq.ft. will be offered. Nearly 22 different elevations are available in 8 different color palettes enabling Epcon to create an exciting variety and diversity for each streetscape in the community. Epcon’s unique “Courtyard” designs bring the outdoors inside with the creative orientation of each home’s interior with a very private, outdoor courtyard garden patio.

The 32.8-acre site will provide for public streets and sidewalks in keeping with Westfield standards. Lot widths will vary between 54 feet up to 65 feet providing for a variety of home plans. Every home will include at least a two-car attached garage with some featuring 3 car garages. Every home will also provide 2 off-street parking in the driveway outside each garage.

Open space of a minimum of 20% or 6.6 acres is provided but it's much more than just space in Epcon's plan.

The main entry along Towne Road will feature two large water features with fountains lighted for nighttime effect. A divided boulevard entry will include beautiful landscaping and special fencing. Open space that "brings the community together" is a big part of Epcon's lifestyle.

A clubhouse with fitness center, gathering room, rest rooms, heated pool and pickle ball court serves to bring residents together for a variety of activities. Other open green spaces in the community will feature walking paths, benches and gathering places where neighbors can meet neighbors and enjoy company and the wellness of outdoors.

35 years of focusing just on age targeted homes has taught Epcon what buyers want. The plans for "The Courtyards of Westfield" reflect that experience with a beautiful, quality addition to the City of Westfield.

I hereby certify that each of the above listed vouchers and invoices, or bills attached there to, are true and correct and I have audited same in accordance with IC5-11-10-1.6.

Drees Premier Homes is excited to propose a new empty-nester neighborhood in Westfield to be known as “Belle Crest.” The neighborhood consists of 20 acres on the west side of Shady Nook Road, just north of the T-intersection of 186th Street and Shady Nook. Belle Crest will include 84 paired ranch homes (42 two-unit buildings).

This is a new product Drees Homes introduced to the Indianapolis market 18 months ago and has been extremely successful in both Brownsburg and Avon. Current models can be viewed in Stone Haven located in Avon.

There is very little opportunity for this type of product for anyone who wants to live east of 31. Belle Crest provides a nice small neighborhood for those who don’t want to be part of a large PUD or master planned neighborhood with multiple product types.

Drees is known for great elevations, high quality interior features and beautiful entryways that everyone can be proud of.

WHEREAS, Westfield Washington Public Library (the "Library") is a public library organized and existing under the provisions of IC 36-12; and

WHEREAS, the Board of Trustees (the "Board") of the Library finds that its present facilities are not adequate to provide the proper library services to present and future Library patrons utilizing its facilities; and

WHEREAS, the Board of the Library finds that there are not sufficient funds available or provided for in existing tax levies with which to pay the total cost of the renovation, construction and improvements to library facilities, including the purchase of real estate and the purchase of equipment, library systems and technology (the "Project"), and that the Library desires to issue its General Obligation Bonds, in a principal amount not to exceed \$500,000 (the "Bonds") for the purpose of providing funds to be applied to the Project; and

WHEREAS, Library anticipates that the issuance of these Bonds will not result in an increase in the Library's tax rate due to existing debt being repaid; and

2. By the approval contained in this resolution, the City in no way becomes obligated to repay the bonds of the Library nor do such bonds count against the City's Constitutional debt limit.
3. The Common Council approves the appropriation by the Library of the proceeds of the Bonds in an amount not to exceed \$500,000 to be applied on the cost of the Project and that this appropriation is to include the incidental expenses necessary to be incurred in connection with

the Project and the issuance of the Bonds on account thereof and that said appropriations shall be in addition to all appropriations provided for in the existing Library budget and shall continue in effect until the completion of the Project.

4. This Resolution shall be in full force and effect immediately upon its adoption.
