ORDINANCE 22-_____

**AN ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF
WESTFIELD, INDIANA ADOPTING SECOND CLASS CITY STATUS**

WHEREAS, the City of Westfield, (“City”) is a duly formed municipal corporation within the State of Indiana, governed by its duly elected Mayor and Common Council (“Council”);

WHEREAS, the City has attained a population in excess of thirty-five thousand persons, as determined by the most recent federal decennial census and other appropriate means;

WHEREAS, Indiana Code § 36-4-1-1.1 provides that the legislative body of a Third Class City may, by ordinance, adopt Second Class City status;

WHEREAS, under Indiana Code § 36-4-1-8, upon change of the City’s classification to a Second Class City, the City shall be governed by the laws applicable to its new class, except that the membership of the City’s legislative body and the powers, duties, functions, and offices of its elected officials remain unchanged until the expiration of the terms of its members and elected officials;

WHEREAS, every City with a population over thirty-five thousand in Hamilton County is a second class city;

WHEREAS, the Mayor currently presides over all Council meetings, permitting the President Pro Tem of the Council to run meetings, and the Mayor breaks ties in accordance with Ind. Code § 36-4-6-8(b). Those powers will cease as of the adoption of this Ordinance and the Mayor shall have no further legislative role;

WHEREAS, the elected position of the office of City Clerk shall be established, with a budget for the same established by the Council, which could match the budget of the current Clerk-Treasurer if the Council so desired;

WHEREAS, the duties of the current Clerk-Treasurer shall be divided between an elected city clerk and an appointed controller, a financial professional, who would bring the City of Westfield closer to an organizational structure of a business and would have a net-effect of reducing financial consultant fees;

WHEREAS, even though under Indiana law, upon the change of classification of the City to a Second Class City, the Mayor has the power to appoint a controller, the Mayor will cede that power through this Ordinance so the Common Council would vote to recommend a qualified controller, as specified below, which recommendation must be accepted by the Mayor; and

WHEREAS, the Westfield Common Council, in the best interest of all the citizens of the City, and in light of the fact that the City is required to undergo redistricting efforts, now recognizes this as a prudent time to adopt Second Class City status for the City of Westfield, Indiana.

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Westfield, Indiana, that:

- Section 1.** The foregoing recitals are fully incorporated here by reference.
- Section 2.** The Westfield Common Council adopts Second Class City status for the City of Westfield, Indiana.
- Section 3.** Under Indiana Code § 36-4-1-8, and this Ordinance, the terms of the present members of the Common Council and the Clerk-Treasurer shall remain unchanged until the expiration of their terms and they shall continue to act under the powers granted to them as a Third Class City until January 1, 2024.
- Section 4.** Under the guidelines in Indiana Code § 36-4-6-3, the Council shall pass an ordinance dividing the City into 6 Common Council Districts. The districts shall be effective for the term of the Council members beginning January 1, 2024, shall be made in accordance with law, shall be based upon the latest decennial census, and shall not cross precinct boundaries.
- Section 5.** Upon the City becoming a Second Class City, all ordinances, rules, and regulations of the City shall continue in full force and effect, except where inconsistent with a Second Class City powers, until amended or repealed, or unless inconsistent with Indiana law.
- Section 6.** Before January 1, 2024, and under the City's current budget procedures, the City's executive shall establish a budget for the newly created appointed position and executive Department of the Controller. The Common Council, at its first meeting in January 2024 shall vote to recommend a Controller, which the Mayor will consider and may appoint.
- Section 7.** Before January 1, 2024, and under the City's current budget procedures, the Common Council shall establish a budget for the elected position of Clerk of the City of Westfield.
- Section 8.** All prior ordinances or parts thereof inconsistent with any provision of this Ordinance are hereby repealed as of the effective date of this Ordinance.
- Section 9.** This Ordinance shall be in full force and effect from and after its passage and approval by the Mayor, and in accordance with Indiana law.

ORDINANCE 22-30

AN ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF WESTFIELD,
INDIANA FOR THE APPROPRIATION OF ADDITIONAL FUNDS

WHEREAS, The City of Westfield, (“City”) is a duly formed municipal corporation within the State of Indiana, governed by its duly elected Mayor and Common Council (“Council”);

WHEREAS, at times, it becomes necessary to transfer funds within the approved budget or appropriate additional funds as contemplated and authorized under Ind. Code § 36-4-7-8 to maintain the fiscal integrity of the City;

WHEREAS, in 2020, the Common Council, through Ordinance 20-51, authorized the Clerk-Treasurer to “make any and all transfers necessary for the fiscal integrity of the City” without specification;

WHEREAS, the City has proceeds from the City’s 2019 and 2020 General Obligation Bonds (the “Bonds”) that were not appropriated for the current budget year;

WHEREAS, an additional appropriation is necessary to provide the City with sufficient funds to pay the costs of certain necessary expenditures such as the purchase or lease purchase of certain property including, but not limited to, vehicles and other equipment and road and construction projects;

WHEREAS, a notice of public hearing on the additional appropriation of the proceeds of the Bonds in the amount of Three Million One Hundred and Seventy-Two Thousand Two Hundred and Twenty-Nine Dollars and Seventy-Four Cents (\$3,172,229.74) was properly published and such public hearing has been held, at which all taxpayers had an opportunity to appear and be heard; and

WHEREAS, under Ind. Code § 6-1.1-18-5, the proper officers of the City shall file a certified copy of the additional appropriation proposal and any other relevant information to the Department of Local Government Finance (“DLGF”) not later than fifteen days after the additional appropriation is adopted by the Council.

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Westfield, Indiana, that:

Section 1. The following additional appropriation of Three Million One Hundred and Seventy-Two Thousand Two Hundred and Twenty-Nine Dollars and Seventy-Four Cents (\$3,172,229.74), received as proceeds from the City's 2019 and 2020 General Obligation Bonds is hereby authorized to be transferred and appropriated as indicated below, subject to laws governing the same and following a public hearing as required under Ind. Code § 6-1.1-18-5:

Miscellaneous Business/Special Presentation

Presentation: Update from Fire Department on Increasing Demand for EMS & Fire Services/Rob Gaylor

Rob presented statics and future needs of the fire department. There was council discussion. Rob stated they would be requesting more personal and apparatus purchases going into the 2023 planning. The need for a fourth station was also discussed.

Presentation: Tax Base, Based on Sustainability Report and Rooftops-Caleb Ernest

Kevin Todd stated that they had been asked to provide the number of units that we currently have in Westfield, how many units have been approved through zoning but have not yet been built, provide a five-year look ahead, and the associated financial information related to those housing numbers.

Caleb Ernest spoke explaining the base terminology such as zoning (Straight & PUD), housing stock (Single-Family & Multi-Family), and gave details on existing and expected units.

There was council discussion.

Presentation: Update from Informatics on the Efforts Associated with Beyond Trust Software & Veracity Report

Chris Larsen stated that a letter had been sent to all council members with an overview of the timeline of the forensic review and the communications that he since has had with Dan Smith. Chris stated he had met with Dan one on one for over an hour and two more times with his staff & Dan where questions were answered, and emails and data exchanged. Chris stated that we have gotten to the point where the Mayor has asked that we get to the end of this, as too much time and resource money had been spent on our end, stating they believe nothing has happened on their part. Chris told council he planned to come to them, asking what they would like to do next, but had found out Dan was also presenting tonight and request to be given the opportunity to speak again after Dan's presentation.

Presentation: Veracity Update from Will Webster/Dan Smith

Will Webster stated that Dan Smith with Veracity had done a forensic review addressing concerns about 3rd parties accessing the Clerk Treasurer's office computers without the clerk's knowledge or consent. During the review, Dan identified some additional issues that we weren't aware of. A computer of interest that appeared to have more activity than the others, was operated by Bev Rawlings. It is the only computer in the clerk's office that is not protected by encryption, meaning that Dan was not able to do any forensic auditing on that particular machine. Dan also found a text document which appeared to be saving passwords or keystrokes used by the clerk and her staff. He also discovered the capability of Beyond Trust vault which stores or has potential to store the clerk's login credentials to access city systems. Dan was asked to work with city IT to determine if additional information could help address the concerns. Dan was asked to be mindful of costs, to be measured in his approach with the information provided by city IT, can you verify or not if you can't verify let's move on.

Letter from IT and Veracity are attached.

There was council discussion. It was decided that Chris would remove the software from the computers in the Clerk's office on Tuesday (14th).

APC Public Hearing: May 16, 2022

APC Recommendation: June 6, 2022

Adoption Consideration: June 13, 2022

Pam Howard presented, outlining the changes which follow into four categories: 1) Change to rezoning process to accommodate a workshop meeting between the public hearing and recommendations 2) creation of a plat committee 3) Separation of the Overall Development Plan and Detailed Development Plan processes 4) Miscellaneous items.

Jake Gilbert made the motion to approve Ordinance 22-19 as presented. Troy Patton seconded. Vote: Yes-6; No-0. Motion carries.

Ordinance 22-22: Approving Lease Between the City of Westfield Building Corporation, as Lessor, and the Westfield Redevelopment Commission as Lessee, and Pledging Certain Local Income Tax Revenues to the Payment of the Lease Rental on Such Lease

Council Introduction: May 23, 2022

Adoption Consideration: June 13, 2022

Catherine Fanello stated this was approving the lease between the WBC and the WRDC payments being made from the tax increment revenues that are generated and collected in the Union Square Allocation Area. There is also a request for a local income tax pledge (LIT) as a backup. Catherine addressed the concerns on the number of public vs private parking spaces. Catherine said if council wanted to add language clarifying this, that is recommended to be added to the development agreement.

Jim Treat spoke as to why the local income tax pledge was needed, explaining that you can't market bonds on a revenue stream that doesn't exist yet, so there is no credit worthiness. He stated that the city needs to make sure together with this LIT pledge that there is sufficient coverage available to back the 2 Grand Park Bonds and the future Grand Junction Park Bond that are LIT backed as well.

Jake Gilbert asked who would be adding the language on the parking assurance to the developer agreement. Catherine stated there would be a Resolution amending the developer agreement if council would provide what they were requesting.

Justin Moffit with Old Town stated there would be 300 garage structure spaces in addition to the surface parking they are building along the street. Old Town can only privately reserve 30% of the spaces in the garage. This is currently what the agreement states. It was consensus of council that no amendment was needed.

Troy Patton made the motion to approve Ordinance 22-22 as presented. Scott Frei seconded. Vote: Yes-6; No-0. Motion carries.

Ordinance 22-23: City of Westfield, Indiana Adopting Second Class City Status

Council Introduction: May 23, 2022

Public Hearing: June 13, 2022

Adoption Consideration: June 13, 2022

Becca McCuaig, chief legal consultant with AIM gave a neutral overview of moving to a second-class city, pros/cons.

Public Hearing Open: 9:15 PM

Steve Goodere, Joe Plankis, and Ronald Moore spoke in favor of the Ordinance.

Cheaney Day, Judi Stanley Shuck, Linda Naas, and Bob Beaudry, spoke in opposition of the Ordinance. Rick McKinney's letter of opposition attached.

Public Hearing Closed: 9:35 PM

Ordinance 22-24: Vacation of Right-of-Way/Within the Style Rite Meadows Plat

Council Introduction: May 23, 2022

Public Hearing: June 13, 2022

Adoption Consideration: June 13, 2022

Johnathon Nail presented stating this is a right-of-way vacation near the Chatham Hills area on the east side of Tomlinson across from Chatham Hills Blvd. This is a section that was platted as part of an old county subdivision that never got constructed. The right-of-way is now obsolete for the Henke Development, Chatham Village. The city as the owner has been asked by Henke, who owns the surrounding land. for the vacation of the right-of-way so they can record their secondary plot and move forward with the Chatham Villages project.

Public Hearing Open: 9:37 PM

Sharon Williams spoke against the Ordinance

Public Hearing Closed: 9:42 PM

Scott Will made the motion to approve Ordinance 22-24 as presented. Jake Gilbert seconded. Vote: Yes-6; No-0. Motion carries.

New Business

Ordinance 22-25: Updating the City of Westfield, Indiana Traffic Ordinance

Council Introduction: June 13, 2022

Adoption Consideration: June 27, 2022

Johnathon Nail stated this is the annual update to the city's traffic ordinance. This ordinance is what allows the police department to enforce regulations on our streets. As development occurs, we add public streets, add stop signs, and speed limits signs etc. The cover sheet explains what changes are being made.

Ordinance 22-26: Authorizing the City of Westfield, Indiana to Issue Certain Economic Development Lease Rental Revenue Bonds & Authorizing and Approving Other Actions in Connection Therewith

Council Introduction: June 13, 2022

Adoption Consideration: June 27, 2022

Catherine Fanello presented stating this is for the issuance of bonds for the Union Square Project. The financial maximums are included from Jim Treat. This ordinance repeals a previous ordinance adopted in 2019 (original Union Sq. Project).

Ordinance 22-28: Midtown of Westfield PUD, Amendment I

Council Introduction: June 13, 2022

APC Public Hearing: July 5, 2022

APC Recommendation: August 1, 2022

Adoption Consideration: August 8, 2022

Pam Howard presented stating this is for the property located on the east side of 31 north of 191st. The proposed amendment would modify the development and architectural standards for a future development of a medical pavilion.

Matt Skelton stated this would permit a comprehensive medical campus to be built within the Midtown of Westfield PUD. Alderson plans to begin construction of the medical campus as soon as it obtains the required approvals. The expected start date is this fall.

There was council discussion

Ordinance 22-29: Woods, Robinson, Briggs PUD Amendment II

Council Introduction: June 13, 2022

APC Public Hearing: July 5, 2022

APC Recommendation: August 1, 2022

Adoption Consideration: August 8, 2022

Weston Rogers stated the proposed ordinance would add approximately 4.5 acres of real estate to the PUD. The ordinance would modify the proposed district one water feature, the proposed park/trailhead, district standards, and replace the district map and concept plan with updated/revised documents.

Birch Dalton stated the Morris family is asking for some language changes in the PUD section 8.2. They would like to create more of a nature-based park with a unique trail head.

Sharon & Paul Heady- Addressing speed of traffic on Union St., between 32 & 161st

Clerk Treasurer Comments:

- Clarified that she as well as her staff, do have certifications.
- Stated that the CFO of Zionsville was recently let go. Council complained that after transitioning to Open Gov, councilors had only gotten 3 reports in 18 months. Information was incomplete, inconsistent, and inaccurate.

She stated without a clerk treasurer she thinks a very similar would happen here in Westfield. She stated the city is not ready to become a second-class city.

- Email threads starting with Todd, going to Jeremy and then John Rogers going back & forth concerning taxes on property that the city owns. The emails state not to pay right now because they have to be approved by RDA. The property taxes are going to have to be paid, if we can't get a response from anybody because that piece of property will go to a tax sale.

Sharon Williams-asked to speak again to request the city's contracts for the past five years.

City Council Comments:

Cindy Spoljaric- APC update and ARPA update

Jake Gilbert- received report today on budget vs actual and percentages/reminder to stay on track so there are no surprises.

Scott Frei- someone to check to make sure the right size HVAC system is in City Hall prior to the next meeting.

Mike Johns- growth of city and moving forward how are we going to finance that growth. Looking forward to putting **Sharon Williams**- wants all the contracts the city has for the last five years. Looking forward to putting together a plan to sustain our growth.

Re: Response to Council's Request for Update on Beyond Trust Software and Veracity Report

Hello Council Members,

I wanted to provide you with an update on your request for me and Dan Smith to get together about the Beyond Trust software and Dan Smith's report. I request that this be made a part of the May 23, 2022 Council Meeting minutes.

Below is a detailed timeline of my communications with Dan, including the more than 35 hours my team has spent responding to various questions he posed. After more than two months of questions and answers, I can't justify spending more of my time or my team's time on this issue. Simply, none of what Dan identified in his report as being "possible" were actually occurring in reality. He understands that.

The key conclusions from my interactions with Dan over the past two-and-a half months are:

1) BeyondTrust is not spyware. That has always been the case. It is a best-of-class IT remote help software that is used by the U.S. Government, Fortune 500 companies, universities, banks, and healthcare systems across the world.

2) The BeyondTrust software that the City subscribes to and installed has never enabled remote recording of audio or video.

3) The Clerk-Treasurer's office laptops were in one of the IT staff's homes when the laptops were being set up, at the Clerk's request, and that accounts for the vast majority of the "hits" and increase in access points by BGADMIN referenced in Dan Smith's report. This is a typical procedure and activity level for newly issued laptops.

4) Dan Smith has acknowledged that there is no spying or anything improper going on with the Beyond Trust software or how the City's IT department operates. In March, he noted that he would have to update his report. He never did. Over the last 3 months, we have serviced the Clerk-Treasurer's computers 25 times despite these allegations coming from her office.

- **02/14/2022 8:52 PM:** Contacted Cindy Gossard asking for Dan Smith contact information.
- **02/14/2022 9:47 PM:** Cindy informed me she will have to get info from Will or Steve. She had never communicated with Dan Smith other than initial meeting.
- **02/15/2022 8:33 AM:** I called Webster and Garino offices and left a message with Elaine; Will Webster's paralegal. I informed that I was seeking Dan Smith's contact information. She told me that Will wouldn't be able to get back to me until after 4 PM because he was booked all day.
- **02/15/2022 11:00 AM:** Cindy responded to my email about calling Webster and she said she will try and help get the info to me.
- **02/17/2022 8:33 AM:** I emailed Cindy, Mike Johns, Andy Cook, and Jeremy Lollar that I have not received any communication from Webster and Garino. I also asked for Cindy to assist.
- **02/17/2022 9:33 AM:** I receive an email from Will Webster with Dan Smith's contact information. He stated he was checking with City Legal before sending the information to me. He also stated that he talked to Dan and that Dan needed the following: *All hard drives associated with any Westfield IT computer that was used by user bgadmin, informatics, clarson and agadmin or any other username while engaging in remote access to any WCT computer(s). The preferred format of the image is RAW (dd) to be provided on an external hard drive with USB 3.0 or higher.* He thanked me for reaching out and looked forward to working with City IT to address the Clerk's concerns that were identified in the Veracity Report.
- **02/23/2022 10:46 AM:** I email Dan Smith directly to schedule a meeting for the same week. After some back and forth we decided on 02/25/2022 at 9 AM.
- **02/25/2022 9:00 AM:** Dan Smith hadn't arrived so I email him at 9:11 AM asking if we were still meeting. I then texted him at 9:26 AM asking if we

were still meeting. He responded to the text at 9:31 AM that he had arrived. We met in the small room the City Service Center for about 1 hour. We schedule another meeting for him to meet with my team on 03/03/2022 1:00 PM. I agreed to send him some information and he agreed to send me his final report that he presented on at council on 02/14/2022.

- **02/28/2022 8:05 AM:** I emailed Dan a series of Beyond Trust session reports and a copy of the Mandiant report Informatics has completed, which is attached here.
- **03/01/2022 1:24 PM:** I send the meeting invite to Dan for the 3rd.
- **03/02/2022 12:17 PM:** Dan responded to my 02/28 email stating he needed a few more days to go through the data and come up with a game plan. He asked to move the meeting back one week.
- **03/02/2022 12:18 PM:** I responded to Dan requesting that we still meet on 03/03 to show our system and get some more questions answered. I also reminded him that I hadn't received his final report that he presented on.
- **03/02/2022 1:59 PM:** Dan agree to still meet and that we would have another meeting the following week to finalize any questions he had from the data.
- **03/03/2022 1:00 PM:** We had a meeting for around 1 and a half hours with Dan. In the meeting was: Chris Larsen, Brent Harding, Adam Green, Sam Rivard, and Bryan Granato. We discussed our systems and began the process of answering and responding to items in Dan's final report. I discovered the report on the City's website. It was posted there by the Clerk's office. I was never sent the report by Dan. We didn't finish our review of the report and planned to meet next week on 03/10/2022.
- **03/08/2022 6:35 PM:** Dan texted me, "Chris, I need to reschedule our meeting until late next week. I'm very sorry for any inconvenience. What works for your team?"
- **03/08/2022 6:36 PM:** I responded to the text with, "Hey Dan, we will make any time work that works for you."
- **03/09/2022 9:54 AM:** I sent a calendar invite to Dan for our original scheduled time, and in the description, I asked that he please respond to the invite with a date and time that works for him.

- **03/11/2022 9:19 PM:** I emailed Dan asking what time works for him next week.
- **03/14/2022 12:44 PM:** Dan responded stating he was still trying to get a meeting set up with Cindy to go over the conversation he had with my team last week. He thanked me for reaching out.
- **03/14/2022 12:44 PM:** I responded to Dan with the following, "I understand and thanks for the update. We haven't fully completed our information share, so do you think we could set a time to finish our discussion while you are working on a time with Cindy? I want to make sure we answer all your questions."
- **03/14/2022 2:29 PM:** Dan asked if I was available Friday. I responded asking if the morning would work. He did not respond
- **03/15/2022 9:25 AM:** I sent a calendar invite to Dan for Friday 03/18/2022 at 9 AM
- **03/16/2022 9:13 AM:** I texted Dan asking if he got my calendar invite and if the time worked. He responded in a couple of mins that he accepted and asked if I got the confirmation. I informed him that I didn't. Informed me he accepted when he wasn't connected to his exchange server because he was migrating from one system to another this week and he overlooked the connection. I got the accepted email by 9:18 AM.
- **03/18/2022 9:05 AM:** Dan met with my team (Brent, Sam, Adam, and Bryan) for another hour and a half. We completed most of our review and answered a few more questions for Dan. He asked for more information and I agreed to do our best to provide it. He informed us he had a meeting on this day with Webster to discuss next steps and that with the new information he had that his report would need to be updated.
- **03/22/2022 4:10 PM:** I emailed Dan imagines, a pdf, and emails pertaining to information regarding his report. I asked future detail about some the requests he made of us. I also asked if some other information would be helpful to him before I spent the time pulling the reports. I also asked how his meeting when with Webster.
- **03/22/2022 2:08 PM:** Dan texted me, "Chris, if I could ask you one quick question. Hamilton County uses Beyond trust county wide correct?"
- **03/22/2022 2:20 PM:** I responded with the following, "Hey Dan, to be honest, I don't know. Noblesville was using it that is how we learned of it

and started using it. That was 10 year ago.” He responded at 2:25 PM saying, “Ok, thanks Chris”

- **03/30/2022 3:37 PM:** I responded to my previous email to Dan with the following, “Hey Dan, Do you have an update for us? It’s been over a week and I haven’t received anything. Thanks,”
- **03/30/2022 3:39 PM:** He responded with, “Hello Chris. I’ve been out of town since late last week and today was my first day back. I’m trying to gather information on the forensic audit data and why that is not included in the license so I can explain to counsel. I’ll reach out to you by Friday with an update.”
- **03/31/2022 11:49 AM:** Dan responded again to the email asking if there were attachments on my 03/22/2022 email. I responded that there were and asked if he needed them again. He said yes, please and I sent the attachments again. He thanked me.
- **04/19/2022 9:36 AM:** Dan emailed me informing that he met with a representative with Beyond Trust and that he didn’t understand why we wouldn’t have video auditing enabled or forensic auditing capabilities. He also provided some quick steps to get to the forensic auditing capabilities he was referring to. He asked for all session data pertaining to the WCT computers via “Endpoint” filter for 12 months prior to and including July 2021.
- **04/19/2022 11:47 AM:** I responded to Dan explaining that the video auditing feature is designed for training and/or evaluation of an employee’s work and that we don’t have it enabled on our systems. I then informed him that I had also reached out to Beyond Trust support to gather and understand the request he made. I told him I would double check our settings.
- **04/27/2022 10:22 AM:** I responded to my previous response that I had double checked our video recording settings on Beyond Trust and the settings have never been enabled or active. I also had had a talk with Beyond Trust about his request. Their technical advisers informed me that the City only has the Remote Support asset and not the Privileged Access asset that contains the Access Session Forensic Results report he was looking for. I was told by support that the session report we have already provided to Dan is close to the report he was asking for.

April 27, 2022 was the last communication between Dan Smith and myself. As explained, my team and I have spent about 35 hours of work gathering information, and meeting with him. I cannot in good conscience ask my team to do more. None of Dan Smith's stated conclusions are substantiated, and in fact they have been disproven. We are dedicated, hard-working, and honest people. It has been difficult for me and for my team to listen to these accusations and stand by. That is why we were so open and willing to answer Dan Smith's questions; because we have nothing to hide. My department has to keep up with the never-ending tasks that always come up in managing and monitoring a system of our size and complexity, and we cannot be further distracted by this issue.

Sincerely,

CURRENT FINDINGS SUMMARY

Three meetings were completed between Daniel Smith and Chris Larson following a request to Westfield Informatics by Mr. Smith for further data pertaining to the remote access session activity by Westfield Informatics on the office of the Westfield Clerk Treasury computers and other network attached devices. It was the intent of these meetings to collect any data regarding these remote access sessions that were not contained within the computers imaged within the offices of the WCT to obtain a better resolution of data thus allowing a more accurate overall investigation. During these meetings Mr. Smith was able to directly request specific data from Westfield IT that would assist in providing a precise and methodical forensic accounting of all actions taken on the computers and network attached devices by all remote users. There were several key areas of concern that required responses from Westfield Informatics including the following:

- Did Westfield Informatics possess the ability to remotely access any computers or network attached devices within the WCT office without the consent of WCT staff?

- Did Westfield Informatics actively conduct remote access sessions with any computers or network attached devices within the WCT office in a manner that did not require direct input by any WCT staff via mouse, keyboard, or other explicit permission?
- Beyond Trust Jump Client was installed on WCT office computers forensically imaged which specifically allows remote access sessions without the presence of any users on the WCT office computers. Why was this installed if remote access sessions conducted by Westfield Informatics were stated by Chris Larson to require direct input and permission by the local WCT office user?
- Did Westfield Informatics possess the ability to record these remote sessions by any of the more forensically sound methods other than standard text-based logs such as compressed screen recording and/or forensic audit logs?
- Does Westfield Informatics incorporate the use of local hard drive encryption on any computers or network attached devices within the entire Westfield City network infrastructure? If this is not standard procedure, then why was Bev Rawlings hard drive Bit locker Encryption enabled and why did Westfield Informatics not possess the decryption key?
- What was the purpose of the text document discovered with a list of words/phrases?
- What was the purpose of Westfield Informatics using the bgadmin user account during the remote sessions into the WCT office computers and network attached devices when the Informatics user account was apparently capable of conducting all IT related activity and available to all members of the Westfield Informatics team?
- What was the reason for Xbox Gaming Overlay being installed on the WCT office computers and network attached devices? Is this standard operating procedure?
- What users, employees, or entities have access to the Beyond Trust Vault feature which enables privileged IT users to access computers, network attached devices and software suites with stored credentials.

Westfield Informatics stated that all their remote access sessions required active permission from WCT staff to grant remote access to their computers. A demo was provided by Westfield Informatics showing a dialogue box with a required action by the remote user to grant access. However, this was not observed in the forensic examination by Veracity IIR nor did any WCT office staff describe having any dialogue boxes on their screens during known remote access sessions by Westfield Informatics. Westfield

Informatics failure to enable any forensic auditing of any kind by either video recording or by forensic audit logs has prevented this investigation from being able to conclude that any permission by WCT staff was required to grant remote access to Westfield Informatics. Chris Larson wrote a letter via email on June 6, 2022, with erroneous and false statements Mr. Smith at no point made any acknowledgments or statements that “no spying or anything improper” was going on as indicated by Mr. Larson. Mr. Larson appears to be making false and misleading statements based on a assessment made by Mr. Smith indicating that if in fact there were dialogue boxes requiring WCT staff to grant remote access to Westfield Informatics along with bold red font stating such then this would sufficiently respond to the specific concerns of unauthorized remote access to WCT office computers. However, this has not been verified by either Veracity IIR’s investigation or any data received from Westfield Informatics but is instead in direct contradiction to evidence analyzed from the forensically imaged WCT computers as well as statements made by the WCT staff. Furthermore, Westfield Informatics did not have any answer to the Bit Locker encrypted hard drive on Bev Rawlings WCT office computer nor did they give any reason for concern that a hard drive on the Westfield City network had local encryption enabled on a computer that is known at access sensitive financial information with ADP. This diminished the ability of Veracity IIR to thoroughly analyze data pertaining to the encrypted hard drive that contained sensitive financial data and was an area of concern by the WCT at the start of the investigation. Westfield Informatics also stated that accounting bookkeeper Paula Brown has used Beyond Trust software directly with WCT office computers to conduct remote access sessions for accounting purposes. In response to this statement made by Westfield Informatics Paula Brown stated on June 8, 2022, “NO, I have never used or heard of Beyond Trust Software.” This is one of several instances during the investigation where statements made by Westfield Informatics were directly contradicted by the source in question. Mr. Smith requested log files to be provided in a forensically sound method as made available through the Beyond Trust ecosystem. Forensic audit logs or video recorded audit logs would have been sufficient to thoroughly examine all actions taken by Westfield Informatics during the remote access sessions and use of Jump Client. All logs provided from Westfield Informatics were in editable format meaning it was possible for any data to be changed or altered prior to being in possession of Veracity IIR for forensic examination. One of the remaining areas of concern also include the use of the Vault asset by Westfield Informatics and what third party vendors have been granted access to the Westfield network and what privileges and credentials were they provided? What assurances can Westfield Informatics give to the WCT office staff that no third party vendors had necessary credentials and remote access to the office computers and does Westfield Informatics intend to keep forensic logs of activities undertaken by these third party vendors in the future?

MEETINGS WITH WESTFIELD INFORMATICS

During the meetings conducted between Daniel Smith and Westfield Informatics the above areas of concern were discussed in conjunction with email communications between Mr. Smith and Chris Larson before and after each meeting. Mr. Larson was asked on two separate occasions regarding the question whether Westfield Informatics had the ability to engage in remote access sessions with WCT computers and on both occasions responded that Westfield Informatics did not have this capability. The Westfield Informatics team members concurred with Mr. Larson's response and further added that any WCT office users would be alerted by a dialogue box popping up on the user's screen with bold red font requesting permission to access and control the WCT computer remotely. This statement is in direct contradiction to the capability of Jump Client according to Beyond Trust's website and available literature. During the original examination of the data collected from the WCT office computers there were no event logs found that indicated any specific action taken by the WCT staff during the analysis of specific remote access sessions that would conclude a dialogue box was checked and thus providing permission by a WCT staff member for a remote access session to be taken by Westfield Informatics. This finding coincides with direct statements made by staff members of the WCT office indicating that they do not get any alerts or dialogue boxes on their screens when Westfield Informatics engages in remote access sessions to their computers. Mr. Smith asked the Westfield Informatics members if they could provide the forensic audit logs and/or compressed screen recordings of the remote access sessions with the WCT office computers. Chris Larson stated in an April 19th email that they do not enable video auditing "because we are so small" and Mr. Larson stated in the same email that he was unaware of the forensic audit logs available to the team that would provide full and clear records of all activities conducted during remote access sessions. It is assumed by the phrase "we are too small" that Westfield Informatics does not deem video recording audits to be necessary, but this is in contradiction to the presumed responsibility of any municipality IT department to keep accurate and concise records of remote access sessions for liability and accountability reasons. In a later meeting with the Westfield Informatics team Mr. Smith was told by the members that the forensic audit logs were not included in their license because they do not have the Privileged Access client with their license. This would be able to be confirmed with the Beyond Trust license and asset information under the Westfield Informatics account with Beyond Trust Westfield Informatics would be willing to agree to provide such information.

In response to the concern of the use of bgadmin in many of the remote access sessions the Westfield Informatics team stated that Brian Granato took several WCT office computers to his personal residence and engaged in remote access sessions from his personal computer to the WCT office computers to transfer data to new devices purchased for the WCT staff. Mr. Granato stated that this made the process easier rather than requiring a screen, keyboard, and mouse for each device as he was conducting the processes in his personal residence. By conducting remote access sessions, he would be able to automate the process from a single computer from the couch while the WCT computers were sitting on the floor in front of him. This provides some amount of clarity in these specific sessions conducted in Mr. Granato's residence but did not address the other documented instances where bgadmin had conducted remote access sessions with WCT office computers. The response regarding the use of bgadmin user account also creates more questions about the practices of the Westfield Informatics team and the standard operating procedures of remote access activities conducted by the team. It is not an industry standard practice for municipality IT employees to take city owned property to their personal residence and then transfer entire hard drive data sets without proper auditing performed. Without either video recording audits or forensic audit records it may be impossible to know what sensitive data was accessed or if any data was permanently deleted during these sessions. For instance, why would Xbox Gaming Overlay be installed on enterprise computers during the remote access sessions by bgadmin onto the WCT office computers that would allow users to create visual records of sensitive data, yet Westfield Informatics do not create video recording audits during their own remote access? This could be a simple oversight by Westfield Informatics but then that would further urge Westfield Informatics to put greater emphasis on network infrastructure security as well as maintaining more accurate auditing records for their remote access sessions. This should be part of any IT department's protocol for maintaining accountability and security for the network infrastructure they are responsible for maintaining functional and secure.

On April 11 Mr. Smith engaged in a meeting with members of Beyond Trust sales and development and asked direct questions regarding Beyond Trust's capabilities. During this meeting, the Beyond Trust team gave a demonstration on the use of Jump Client as well as video audit recordings. The compressed size of the video audit recordings was quite small and can be easily adapted to Westfield Informatics auditing protocol. One full hour of video in compressed format would take consume less than 20MB of disk storage making it a powerful tool for auditing purposes that Westfield Informatics has at their disposal yet does not incorporate into the remote access sessions with WCT office computers and

network attached devices. According to Mr. Larson Westfield Informatics does not use this function on any remote sessions within the Westfield City network infrastructure.

Any further investigation requested into the remote access session conducted by Westfield Informatics would require a significant investment due to the massive amounts of data contained within Westfields data server and a large shift in scope due to assumed sensitive data contained within the data server(s). It would be conceivable for an investigation requiring the examination of the data stored within the Westfield network infrastructure to take a minimum of 250+ hours to complete and likely between 60 and 90 days for data extraction and analysis to be performed with a full report of all findings.

Comments to the Westfield City Council, June 13 Public Hearing on City Status change

Changing the city's status is not as "black & white" as the Mayor and his supporters would have you believe.

There has been an abundance of public comments and PR efforts indicating this change is needed for more representation on the City Council and "professional" financial management by way of a Financial Controller or CFO, which would, coincidentally, be an employee of the Mayor's and only follow his/her edicts.

Power. Money.

These are the words to describe the Mayor's push for the change in city status.

Given the absolute disgraceful waste of taxpayer funds by the Mayor over the last 2 years, especially on legal expenses, he should not be given ANY additional staff or control of the city's finances.

Period !

Instead, his staff and ALL discretionary funds in the Administration should be decreased, especially his personal press secretary and expensive legal services.

The Mayor has offered to let the Council participate in selecting his CFO: that's a classic sleight of hand of move because once hired, the CFO won't answer to the Council, only to the Mayor.

In addition, if the chosen CFO doesn't work out, the Mayor will quickly pass blame to the Council.

Fear. Threats.

These are the words to describe the Mayor's actions to those resisting the proposed change. Fear of missing out on unknown opportunities, threats in the way of frivolous lawsuits.

Some have likened government to a corporation or a business: that is not a true or accurate representation. Governments are not constrained by limited funds and don't have to make money in order to continue their existence. This city administration is not transparent as it claims, but is very opaque.

Power. Money. Fear. Threats.

None of the other cities in Hamilton County rushed to change their status: Fishers and Carmel were both nearly 100,000 residents when they made the switch; their growth and government operations weren't hindered by being a second class status city.

Westfield was founded in 1834, incorporated in 1849 and first became a city 2008..why the hurry now ?

Some examples of the Mayor's ineptness :

** Ignoring the Council's rejection of his \$6 million dream of a single tunnel for the 161st St Monon crossing, he has continued to spend taxpayer funds on making it a reality.

** The continuing deterioration of the Village Park area roads, curbs and landscaping is a travesty to this long time cash cow for tax revenue and diminishes the image of Westfield as it is the southern gateway to the city.

** Where is the \$6 million "loaned" from the utility sale net proceeds that was used to finish Grand Park? Why hasn't it been repaid to the City's General Fund? When will it be repaid?

** The Economic Development Commission has been without a member from the County Council for over 10 years because the Mayor has refused to acknowledge its unanimous appointment of 2 different Westfield residents: WHY ?

Because the Mayor knows they would not be "YES" men and he cannot tolerate dissent.

** Pursuit of numerous projects that offer tax abatements and/or providing developers with city financed parking garages is chasing fools' gold... greater benefits to the city would be achieved through an update of the comprehensive plan, tightening the building standards to require higher quality structures and pursuit of commercial enterprises that don't/ won't request a tax abatement.

** The RFP to buy/manage Grand Park has been attributed to the Redevelopment Commission: yet, the commission has never met or voted to authorize a RFP ? Who actually authorized a RFP and wrote the specifications? Why hasn't THIS information been forthcoming ?

If it was simply the RDC's Executive Director, who is not even a resident of Westfield, that is disturbing to the highest level because GP has been touted by the Mayor as the city's biggest real estate asset.

I conclude by saying the decision to reject the move to a second class city status at the present time should be as simple as "A-B-C": Anybody But the Current Mayor.

ORDINANCE 22-25

AN ORDINANCE OF THE CITY OF WESTFIELD AMENDING THE TRAFFIC REGULATIONS OF THE CITY OF WESTFIELD

WHEREAS, The City of Westfield, (“City”) is a duly formed municipal corporation within the State of Indiana, governed by its duly elected Mayor and Common Council (“Council”); and,

WHEREAS, the Council has the duty and authority to maintain regulations that ensure the safest possible operation of motor vehicles within the City; and,

WHEREAS, it has been deemed necessary to adopt the following amendments to the Westfield Code of Ordinances.

NOW, THEREFORE, BE IT ORDAINED by the Westfield City Common Council meeting in session as follows that:

- Section 1.** Chapter 58, Division 10. Figures, Sec. 58-346 through Sec. 58-363.1 of the Westfield Code is hereby amended by the deletion of the existing conflicting language and by the addition of the language which is attached as Exhibit A and incorporated herein.
- Section 2.** In addition to any other general penalty provisions contained in the Westfield Code of Ordinances, all other penalties under Title 9 of the Indiana Code for Class C Infractions may be assessed.
- Section 3.** This Ordinance shall be in full force and effect in accordance with Indiana law, upon the passage of any applicable waiting periods, all as provided by the laws of the State of Indiana. All ordinances or parts thereof that are in conflict herewith are hereby ordered repealed. Any portion of this Ordinance later deemed void shall not operate to negate the remaining portion herein.

DATE: August 13, 2007

ROUTE: SR 32

CITY OR COUNTY: Westfield
Hamilton County

FILE #: 07-022-E

TO: WESTFIELD TOWN COUNCIL

The Indiana Department of Transportation proposes to make certain traffic improvements on SR 32 in Hamilton County.

In order to facilitate the movements of traffic over the route and conform with standards set up by the Indiana Department of Transportation, the following traffic controls must be established as determined by proper engineering investigation.

It is agreed by the undersigned on behalf of the Town that the following controls are satisfactory.

CONTROLS TO BE ESTABLISHED

Parking shall be controlled on SR 32 in the town of Westfield, Hamilton County as follows:

"No Parking 2 AM to 6 AM" shall be established on the north and south side of SR 32 for marked parking spaces between the east corners of Mill Street (Westlea Drive) on SR 32 to the west corners of Cherry Street on SR 32, a distance of approximately 2,150 feet.

"Two Hour Parking," notwithstanding the foregoing parking restricting, two hour parking shall be established on the north and south side of SR 32 for marked parking spaces between the east corners of Mill Street (Westlea Drive) on SR 32 to the west corners of Cherry Street on SR 32, from the hours of 6 AM to 2 AM, a distance of approximately 2,150 feet.

Sec. 58-355.3 Parking Zones Restrictions Penalties

Penalties for 2 Hour Parking Restriction Zones

A. Each violator of the restrictions and provisions of this traffic offense shall pay a fine and penalty to the City of Westfield, in the sum of ten dollars (\$10), if paid within seven (7) days of the date of the time of issuance of the traffic offense. Additional late fees shall be assessed based upon the following fine schedule:

1. Unpaid between eight and fourteen (8-14) days of the date of issuance: Twenty dollars (\$20)
2. Unpaid between fifteen and twenty-one (15-21) days of the date of issuance: Forty dollars (\$40)
3. Unpaid between twenty-two and twenty-eight (22-28) days of the date of issuance: Sixty dollars (\$60)
4. Unpaid between twenty-nine and thirty-five (29-35) days of the date of issuance: Eighty dollars (\$80)
5. Unpaid after thirty-six (36) days of the date of issuance: One Hundred dollars (\$100)

B. Any Vehicle having three (3) UNPAID parking violations in excess of sixty (60) days after the date of issuance that is found in a Parking Zone Restriction Area is subject to being restrained by having a wheel boot installed by employees of the City of Westfield, until such time as all outstanding fines and fees are paid in full. In addition, there will be a twenty-five dollar (\$25) fee for the removal of the wheel boot. It is the discretion of the Chief of Police to have motorcycles and/or any other vehicles towed to safe storage in lieu of using the wheel boot. Said vehicle will be released only after payment of all fines and fees are paid in full, and any costs incurred by the City for the towing of the vehicle.

C. Any attempt to evade this ordinance by a motorist by moving their vehicle from one parking restriction zone parking spot to another parking restriction zone parking spot will be deemed in violation of this ordinance.

D. In the event that such a fine has not been paid within ninety (90) days of the date of the issuance, the violator may be docketed in the Hamilton County Courts and prosecuted as a Class C infraction. In such event, the violator shall be obligated to pay any costs imposed by reason of the docking with the Hamilton County Courts in addition to the fines prescribed herein.

Sec. 58-215 Temporary Parking Restrictions

Sec. 58-215. - Temporary parking restrictions.

Parking may be temporarily prohibited for special events upon the authority of the Chief of Police, who is hereby given authority for such limitation and prohibition of parking. All motor vehicles shall observe such prohibition and limitations when proper temporary signs have been erected or placed indicating such prohibition.

A police officer may have a vehicle in violation of this ordinance towed and the expense of such towing and storage, shall be the responsibility of the owner of the vehicle.

Any violation of this section shall be subject to a judgment of not less than \$50.00 nor more than \$250.00.

CITY OF WESTFIELD

ORDINANCE NO: 22-09

AN ORDINANCE CREATING A LOCAL HISTORIC PRESERVATION COMMISSION

Adapted from: I.C. 36-7-11. Historic Preservation Generally

WHEREAS, the City Council of the City of Westfield, Indiana, declares that the protection, maintenance, restoration, rehabilitation, reconstruction, or development of historic districts is in the public interest; and,

WHEREAS, it is the intent of this ordinance to provide a means to promote the cultural, economic, and general welfare of the public through the preservation and protection of structures and areas of historic and cultural interest within the City of Westfield; and,

WHEREAS, it is the intent of this ordinance to implement a comprehensive program of historic preservation by the appointment of a Historic Preservation Commission and by the establishment of a historic preservation district or districts in accordance with the provisions set forth below, now therefore;

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WESTFIELD, INDIANA:

Section 1. Purpose

a. Purpose of historic preservation and protection:

- (1) To promote the educational, cultural and general welfare of the citizens of Westfield and to ensure the harmonious and orderly growth and development of the municipality;
- (2) To maintain established residential neighborhoods in danger of having their distinctiveness destroyed;
- (3) To enhance property values and attract new residents;
- (4) To ensure the viability of the traditional Downtown area and to enhance tourism within the City of Westfield;
- (5) It is deemed essential by the City of Westfield that qualities relating to its history and harmonious outward appearance of its structures be preserved.

b. These purposes are advanced through the restoration and preservation of historic areas and buildings, the construction of compatible new buildings where appropriate, and the maintenance and ensurance of compatibility in regards to style, form, proportion, texture, and material between historic buildings and those of contemporary design.

c. It is the intention of the City of Westfield through this ordinance to preserve and protect historic or architecturally worthy buildings, structures, sites, monuments, streetscapes, squares and neighborhoods of the historic districts created in accordance with this ordinance.

Section 2. Definitions.

The following terms shall have the following meaning unless a contrary meaning is required by the context or is specifically prescribed. Words in the present tense include the future tense. The singular number includes the plural, and the plural, the singular. The word “shall” is always mandatory. The word “person” includes a firm, a partnership, a limited liability company, or a corporation, as well as an individual. Terms not defined in this Section shall have the meanings customarily assigned to them.

- a. **Alteration:** a material or color change in the external architectural features of any building, structure, or site within a historic district.
- b. **City:** the City of Westfield, Indiana.
- c. **Classifications:**
 - (1) Outstanding: the “O” classification means that the property has sufficient historic or architectural significance such that it is listed, or is eligible for individual listing, in the National Register of Historic Places (the “National Register”). Outstanding resources can be of local, state, or national importance.
 - (2) Notable: the “N” classification means that the property does not merit the outstanding rating, but it is still above average in its importance. A notable structure may be eligible for the National Register.
 - (3) Contributing: the “C” classification means that the property is at least 40 years old, but does not meet the criteria for an “O” or “N” classification. Contributing properties are important to the density or continuity of the area’s historic fabric. Contributing properties can be listed in the National Register only as part of a historic district.
 - (4) Non-Contributing: property classified as “NC” is not included in a historic sites and structures inventory unless it is located within the boundaries of a historic district. Such properties may be less than 50 years old, or they may be older properties that have been altered in such a way that they have lost their historic character, or they may be otherwise incompatible with their historic surroundings. These properties are not eligible for listing in the National Register.
- d. **Commission:** the historic preservation commission established by this ordinance.
- e. **Demolition:** the complete or substantial removal of any building or structure located in a historic district.
- f. **Historic District:** a single building, structure, site, monument, streetscape, or square, or a concentration of buildings, structures, sites, monuments, streetscapes, squares or neighborhoods, the boundaries of which are described or delineated on a map approved in an ordinance adopted by the City Council.

- g. **Interested Party:** means one of the following:
- (1) the Mayor.
 - (2) the City Council.
 - (3) the city plan commission or other agency having land use planning jurisdiction over a historic district designated by ordinance.
 - (4) a neighborhood association, whether incorporated or unincorporated, a majority of whose members are residents of a historic district designated by an ordinance adopted by the City Council.
 - (5) an owner or occupant owning or occupying property located in a historic district established by an ordinance adopted by the City Council.
 - (6) Historic Landmarks Foundation of Indiana, Inc., or any of its successors.
 - (7) the state historic preservation officer designated under I.C. 14-21-1-19.
- h. **Preservation Guidelines:** locally developed criteria which identify design concerns to assist property owners in maintaining the character of the historic district or buildings during the process of rehabilitation or new construction.
- i. **Primary Area:** the principal area of historic and/or architectural significance within a historic district as delineated on the map establishing the boundaries of the historic district.
- j. **Routine Maintenance:** work for which no Certificate of Appropriateness is required.
- k. **Secondary Area:** an area in a historic district as delineated on the map establishing the boundaries of the historic district that is adjacent to a primary area and which has a visual relationship to the primary area and could affect the preservation of the primary area. The purpose of designating a secondary area is to assure its compatibility and harmony with an adjacent, primary area.
- l. **Streetscape:** appearance from a public way, the distinguishing characteristics of which are created by the width of the street and sidewalks, their paving materials and color, the design of the street furniture (e. g., street lights, trash receptacles, benches, etc.) use of plant materials such as trees and shrubs, and the setback, mass, and proportion of those buildings which enclose the street.
- m. **Visual Compatibility:** those elements of design that meet the guidelines set out in Section 8 of this ordinance.

Section 2. Historic Preservation Commission Establishment and Organization

- a. **Establishment.** There is hereby established the Historic Preservation Commission of the City of Westfield, Indiana (hereinafter referred to as the "Commission").
- b. **Composition; Appointment.** The Commission shall consist of five voting members. The voting members shall be appointed by the Mayor, subject to the approval of the City Council, and shall be residents of the City who are interested in the preservation and development of historic areas. The members of the Commission should include professionals in the disciplines of architectural history, planning, and other disciplines related to historic preservation, to the extent that those professionals are available in the community. Up to four nonvoting, advisory member(s) may be appointed to the

Commission by the Mayor with approval by the City Council. Commission members shall serve without compensation, except for reasonable expenses incurred in the performance of their duties.

c. **Term.** Voting members shall each serve for a term of three (3) years; however, the terms of original voting members shall be for one (1) year, two (2) years, and three (3) years in order for the terms to be staggered. The term for nonvoting, advisory members shall be for three (3) years. A vacancy shall be filled within ninety (90) days for the duration of the term.

d. **Commission Administrator.** A City administrator designated by the Mayor shall serve as the ex-officio administrator of the Commission. The administrator shall provide staff assistance to the Commission, act as the Commission's secretary, and issue Certificates of Appropriateness as directed by the Commission.

e. **Officers.** The Commission shall elect from its membership a Chairperson, a Vice-Chairperson, and a Treasurer, who shall serve for one (1) year and who may be reelected. The Commission Administrator shall serve as the Commission's secretary.

f. **Rules.** The Commission shall adopt rules consistent with this ordinance for the transaction of its business. The rules must include the time and place of regular meetings and a procedure for the calling of special meetings. All rules shall first be presented to the Council and shall not be effective until approved by Council.

g. **Meetings.** All Commission meetings must be open to the public and a public record must be kept of the Commission's resolutions, proceedings, and actions. The Commission shall hold regular meetings, at least monthly, except when it has no business pending. Special meetings may be called in a manner determined by the Commission and its rules.

Section 3. Powers and Duties of the Commission

a. The Commission shall be concerned with those elements of development, redevelopment, rehabilitation, and preservation that affect visual quality in a historic district. The Commission may not consider details of design, interior arrangements, or building features, if those details, arrangements, or features are not subject to public view, and may not make any requirement except for the purpose of preventing development, alteration, or demolition in a historic district obviously incongruous with the historic district.

b. The Commission shall conduct a survey to identify historic buildings, structures, and sites located within the City that have previously been classified historic and listed on the National Register. Based on its survey, the Commission shall submit to the City Council a map describing the boundaries of a historic district or historic districts containing sites on the National Register. A district may be limited to the boundaries of a property containing a single building, structure, or site. The map may divide a district into primary and secondary areas.

c. The Commission shall also classify and designate on the map all buildings, structures, and sites within each historic district described on the map. Buildings, structures, and sites shall be classified as historic or nonhistoric in the manner set forth in subsections 3(d) and 3(e) of this ordinance below. Provided however no building structure or site shall be classified as historic unless it is contained on a site on the National Register OR the property owner agrees to the designation in writing.

d. Buildings, structures, and sites classified as historic must possess identified historic or architectural merit of a degree warranting their preservation. They may be further classified as Outstanding, Notable, or Contributing (as defined in Section 2 of this ordinance). In lieu of these further classifications, the Commission may devise its own system of further classification for historic buildings, structures, and sites.

e. Nonhistoric buildings and structures are those not classified on the map as historic under subsection 3(b) of this ordinance.

f. The Commission may conduct additional surveys, and draw and submit additional maps for approval of the City Council, as the Commission considers appropriate.

g. The Commission may adopt preservation guidelines for architectural review. If adopted, preservation guidelines shall be published and made readily accessible to the general public.

h. The Commission has the authority to receive funds in order to promote its stated purposes.

i. The Commission shall promote public interest in historic preservation by initiating and carrying on a public relations and community education program.

j. The Commission has the authority to:

- (1) acquire by purchase, gift, grant, bequest, devise, or lease any real or personal property, including easements, that is appropriate for carrying out the purposes of the Commission;
- (2) hold title to real and personal property; and,
- (3) sell, lease, rent, or otherwise dispose of real and personal property at a public or private sale on the terms and conditions that the Commission considers best;
- (4) establish procedures that the Commission must follow in acquiring and disposing of property.

k. Each official of the City who has responsibility for building inspection, building permits, planning, or zoning shall provide any technical, administrative, or clerical assistance requested by the Commission. The attorney for the City is the attorney for the Commission. However, the Commission may employ other legal counsel authorized to practice law in Indiana if it considers it necessary or desirable.

Section 4. Historic Districts and Guidelines

a. **City Council Approval of Maps of Historic Districts.** Before a historic district is established and the building classifications take effect, the map described in subsection 3(b) of this ordinance, setting forth the historic district boundaries and building classifications, must be submitted by the Commission to, and approved in an ordinance by, the City Council.

b. In an ordinance approving the establishment of a historic district, the City Council may provide that the establishment shall occur in two (2) phases. During the first phase, which continues for

a period of three (3) years from the date the ordinance is adopted, a certificate of appropriateness is required only for the following activities: the demolition of any building; the moving of any building; and any new construction of a principal building or accessory building or structure subject to view from a public way. At the end of the first phase, the district becomes fully established, and, subject to subsection 4(c) of this ordinance, a Certificate of Appropriateness must be issued by the Commission before a permit may be issued for or work may begin on an activity described in subsection 6(a) of this ordinance.

c. The first phase described in subsection 4(b) of this ordinance continues and the second phase does not become effective if a majority of the property owners in the district object to the Commission, in writing, to the requirement that Certificates of Appropriateness be issued for the following activities:

- (1) a conspicuous change in the exterior appearance of historic buildings by additions, reconstruction, alteration, or maintenance involving exterior color change;
- (2) a change in walls and fences or construction of walls and fences along public ways;
- (3) a conspicuous change in the exterior appearance of nonhistoric buildings subject to view from a public way by additions, reconstruction, alteration, or maintenance involving exterior color change.

The objections must be received by the Commission not earlier than one hundred eighty (180) days or later than sixty (60) days before the third anniversary of the adoption of the ordinance.

d. In an ordinance approving the establishment of a historic district, the City Council may exclude changes in paint colors from the activities requiring the issuance of a Certificate of Appropriateness under Section 6 of this ordinance before a permit may be issued or work begun.

e. The map establishing boundaries of a historic district may be recorded in the Office of the Hamilton County Recorder.

Section 5. Interim Protection

- a. The Commission shall have no powers of interim protection.

Section 6. Certificates of Appropriateness

a. **Certificates of Appropriateness Required.** A Certificate of Appropriateness must be issued by or on behalf of the Commission before a permit is issued for or work is begun on any of the following:

- (1) Within all areas of a historic district:
 - (a) The demolition of any building;
 - (b) The moving of any building;
 - (c) A conspicuous change in the exterior appearance of historic buildings by additions, reconstruction, alteration, or maintenance involving exterior color change; or
 - (d) Any new construction of a principal building or accessory building or structure subject to view from a public way.

- (2) Within a primary area of a historic district:
 - (a) A change in walls and fences or the construction of walls and fences along public ways; or
 - (b) A conspicuous change in the exterior appearance of nonhistoric buildings subject to view from a public way by additions, reconstruction, alteration or maintenance involving exterior color change.
- (3) Within the first phase of a two-phase establishment of a historic district:
 - (a) The moving of any building;
 - (b) The demolition of any building; or
 - (c) Any new construction of a principal building or accessory building or structure subject to view from a public way.

b. **Application for Certificates of Appropriateness.** Application for a Certificate of Appropriateness shall be made in the office of the Commission on forms provided by that office. Detailed drawings, plans, or specifications are not required. However, to the extent reasonably required for the Commission to make a decision, each application must be accompanied by sketches, drawings, photographs, descriptions, or other information showing the proposed exterior alterations, additions, changes, or new construction.

c. **Approval or Denial of Certificates of Appropriateness.** The Commission may advise and make recommendations to the applicant before acting on an application for a certificate of appropriateness. If an application for a Certificate of Appropriateness is approved by the Commission, or is not acted on by the Commission, within thirty (30) days after it is filed, a Certificate of Appropriateness shall be issued. If the certificate is issued, the application shall be processed in the same manner as applications for building or demolition permits required by the City, if any, are processed. If no building or demolition permits are required by the City, the applicant may proceed with the work authorized by the certificate. If the Commission denies an application for a Certificate of Appropriateness within 30 days after it is filed, the certificate may not be issued. The Commission must state its reasons for the denial in writing, and must advise the applicant. An application that has been denied may not be processed as an application for a building or demolition permit and does not authorize any work by the applicant. The Commission may grant an extension of the thirty (30) day limit if the applicant agrees to it.

d. **Criteria for Considering Effect of Actions on Historic Buildings.** The Commission, in considering the appropriateness of any reconstruction, alteration, maintenance, or moving of a historic building or any part of or appurtenance to such building, including walls, fences, light fixtures, steps, paving, and signs shall require that such work be done in a manner that will preserve the historical and architectural character of the building, structure, or appurtenance. In considering historic and architectural character, the Commission shall consider, among other things, the following:

- (1) Purposes of this ordinance;
- (2) Historical and architectural value and significance of the building, structure, site or appurtenance;
- (3) Compatibility and significance of additions, alterations, details, materials, or other

non-original elements which may be of a different style and construction date than the original;

- (4) The texture, material, color, style, and detailing of the building, structure, site or appurtenance;
- (5) The continued preservation and protection of original or otherwise significant structure, material, and ornamentation;
- (6) The relationship of buildings, structures, appurtenances, or architectural features similar to one within the same historic district, including for primary areas, visual compatibility as defined in subsection 8(b) of this ordinance; and,
- (7) The position of the building or structure in relation to the street, public right-of-way and to other buildings and structures.

e. **Procedure for Demolition upon Denial of a Certificate of Appropriateness.** The purpose of this subsection is to preserve historic buildings that are important to the education, culture, traditions and economic values of the City, and to afford the City, historical organizations, and other interested persons the opportunity to acquire or to arrange for the preservation of these buildings. If a property owner demonstrates that a historic building is incapable of earning an economic return on its value, as appraised by a qualified real estate appraiser, and the Commission fails to approve the issuance of a Certificate of Appropriateness, the building may be demolished. However, before a demolition permit is issued or demolition proceeds, the following requirements for notice must be met:

- (1) Notice of the proposed demolition must be given for a period fixed by the Commission, based on the Commission's classification on the approved map, but not less than sixty (60) days nor more than one (1) year.
- (2) Notice must be posted on the premises of the building proposed for demolition in a location clearly visible from the street.
- (3) Notice must be published in a newspaper of general local circulation at least three (3) times before demolition, with the first publication not more than fifteen (15) days after the application for a permit to demolish is filed, and the final publication at least fifteen (15) days before the date of the permit.

The Commission may approve a Certificate of Appropriateness at any time during the notice period under this subsection 6(e). If the certificate is approved, a demolition permit shall be issued without further delay, and demolition may proceed.

Section 7. Staff Approvals

a. The staff of the Commission, on behalf of the Commission, may be authorized to grant or deny an application for a Certificate of Appropriateness for types as defined by the Commission, except for types described in Section 7b.

b. The staff of the Commission may not grant or deny an application for a Certificate of Appropriateness for the following types of applications:

- (1) The demolition of a building.
- (2) The moving of a building.
- (3) The construction of an addition to a building.
- (4) The construction of a new building.

Section 8. Visual Compatibility

a. **New Buildings and Nonhistoric Buildings.** Except as provided in subsection 4(d) of this ordinance, the construction of a new building or structure, and the moving, reconstruction, alteration, major maintenance, or repair involving a color change conspicuously affecting the external appearance of any nonhistoric building, structure, or appurtenance within the primary area of a historic district must be generally of a design, form, proportion, mass, configuration, building material, texture, color, and location on a lot compatible with other buildings in the historic district, particularly with buildings designated as historic, and with squares and places to which it is visually related.

b. **Criteria for Considering Visual Compatibility.** Except as provided in subsection 4(d) of this ordinance, within the primary area of a historic district, new buildings and structures, as well as buildings, structures, and appurtenances that are moved, reconstructed, materially altered, repaired, or changed in color, must be visually compatible with buildings, squares and places to which they are visually related generally in terms of the following visual compatibility factors:

- (1) **Height.** The height of proposed buildings must be visually compatible with adjacent buildings.
- (2) **Proportion of building's front façade.** The relationship of the width of a building to the height of the front elevation must be visually compatible with buildings, squares, and places to which it is visually related.
- (3) **Proportion of openings within the facility.** The relationship of the width of the windows to the height of windows in a building must be visually compatible with buildings, squares, and places to which it is visually related.
- (4) **Rhythm of solids to voids in front facades.** The relationship of solids to voids in the front facade of a building must be visually compatible with buildings, squares, and places to which it is visually related.
- (5) **Rhythm of spacing of buildings on streets.** The relationship of a building to the open space between it and adjoining buildings must be visually compatible with buildings, squares, and places to which it is visually related.
- (6) **Rhythm of entrances and porch projections.** The relationship of entrances and porch projections of a building to sidewalks must be visually compatible with buildings, squares, and places to which it is visually related.
- (7) **Relationship of materials, texture, and color.** The relationship of the materials, texture, and color of the facade of a building must be visually compatible with the predominant materials used in the buildings to which it is visually related.
- (8) **Roof shapes.** The roof shape of a building must be visually compatible with the buildings to which it is visually related.
- (9) **Walls of continuity.** Appurtenances of a building such as walls, wrought iron fences, evergreen landscape masses, and building facades, must form cohesive walls of enclosure along the street, if necessary to ensure visual compatibility of the building to the buildings, squares, and places to which it is visually related.
- (10) **Scale of a building.** The size of a building, and the building mass of a building in relation to open spaces, windows, door openings, porches, and balconies must be visually compatible with the buildings, squares, and places to which it is visually related.

related.

- (11) **Directional expression of front elevation.** A building must be visually compatible with buildings, squares, and places to which it is visually related in its directional character, including vertical character, horizontal character, or nondirectional character.

Section 9. Preservation of Historical and Architectural Character Upon Alteration or Relocation Mandated

a. A historic building or structure or any part of or appurtenance to such a building or structure, including stone walls, fences, light fixtures, steps, paving, and signs may be moved, reconstructed, altered, or maintained only in a manner that will preserve the historical and architectural character of the building, structure, or appurtenance.

b. A historic building may be relocated to another site only if it is shown that preservation on its current site is inconsistent with subsection 9(a) of this ordinance.

Section 10. Maintenance

a. Historic buildings shall be maintained to meet the applicable requirements established under state statute for buildings generally so as to prevent the loss of historic material and the deterioration of important character defining details and features.

b. Ordinary repairs and maintenance: nothing in this Section shall be construed to prevent the ordinary repairs and maintenance of any historic building, provided that such repairs or maintenance do not result in a conspicuous change in the design, form, proportion, mass, configuration, building material, texture, color, location, or external visual appearance of any structure, or part thereof.

Section 11. Relationship with Zoning Districts

Zoning districts lying within the boundaries of the historic district are subject to the regulations for both the zoning district and the historic district. If there is a conflict between the requirements of the zoning district and the requirements of the historic district, the more restrictive requirements apply.

Section 12. Removal of Historic District Designation

a. This Section provides the exclusive method for removing the designation of a historic district.

b. The owner or owners of a building, structure, or site designated as a single site historic district may sign and file a petition with the City Council requesting removal of the designation of the building, structure, or site as a historic district. In the case of a historic district containing two (2) or more parcels, at least sixty percent (60%) of the owners of the real property of the historic district may sign and file a petition with the City Council requesting removal of the designation of the historic district.

c. The City Council shall submit a petition filed under subsection 12(b) of this ordinance to the Commission. The Commission shall conduct a public hearing on the petition not later than sixty (60) days after receiving the petition. The Commission shall provide notice of the hearing:

- (1) by publication under I.C. 5-3-1-2(b);
- (2) in the case of a historic district comprised of real property owned by fewer than fifty (50) property owners, by certified mail, sent at least ten (10) days before the hearing, to each owner of real estate within the historic district; and
- (3) in the case of a single building, structure, or site designated as a historic district, by certified mail, sent at least ten (10) days before the hearing, to each owner of the real estate abutting the building, structure, or site designated as a historic district that is the subject of the petition.

d. The Commission shall make the following findings after the public hearing:

- (1) Whether a building, structure, or site within the historic district continues to meet the criteria for inclusion in a historic district as set forth in the ordinance approving the historic district map under Section 4 of this ordinance. The determination must state specifically the criteria that are applicable to the buildings, structures, or sites within the district.

- (2) Whether failure to remove the designation of the historic district would deny an owner of a building, structure, or site within the historic district reasonable use of the owner's property or prevent reasonable economic return. Evidence provided by the petitioner may include information on:
 - (a) costs to comply with regulations;
 - (b) income generation;
 - (c) availability of contractors to perform work;
 - (d) real estate values;
 - (e) assessed values and taxes;
 - (f) revenue projections;
 - (g) current level of return;
 - (h) operating expenses;
 - (i) vacancy rates;
 - (j) financing issues;
 - (k) efforts to explore alternative uses for a property;
 - (l) availability of economic incentives; and
 - (m) recent efforts to sell or rent property.
- (3) Whether removal of the designation of a historic district would have an adverse economic impact on the owners of real estate abutting the historic district, based on testimony and evidence provided by the owners of the real estate and licensed real estate appraisers or brokers.
- (4) Whether removal of or failure to remove the designation of the historic district would have an adverse impact on the City's historic resources, and specifically whether it would result in the loss of a building, structure, or site classified as historic by the Commission's survey prepared under Section 3 of this ordinance.

e. Not later than ten (10) days after the public hearing, the Commission shall submit:

- (1) its findings on the petition; and
- (2) a recommendation to grant or deny the petition to the City Council.

f. Not later than forty-five (45) days after receiving the Commission's findings, the City Council shall:

- (1) take public comment and receive evidence in support of or in opposition to the petition; and
- (2) do one (1) of the following:
 - (a) Deny the petition.
 - (b) Grant the petition by adopting an ordinance that removes the designation of the historic district by:
 - (i) a majority vote, if the recommendation of the Commission is to grant the petition; or
 - (ii) a two-thirds (2/3) vote, if the recommendation of the Commission is to deny the petition.

The City Council shall record an ordinance adopted under subsection 12(f)(2) with the Hamilton County Recorder not later than ten (10) days after the City Council adopts the ordinance. The historic district designation is considered removed on the date the ordinance is recorded with the Hamilton County Recorder.

g. If the City Council does not grant or deny the petition within forty-five (45) days after receiving the Commission's findings:

- (1) the petition is considered granted or denied in accordance with the recommendation of the Commission; and
- (2) if the petition is considered granted, the City Council shall, not later than fifty-five (55) days after receiving the Commission's findings:
 - (a) adopt an ordinance that removes the designation of the historic district; and
 - (b) record the ordinance with the Hamilton County Recorder.

The historic district designation is considered removed on the date the ordinance is recorded with the Hamilton County Recorder.

Section 13. Enforcement by Interested Parties

a. An interested party (as defined in Section 2) has a private right of action to enforce and prevent violation of a provision of this ordinance or an ordinance adopted by the City under this ordinance, and with respect to any building, structure, or site within a historic district, and has the right to restrain, enjoin, or enforce by restraining order or injunction, temporarily or permanently, any person from violating a provision of this ordinance or an ordinance adopted by the City under this ordinance.

b. The interested party does not have to allege or prove irreparable harm or injury to any person or property to obtain relief under this Section.

c. The interested party bringing an action under this Section does not have to post a bond unless the court, after a hearing, determines that a bond should be required in the interest of justice.

d. The interested party that brings an action under this Section is not liable to any person for damages resulting from bringing or prosecuting the action unless the action was brought without good faith or without a reasonable belief that a provision of this ordinance, or an ordinance adopted by the City Council pursuant to this ordinance, had been, or was about to be violated or breached.

e. An interested party who obtains a favorable judgment in an action under this Section may recover reasonable attorney's fees and court costs from the person against whom judgment was rendered.

f. An action arising under this Section must be brought in the circuit or superior court of the county in which the historic district lies and no change of venue from the county shall be allowed in the action.

g. The remedy provided in this Section is in addition to other remedies that may be available at law or in equity.

Section 14. Enforcement, Penalties, and Judicial Review

a. Any person, whether as principal, agent, owner, lessee, tenant, contractor, builder, architect, engineer, or otherwise, who violates any provision of this ordinance shall be subject to a fine as follows, for each offense:

- (1) not less than ten dollars (\$10.00) nor more than twenty-five hundred dollars (\$2,500.00) for demolition; and,
- (2) not less than ten dollars (\$10.00) nor more than three hundred dollars (\$300.00) for all other offenses.

b. Each day of the existence of any violation of this ordinance shall be a separate offense.

c. The erection, construction, enlargement, alteration, repair, demolition, color change, moving, or maintenance of any building, structure, or appurtenance which is begun, continued, or maintained contrary to any provisions of this ordinance is hereby declared to be a nuisance and in violation of this ordinance and unlawful. The City may institute a suit for injunction in the Circuit Court or Superior Court of Hamilton County to restrain any person or government unit from violating any provision of this ordinance and to cause such violation to be prevented, abated, or removed. Such action may also be instituted by any property owner who is adversely affected by the violation of any provision of this chapter.

d. The remedies provided for in this Section shall be cumulative and not exclusive and shall be in addition to any other remedies provided by law.

e. Any person or party aggrieved by a decision of the Commission shall be entitled to judicial review under I.C. 36-7-4 as if it were a final decision of a board of zoning appeals.

Section 15. Severability

If any section, clause, provision, or portion of this ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.

ORDINANCE NO. 22-26

**ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF
WESTFIELD, INDIANA, AUTHORIZING THE CITY OF
WESTFIELD, INDIANA TO ISSUE CERTAIN ECONOMIC
DEVELOPMENT LEASE RENTAL REVENUE BONDS AND
AUTHORIZING AND APPROVING OTHER ACTIONS IN
CONNECTION THEREWITH**

WHEREAS, the City of Westfield, Indiana (the "City") is a municipal corporation and political subdivision of the State of Indiana and by virtue of Indiana Code 36-7-11.9 and Indiana Code 36-7-12 (collectively, the "Act"), is authorized and empowered to adopt this ordinance (the "Bond Ordinance") and to carry out its provisions; and

WHEREAS, the City of Westfield Building Corporation (the "Building Corporation") was established as a nonprofit corporation for the purpose, among others, of financing and leasing of buildings and other capital improvements in the City; and

WHEREAS, the Westfield Redevelopment Commission (the "Commission") has previously adopted and amended resolutions establishing and expanding the Grand Junction Economic Development Area (the "Area"), has designated a portion of the Area as the Union Square Allocation Area (the "Allocation Area") for the purposes of the allocation and distribution of property taxes under Indiana Code 36-7-14-39, and has created the Union Square Allocation Fund (the "Allocation Fund") pursuant to Indiana Code 36-7-14-39; and

WHEREAS, the City, the Commission, the Building Corporation and Union Square Plaza LLC (the "Developer") have approved a Development Agreement with respect to the construction of an above-ground structured parking facility containing approximately 300 parking spaces, garage entrances and exits, ramps, elevators, stairwells, elevator lobbies and all related facilities; and all facades, exterior walls, roofs, foundations and other structural and aesthetic components thereof, together with all necessary appurtenances, related improvements and equipment (the "Garage Project"), in connection with a mixed-use development of market-rate apartment units and commercial space for retail or office use (the "Development"); and

WHEREAS, pursuant to the Development Agreement, the City shall issue its Taxable Economic Development Lease Rental Revenue Bonds, Series 20__ (Union Square Project) (with such further or different series designation as may be necessary or appropriate, including such series designation to indicate the year in which the bonds are issued) (the "Bonds") under the Act, in an amount not to exceed Twelve Million Two Hundred Fifty Thousand Dollars (\$12,250,000), and loan the Bond proceeds to the Building Corporation for the purpose of financing all or a portion of the costs of construction of the Garage Project, in or physically connected to the Allocation Area, capitalized interest on the Bonds, if any, a reserve funded from proceeds of the Bonds or cash on hand, if necessary, and costs related to the issuance of the Bonds; and

WHEREAS, Bonds will be payable from note payments made by the Building Corporation under a loan agreement between the City and the Building Corporation, and the lease payments

made by the Redevelopment Commission, as lessee, under a certain lease agreement (the "Lease") with the Building Corporation, as lessor, will enable the Building Corporation to make such note payments to pay debt service on the Bonds; and

WHEREAS, the City has determined not to issue certain economic development revenue bonds under Ordinance 19-67 adopted by the Common Council of the City (the "Council") on December 9, 2019 (the "2019 Ordinance") and desires to repeal the 2019 Ordinance; and

WHEREAS, on May 23, 2022, the Westfield Economic Development Commission (the "Economic Development Commission") conducted a public hearing in accordance with the Act and Indiana Code 5-3-1, and adopted its resolution finding that the financing of the Garage Project complies with the purposes and provisions of the Act and that such financing will be of benefit to the health and general welfare of the City; and

WHEREAS, the Economic Development Commission has heretofore approved and recommended the adoption of this form of ordinance by this Council, has considered the issue of adverse competitive effect and has approved the forms of and has transmitted for approval by the Council, the forms of (i) a Loan Agreement, between the City and the Building Corporation (the "Loan Agreement"), (ii) a Trust Indenture between the City and a trustee to be selected by the City (the "Indenture") and (iii) this Bond Ordinance (the Loan Agreement, the Indenture and the Bond Ordinance, collectively, the "Financing Documents");

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF WESTFIELD, INDIANA, THAT:

Section 1. The Council hereby finds and determines that the Garage Project involves the acquisition, construction and equipping of an "economic development facility" as that phrase is used in the Act; that the Garage Project will create employment opportunities and diversification of economic development in the City, will improve and promote the economic stability, development and welfare in the City, will encourage and promote the expansion of industry, trade and commerce in the City and the location of other new industries in the City; that the public benefits to be accomplished by this Bond Ordinance, intending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Garage Project; and, therefore, that the financing of the Garage Project by the issue of the Bonds under the Act: (i) will be of benefit to the health and general welfare of the City and (ii) complies with the Act.

Section 2. The proposed financing of the Garage Project, and the financing of certain costs related to the issuance of the Bonds, capitalized interest, if any, and a reserve funded from proceeds of the Bonds or cash on hand, as further described in the Financing Documents, by the issuance of the Bonds, in one or more series, under the Act, in the form that such financing was approved by the Economic Development Commission, is hereby approved.

Section 3. The issuance of the Bonds, payable solely from the revenues and receipts derived from the Financing Documents, is hereby authorized.

Section 4. The Bonds, in one or more series (with such further or different series designation as may be necessary or appropriate, including such series designation to indicate the year in which the bonds are issued), in the aggregate principal amount not to exceed Twelve Million Two Hundred Fifty Thousand Dollars (\$12,250,000), shall (i) be executed at or prior to the closing date by the manual or facsimile signatures of the Mayor and the Clerk-Treasurer of the City (the "Clerk-Treasurer"); (ii) be dated as of the date of issuance; (iii) mature on a date not later than twenty-five (25) years after the date of issuance; (iv) bear interest at a rate not to exceed six percent (6.0%), with such interest to be payable as provided in the Financing Documents; (v) be issuable in such denominations as set forth in the Financing Documents; (vi) be issuable only in fully registered form; (vii) be subject to registration on the bond register as provided in the Indenture; (viii) be payable in lawful money of the United States of America; (ix) be payable at an office of the Trustee as provided in the Indenture or at such other place designated by the City in the Financing Documents; (x) be subject to optional redemption prior to maturity, and subject to redemption as otherwise provided in the Financing Documents, including mandatory sinking fund redemption, and (xi) contain such other terms and provisions as may be provided in the Financing Documents.

The Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the City, but shall be special and limited obligations of the City, payable solely from the revenues and other amounts derived from the Financing Documents. Forms of the Financing Documents are before this meeting and are by this reference incorporated in this Bond Ordinance, and the Clerk-Treasurer of the City is hereby directed, in the name and on behalf of the City, to insert them into the minutes of the Council and to keep them on file.

Section 5. The Mayor and Clerk-Treasurer of the City are authorized and directed, in the name and on behalf of the City, to sell the Bonds, to the original purchasers thereof at a price not less than the par value thereof. The Mayor and Clerk-Treasurer of the City are hereby authorized to approve and execute a bond purchase agreement, if applicable, for the Bonds with the purchaser in a form approved by such officers, such approval to be conclusively evidenced by the execution thereof.

Section 6. The Mayor and the Clerk-Treasurer of the City are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse and deliver the Financing Documents, submitted to the Council, which are hereby approved in all respects.

Section 7. The Mayor and the Clerk-Treasurer of the City are hereby authorized, in the name and on behalf of the City, without further approval of the Council, to approve such changes in the Financing Documents as may be permitted by the Act, such approval to be conclusively evidenced by their execution thereof; provided, however, that no such changes shall increase the maximum issuance amount of, interest rate on or term of the Bonds as approved by the Council under this Bond Ordinance without further consideration by the Council.

Section 8. The Mayor and the Clerk-Treasurer of the City, and each of them, are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse any and all agreements, documents and instruments, perform any and all acts, approve any and all

matters, and do any and all other things deemed by them, or either of them, to be necessary or desirable in order to carry out and comply with the intent, conditions and purposes of this Bond Ordinance (including the preambles hereto and the documents mentioned herein), the Garage Project, the issuance and sale of the Bonds, and the securing of the Bonds under the Financing Documents, and any such execution, endorsement, performance or doing of other things heretofore effected be, and hereby is, ratified and approved.

Section 9. The provisions of this Bond Ordinance and the Indenture securing the Bonds shall constitute a binding contract between the City and the holders of the Bonds, and after issuance of the Bonds, this Bond Ordinance shall not be repealed or amended in any respect which would adversely affect the rights of the holders of the Bonds as long as the Bonds or interest thereon remains unpaid.

Section 10. The 2019 Ordinance is hereby repealed in its entirety by this Bond Ordinance. All other ordinance or resolutions or parts of resolutions or ordinances in conflict herewith are hereby repealed.

Section 11. This Bond Ordinance shall be in full force and effect from and after its passage and execution by the Mayor.

Section 12. Two copies of the Financing Documents incorporated into this Bond Ordinance were duly filed in the office of the Clerk-Treasurer of the City, and are available for public inspection in accordance with Indiana Code § 36-1-5-4.
