NEW BUSINESS

1. Action Item — GMP #3 for the Park Street Project

This item is a guaranteed maximum price amendment dated June 24th, 2026, to the standard form of agreement between owner and construction manager as constructor, where the basis of payment is the cost of work plus a fee with a GMP dated February 24, 2026. Between Westfield Parks and Recreation Department and FA Wilhelm Construction Co. Inc. will refer to in discussion of the item as the agreement. This is the third amendment to the agreement and would incorporate into the agreement the maximum price of \$1,350,303 for a variety of items and make the GMP for all work under the agreement \$8,75,996. Vice President Mike Hall motion to authorize the director to enter into the GMP amendment dated June 24th, 2026 in agreement with FA Wilhelm Construction.

2. Action Item – Aaron Coleman PSA — Hold the Stars

Madam President requested that Parks Director Chris McConnell provide an overview of the sculpture. Director Chris McConnell presented the first of two related contracts concerning a new public art installation. The agreement is with artist Aaron Coleman, who designed a one-of-a-kind sculpture honoring Westfield's Quaker heritage and its role as a stop on the Underground Railroad. Director McConnell displayed renderings of the sculpture and explained that its design incorporates the Big Dipper symbolizing the stars used by those seeking freedom, along with white oak, representing the wood used in slave ships, and interconnected hands, symbolizing community and connection. Vice President Mike Hall motion to authorize the director to enter into the professional services agreement with Aaron Coleman for \$48,000.

3. Action Item 900 N PSA – Hold the Stars

Madam President requested that Park Director Chris McConnell provide an overview of the Professional Services Agreement with 900 North Studios. Director Chris McConnell presented a Professional Services Agreement with 900 North Studios for the fabrication and installation of the Hold the Stars public art sculpture. He explained that 900 North Studios will work with artist Aaron Coleman to construct the sculpture's metal framework, wood cladding, and complete the installation. The agreement includes a total project cost of \$226,891.10, with an initial payment of \$113,445.55 due upon contract execution and the remaining balance paid according to the project schedule through final installation.

4. Action Item – Signing Authority – 2026 Freedom Trail Restroom and Pickle Ball

Director Chris McConnell presented a request for the Board to grant signature authority for contract associated with the 2026 Freedom Trail Restroom and Pickleball Project. He explained that approving the request would allow contracts to be executed immediately so work could begin while favorable construction weather remained. Director McConnell noted that, pursuant to a new Indiana statute, the signature authority document now includes the mayor's acknowledgment that he has received a description of the project, the related capital improvements, and the funding source. The project will be funded through Park Impact Fee revenues. During discussion, the Board made an administrative correction to the signature authority document, updating the Vice President's name from Kurtis Baumgartner to Mike Hall. Motion: Grant signature authority to Chris McConnell, Parks and Recreation Director, for contracts awarded under the 2026 Freedom Trail Restroom and Pickleball Project, provided the combined value of the contracts does not exceed \$1,500,000.

DIRECTOR'S REPORT

Director Chris McConnell provided updates on departmental programming, capital projects, and staffing.

Programming Updates

- Farmers Market
 - Currently in Week 9.
 - Average attendance is approximately 1,600 visitors per market, placing the market on pace to double last year's attendance, after attendance had already doubled from the previous season.
 - McConnell encouraged residents to attend, highlighting the quality of vendors and overall experience.
- Jams at the Junction

- The June 26 Stella Luna concert was canceled because of weather.
 - The performance has been rescheduled for September 4.
 - The next concert featuring The Y Store is scheduled for July 17.
- **Movies in the Park**
 - Attendance continues to average 300–400 participants per movie.
 - The next movie is scheduled for July 22.
- **Kids Summer Series**
 - Continues every Tuesday through the end of July.
 - Average attendance exceeds 450 participants each week.
- **America 250 Fourth of July Celebration**
 - Staff supported multiple community events, including:
 - The Red, White, and Bloom themed Farmers Market.
 - The Westfield America 250 Parade.
 - Concert and vendor activities in Grand Junction Plaza.
 - McConnell commended staff for their dedication while working long hours during extreme heat.
- Additional recreational programming, including Creek Stomps, workout classes, and wiffle ball, continues to experience strong participation as the department expands its programming offerings.

Capital Project Updates

Freedom Trail Park

- Construction bids are due July 10.
- Contracts are expected to be awarded with a Notice to Proceed by July 17.
- Project includes:
 - New restroom facility.
 - Eight pickleball courts.
 - Two ADA-accessible championship courts.
- Courts are anticipated to open for play later this year, with the entire project substantially complete by Spring 2027.

Park Street Improvements

- Utility relocations are underway.
- Although traffic remains open, motorists are encouraged to avoid the area when possible.
- Staff continues coordinating with nearby restaurants to minimize construction impacts.
- The project remains on schedule for substantial completion by December 2026.

Simon Moon Park

- Following discussions with the design team and contractor, the project is back on schedule.
- Substantial completion is anticipated within three weeks.
- Upon reopening, the following amenities will be available:
 - Playground
 - Pavilion
 - Winter sledding pavilion
 - Outdoor education facility
 - Restored pond at normal water level

Internship Program

McConnell highlighted the success of the department's internship program and recognized Molly O'Connor, Market Manager, for her leadership.

Current interns include:

- Adria – Program Intern
 - Managing the Kids Summer Series.
 - Developing a new event titled Wind and Wonders Day at Freedom Trail Park, featuring wind-related activities such as kite flying and other educational experiences.
- Charlotte – Market Intern
 - Successfully planned and implemented two Farmers Market theme nights:
 - Sweet Summertime
 - Red, White, and Bloom

Board Comments – President Grimmer complimented the Farmers Market, noting that the live music significantly enhances the visitor experience and has become a favorite aspect for her family. Director McConnell responded that live music remains an important part of the market and, while it is an expense, staff is actively pursuing sponsorships and reviewing program fees to reduce reliance on the General Fund while maintaining quality programming. Grimmer also expressed appreciation that the Simon Moon Park project is progressing again after receiving numerous public inquiries regarding its status. Mike Antrim requested that Director McConnell invite his staff to a future Board meeting so they can be recognized for their outstanding work and dedication in supporting the City's successful events.

B. **Contract Terms and Conditions.** This Vendor Contract is subject to the Contract Terms and Conditions set forth in paragraphs 1-28 herein, and the Exhibits attached hereto and made a part hereof. The Parties stipulate that this Vendor Contract supersedes any and all other contracts, agreements or understandings between the Parties related to the subject matter herein.

C. **Amendment.** No alteration, addition, deletion or modification of this Vendor Contract shall be valid or binding unless made in accordance with the contract terms and conditions set forth in this Vendor Contract, including the terms of Paragraph 22 herein.

CONTRACT TERMS AND CONDITIONS

1. **ACKNOWLEDGMENT, ACCEPTANCE:** Vendor has read and understands this Vendor Contract, and agrees that Vendor's written acceptance or commencement of any work or service under this Vendor Contract shall constitute Vendor's acceptance of these terms and conditions.

2. **PERFORMANCE:** Vendor hereby agrees to provide all goods and services necessary to perform the requirements of this Vendor Contract and to execute its responsibilities hereunder by following and applying at all times the highest professional and technical guidelines and standards, with the standard of care consistent with or superior to the skill and care ordinarily exercised by similarly situated professionals practicing in the same or similar jurisdiction at the same or similar time. Vendor expressly warrants that all goods and services covered by this Vendor Contract will conform to the specifications, drawings, samples, instructions, directions or descriptions furnished to or by Contracting Party and will be performed in a timely manner, in a good and workmanlike manner and free from defect. Contracting Party reserves the right at any time to direct changes, or cause Vendor to make changes in the goods and services or to otherwise change the scope of the work covered by this Vendor Contract with a signed Change Order executed by both parties, and Vendor agrees to make such changes promptly. Any difference in price or time for performance resulting from such changes shall be equitably adjusted by Contracting Party after receipt of documentation in such form and detail as Contracting Party may reasonably require.

3. **TIME AND PERFORMANCE:** The work and services under this Vendor Contract shall be completed no later than the Completion Date, as defined herein. The Vendor shall submit for Contracting Party's approval a detailed schedule for the performance of the work and services which shall include allowances for periods of time required for Contracting Party's review and approval of submissions by Vendor. Time limits established by this detailed schedule shall be consistent with the Completion Date. Time is of the essence of this Vendor Contract.

4. **PRICE TERMS:** All of the prices, terms and warranties granted by Vendor herein are at least as favorable to Contracting Party as those offered by Vendor to other customers purchasing similar goods and/or services under the same material term and conditions. Vendor agrees that it will pass on to Contracting Party any discounts and/or savings for prompt payment or rebates for quantity purchasing it receives.

5. **DISCLOSURE, WARNINGS AND INSTRUCTIONS:** If requested by Contracting Party, Vendor shall furnish promptly to Contracting Party, in such form and detail as Contracting Party may direct, a list of all ingredients or components to any goods specified hereunder, including the quality or concentration thereof and any other information relating thereto. Prior to and with the delivery of any recommended goods to be purchased hereunder, Vendor agrees to furnish to Contracting Party sufficient warning and notice in writing (including appropriate labels on goods, containers and packing) of any hazardous material which is an ingredient or a part of any of the goods, together with such special handling instructions as may be necessary to advise the Contracting Party of how to exercise that measure of care and precaution which will best prevent bodily injury or property damage in respect of such goods. Vendor and any subcontracted party associated with Vendor for goods and services provided by this agreement shall maintain at the job site all Material Safety Data Sheets (MSDS) for all products used on the job site. Such MSDS sheets shall be available for inspection upon request.

6. **FORCE MAJEURE:** Any delay or failure of either party to perform its obligations hereunder shall be excused if, and to the extent that it is caused by an event or occurrence beyond the reasonable control of the party and without its fault or negligence, such as, by way of example and not by way of limitation, acts of God, actions by any governmental authority (whether valid or invalid), fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, labor problems (including lockouts, strikes and slowdowns), inability to obtain power, or court injunction; provided that written notice of such delay (including the anticipated duration of the delay) shall be given by the affected party to the other party within ten (10) days after discovery of the cause of such delay. During the period of such delay or failure to perform by Vendor, Contracting Party, at its option, may purchase goods or services from other sources and reduce its schedules to Vendor by such quantities, without liability to Vendor, or have Vendor provide the goods from other sources in quantities and at times requested by Contracting Party at the price set forth in this Vendor Contract.

7. **LIENS:** Vendor shall not cause or permit the filing of any lien. In the event any such lien is filed and Vendor fails to remove such lien of record within thirty (30) days after the filing thereof, by payment or bonding, Contracting Party shall have the right to pay such lien or obtain such bond, all at Vendor's sole cost and expense. Vendor shall indemnify and hold harmless Contracting Party from and against any and all liability, loss, judgments, costs and expenses, including reasonable attorneys' fees, incurred by Contracting Party in connection with any such lien.

8. **DEFAULT:** In the event Vendor commits any of the following (each, a "Default"):

- (a) repudiates or breaches any of the terms of this Vendor Contract, including, without limitation, Vendor's representations;
- (b) fails to perform services or deliver goods as specified by Contracting Party;
- (c) fails to make progress for reasons within the Vendor's control so as to endanger timely and proper completion of services, and does not correct such failure or breach within ten (10) days (or such shorter period of time if commercially reasonable under the circumstances) after receipt of written notice from Contracting Party specifying such failure or breach; or
- (d) becomes insolvent, files, or has filed against it, a petition in bankruptcy, for receivership or other insolvency proceeding, makes a general assignment for the benefit of creditors or (if Vendor is a partnership or corporation) dissolves,

Contracting Party shall have the right (1) to terminate all or any part of this Vendor Contract, without liability to Vendor; (2) to perform or obtain, upon such terms and in such manner as it deems appropriate in its sole discretion, the goods and/or services which were to be provided by Vendor and Vendor shall be liable to Contracting Party for any reasonable and immitigable excess costs above the costs of this Vendor Contract incurred by Contracting Party in performing or obtaining

such similar goods and/or services; and (3) to exercise any other right or remedy available to Contracting Party at law or in equity.

9. **LIMITATION OF CONTRACTING PARTY'S LIABILITY:** Vendor agrees that Vendor shall look solely to Contracting Party's interest in and to the City of Westfield property, including, without limitation, any management fee, if applicable, subject to prior rights of any mortgagee or ground lessee of the City property, for collection of any judgment (or other judicial process) requiring payment of money by Contracting Party in the event of default or breach by Contracting Party of any of the covenants, terms or conditions of this Vendor Contract to be observed or performed by Contracting Party, and that no other assets of Contracting Party shall be subject to levy, execution or other process for satisfaction of Vendor's remedies.

10. **REQUIRED INSURANCE AND INDEMNIFICATION:**

- (a) Vendor shall purchase and maintain the following insurance, with the following limits, in connection with any claims that may arise out of or result from Vendor's operations, whether performed by Vendor or anyone for whose acts Vendor may be liable:

Worker's Compensation	Required.
Employer's Liability	\$1,000,000 each accident, \$1,000,000 disease each employee, and \$1,000,000 disease policy limits.
Commercial General Liability (CG0001) , including Personal Injury, Premises Operations, including explosion, collapse or underground property damage hazards, including costs to repair or replace damaged work. (The Commercial General Liability Insurance may be arranged under a single policy for the full limits required or by a combination of underlying policies with the balance provided by an Excess or Umbrella Liability Policy).	\$1,000,000 Per Occurrence and \$2,000,000 General Aggregate.
Commercial Automobile Liability , including Owned, Non-Owned and Hired Car coverages.	\$1,000,000 Combined Single Limit for Bodily Injury and Property Damage.

- (b) The insurance shall be procured from companies authorized to do business in the state of Indiana. Except as otherwise expressly set forth herein, coverage shall be on an occurrence basis. All insurance procured or maintained by Vendor on which Contracting Party is an additional insured, shall be primary. Any insurance maintained by Contracting Party shall be considered excess and non-contributory. Vendor shall permit Contracting Party to examine the actual policies upon request at the Vendor's offices where the policy is stored.
- (c) A Certificate of Insurance acceptable to Contracting Party shall be submitted to Contracting Party prior to commencement of any work hereunder, including,

without limitation, a certificate issued by the Industrial Board or other appropriate agency in the State of Indiana showing that the Worker's Compensation and other employee benefit insurance is in full force and effect. Each insurer shall possess an A.M. Best's rating of no less than A-VIII as of inception of this Vendor Contract. The Certificate of Insurance shall contain a provision that coverage shall not be canceled unless at least thirty (30) days' prior written notice has been given to Contracting Party. The Certificate of Insurance shall name Contracting Party as an additional insured with respect to all but the Worker's Compensation and Employee Liability coverage. The additional insured endorsement shall state that coverage is afforded the additional insured as primary and non-contributory. In addition, each Certificate of Insurance shall provide that the Certificate Holder is Contracting Party, c/o City of Westfield Parks Department. Vendor shall not have earned any fees nor be due any payments hereunder unless and until such Certificate of Insurance is received by Contracting Party.

- (d) Vendor shall defend, indemnify and hold harmless Contracting Party, and its employees, officers, officials, representatives, and attorneys from and against any and all liability, claim, damage, loss, suit or expense (including, without limitation, court costs and reasonable attorneys' fees) resulting or arising from the terms of this Vendor Contract or any act, error, or omission of Vendor, its agents, employees, representatives, or subcontractors, but not to the extent arising directly out of the negligence of Contracting Party. This subparagraph (d) shall survive the expiration or termination of this Vendor Contract.
- (e) Without limiting anything set forth in this paragraph 10, the following additional insurance coverage limits are required for the professional engineering services specifically required by the scope of the contracted goods and services: \$1,000,000 per claim and \$1,000,000 general aggregate professional liability, with retroactive coverage to the earlier of date of execution of Vendor Contract and commencement of any work and coverage for a minimum period of two (2) years after professional services completion.
- (f) If Vendor fails to maintain the insurance as set forth herein, Contracting Party may terminate this Vendor Contract immediately or, at the option of Contracting Party, Contracting Party may obtain insurance on the Vendor's behalf and offset the cost of insurance related to the contracted services against any payments due Vendor.

11. **SAFETY**: Vendor shall, related to the goods and/or services hereunder, fully comply with any and all known federal, state and local safety performance standards and all additional applicable laws, ordinances, rules, regulations and orders of public authorities having jurisdiction over the work area and the goods and services provided hereunder. Without limiting the foregoing, Vendor shall also comply with Contracting Party's Project Rules, a copy of which is attached hereto as Exhibit A and made a part hereof. Compliance with such standards, laws, ordinances, rules, regulations and orders shall be at the sole cost of Vendor. Violations can and/or will result in immediate corrective and disciplinary actions being taken, including, without limitation, termination of this Vendor Contract. If this Vendor Contract is terminated pursuant to this paragraph 11, Contracting Party shall not be required to make any further payments to Vendor except for conforming goods and services rendered prior to such termination. A safety representative employed by Contracting Party or an insurer may, from time to time, conduct safety inspections and submit safety findings. Vendor shall, at its expense,

implement any reasonable abatement procedures recommended by such safety representative or insurer related to the contracted services.

12. **SETOFF**: In addition to any right of setoff provided by law, all amounts due Vendor shall be considered net of indebtedness of Vendor to Contracting Party, and Contracting Party may deduct any amounts due or to become due specific to the goods and services provided for the project from Vendor to Contracting Party and its affiliates and subsidiaries from any sums due or to become due from Contracting Party to Vendor.

13. **ADVERTISING, PUBLICITY AND PUBLIC RELATIONS**: Vendor shall not, without first obtaining the express written consent of Contracting Party, in any manner advertise or publish the fact that Vendor has contracted to furnish Contracting Party the goods and services herein contracted, or use any trademarks or tradenames of Contracting Party's advertising, promotional materials or web sites. In the event of Vendor's breach of this provision, Contracting Party shall have the right to terminate the undelivered portion of any services covered by this Vendor Contract and shall not be required to make further payments except for conforming services rendered prior to termination.

14. **GOVERNMENT COMPLIANCE**: Vendor agrees to comply with all present federal, state and local laws, orders, rules, regulations, codes and ordinances which may be applicable to Vendor's performance of its obligations under this Vendor Contract, and all provisions required thereby to be included herein, are hereby incorporated by reference. Vendor agrees to indemnify and hold harmless Contracting Party from and against any loss, damage, liability, cost or expense (including, without limitation, reasonable attorneys' fees) resulting from any violation of such laws, orders, rules, regulations, codes or ordinances.

15. **NO IMPLIED WAIVER**: The Parties agree that the failure to enforce any provision or obligation under this Vendor Contract shall not constitute a waiver thereof or serve as a bar to the subsequent enforcement of any such provision or obligation under this Vendor Contract.

16. **NON-ASSIGNMENT**: Vendor shall not assign or pledge this Vendor Contract and shall not delegate its obligations under this Vendor Contract without Contracting Party's express written consent.

17. **RELATIONSHIP OF PARTIES**: Vendor and Contracting Party are independent contracting parties and not agents, employees, partners, joint ventures or associates of one another, and nothing in this Vendor Contract shall make either party the agent or legal representative of the other for any purpose whatsoever, nor does it grant either party any authority to assume or to create any obligation on behalf of or in the name of the other. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Vendor shall pay all wages and appropriate expenses of its employees, including, without limitation, all federal, state and local taxes, social security taxes and other employment or personnel taxes or assessments. Contracting Party shall not be liable for any injury (including death) to any persons, or any damages to any property incurred in connection with the performance of this Vendor Contract.

18. **GOVERNING LAW**: This Vendor Contract is to be construed in accordance with and governed by the laws of the State of Indiana. Hamilton County courts shall have exclusive jurisdiction of any legal action arising out of this Vendor Contract or Vendor's provisions of the goods or services contemplated hereunder.

19. **SEVERABILITY**: If any term of this Vendor Contract is invalid or unenforceable under any statute, regulation, ordinance, or other rule of law, such term shall be deemed reformed or deleted, but only to the extent necessary to comply with such statute, regulation, ordinance, contract or rule, and the remaining provisions of this Vendor Contract shall remain in full force and effect. The invalidity of any section, clause, or provision of this Vendor Contract shall not affect the validity of the remaining sections, subsections, clauses, or provisions of this Vendor Contract.

20. **NOTICE**: Any notice provided for in this Vendor Contract will be sufficient if given by certified mail return receipt requested, electronically, or by reputable overnight courier service, to the party to be notified at the address specified in this Vendor Contract. If sent electronically, the notice shall be deemed to have been given upon electronic confirmation of receipt. If sent by overnight courier, the notice shall be deemed to have been given one (1) day after sending. If mailed, the notice shall be deemed to have been given on the date that is three (3) business days following mailing. Either party may change its address by giving written notice thereof to the other party.

21. **TERMINATION**: Contracting Party may terminate this Vendor Contract (a) immediately, in the event of a Default by Vendor, or (b) at any time without cause upon seven (7) days' prior written notice to Vendor. In the event of such termination, Vendor shall be entitled to receive only payment for conforming goods delivered as of the date of termination and compensation for services which have been accrued pro rata as of the date of termination, after deduction of all of Contracting Party's costs and expenses, including, without limitation, reasonable attorneys' fees, incurred in connection with any Default by Vendor.

22. **ENTIRE AGREEMENT**: This Vendor Contract, together with any attachments, exhibits, or supplements, specifically referenced in this Vendor Contract, constitutes the entire agreement between Vendor and Contracting Party with respect to the matters contained herein and supersedes all prior oral or written representations and agreements. This Vendor Contract may only be modified by a written instrument executed by both parties. Each signatory that executes this Vendor Contract stipulates that they have executed this Vendor Contract with the proper authority duly granted to bind that party.

23. **OFAC COMPLIANCE**: The Office of Foreign Assets Control (OFAC) prohibits US persons from entering into transactions with individuals, groups, and entities, such as terrorists, narcotics traffickers and those engage in activities related to the proliferation of weapons of mass destruction, collectively referred to as Specially Designated Nationals ("SDN"). If the name of Vendor or any individual in a management position with Vendor is discovered on the SDN list, published by OFAC, such discovery shall constitute a material breach of this Vendor Contract. Contracting Party shall promptly notify Vendor, which shall have three (3) days in which to provide to Contracting Party clear and convincing evidence that (a) neither Vendor nor any individual in a management position with Vendor is an SDN, (b) the transaction is authorized by OFAC or (c) a statutory exemption exists that permits Contracting Party to do business with Vendor. Should Vendor fail to do so, then Contracting Party shall terminate this Vendor Contract for cause without further notice or grace period.

24. **IRCA COMPLIANCE**: Pursuant to Ind. Code § 22-5-1.7-11, Vendor, by entering into this Vendor Contract with Contracting Party, is required to enroll in and verify the work eligibility status of all of its newly hired employees through the E-Verify program. Vendor is not required to verify the work eligibility status of all newly hired employees through the E-Verify program if the E-Verify program no longer exists. By executing this Vendor Contract, Vendor affirms that it does not

knowingly employ an unauthorized alien. Vendor shall comply with The Immigration Reform and Compliance Act of 1986 ("IRCA") and all other applicable federal, state and local immigration laws, regulations, Executive Orders ("other immigration laws") and by executing this Vendor Contract, warrants that it is in full compliance with all applicable immigration laws including, but not limited to, IRCA and has used E-Verify to pre-screen job applicants and re-verify current employees. Vendor shall immediately remove any employee known to be an unauthorized alien. Failure to comply with IRCA or other immigration laws shall constitute a material breach of this Vendor Contract. Vendor shall indemnify Contracting Party against all damages, losses and expenses, including reasonable attorneys' fees, incurred or sustained by the Contracting Party as a result of Vendor's failure to comply with IRCA or other immigration laws. Vendor shall include this provision in any subcontracts or subordinate agreements it enters into with respect to this Vendor Contract. Vendor shall also sign and have notarized the Affidavit of Employee Status (Exhibit C).

25. **NON-DISCRIMINATION:** Vendor agrees that it, and its subcontractors, will not discriminate against any employee or applicant for employment to be employed in the performance of this Vendor Contract, with respect to the employee's hire, tenure, terms, conditions or privileges or employment, or any matter directly or indirectly related to employment, because of the employee's race, religion, color, sex, disability, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of the Vendor Contract.

26. **IRAN CERTIFICATION:** Vendor hereby certifies, in accordance with I.C. 5-22-16.5-1 et seq., to have no engagement in investment activities in Iran as defined in the above cited statute.

27. **NON-APPROPRIATION:** The Parties acknowledge that Contracting Party is a governmental entity whose funds are subject to appropriation by its fiscal body. Therefore, if at any time during the initial term or subsequent term of this Vendor Contract, Contracting Party's fiscal body should fail to appropriate sufficient funds to continue this Vendor Contract, it will become null and void. Contracting Party shall not be obligated to perform unless and until sufficient funds are appropriated. Contracting Party agrees to seek funding for the continuation of this Vendor Contract during each budget cycle during the initial term or subsequent term of this Vendor Contract. Contracting Party agrees to inform Vendor in writing of any such non-allocation of funds at the earliest possible date, and shall pay for all services and/or goods provided prior to exhaustion of the appropriated funds.

28. **COUNTERPARTS:** This Vendor Contract may be executed simultaneously in one or more counterparts, each of which shall be considered an original, but all of which together constitute one Vendor Contract. Delivery of this Vendor Contract may be accomplished by facsimile.

Project Rules

In an effort to have COMPLETE CUSTOMER SATISFACTION, we have prepared the following Project Rules. Your personnel and all subcontracted parties shall comply with these rules without exception. Failure to follow Project Rules may be grounds for project dismissal and potentially contract termination. Following these rules will help us collectively acquire COMPLETE CUSTOMER SATISFACTION.

SITE ACCESS

- ☐ General: Vendor/Contractor (“Contractor”) shall have limited use of Project site for construction operations as indicated on Drawings by the Contract limits.
- ☐ Use of Site: Limit use of Project site to areas within the Contract limits indicated. Do not disturb portions of Project site beyond areas in which the Work is indicated.
- ☐ Driveways, Walkways and Entrances: Keep driveways, loading areas, and entrances serving premises clear and available to City, City's employees, and emergency vehicles at all times. Do not use these areas for parking or storage of materials.
- ☐ Schedule deliveries to minimize use of driveways and entrances by construction operations and reduce space and time requirements for storage of materials and equipment on-site.
- ☐ Restricted Site Access: The only egress point to and from the Project area shall be as dictated by the City or authorized City's representative. Coordinate work activities in advance.
- ☐ All construction personnel will be required to have photo identification with them at all times on the project. All construction personnel shall also carry Vendor identification with them or wear hardhats with company logo and the employee's name visible to determine their site permissions.
- ☐ Noise, Vibration, and Odors: Coordinate operations that may result in high levels of noise, vibration, odors, or other disruption to occupied areas of the Project, as applicable.
- ☐ Notify City(s) not less than five days in advance of proposed disruptive operations. Obtain City(s) written permission before proceeding with disruptive operations.
- ☐ Perform work with least possible disturbance to occupants of existing facilities.
- ☐ Contractor shall seek approval from City or City representative before beginning any work outside of the approved project limits or area.
- ☐ Prior to commencing the Work, the Contractor shall tour the Project site to **examine and record** any existing damage to adjacent site or building improvements to serve as a basis for determination of subsequent damage due to Contractor's operations. Contractor shall submit such report to the City prior to commencing work.

LIMITED CITY OCUPANCY (If Applicable)

- ☐ The City and its partners intend to occupy parts of the Project immediately upon completion and when safe access is available. Your work must be coordinated in advance to limit the exposure of construction activities to occupants of the Project.
- ☐ Before limited City occupancy of any building, the mechanical and electrical systems shall be fully operational, and required tests and inspections shall be successfully completed. On occupancy, City will operate and maintain mechanical and electrical systems serving occupied portions of Work.

- ❑ On occupancy, City will assume responsibility for maintenance and custodial service for occupied portions of Work.

MATERIAL MANAGEMENT PLAN

- ❑ Contractors shall prepare a Site Utilization Plan to be submitted to the City for review and approval.
- ❑ The site use plan shall include but not be limited to the following items:
 - Material storage areas (identify material and ownership).
 - Equipment compounds.
 - Temporary utilities required
 - Trash and waste containers required for environmental disposal of waste.
 - Any other specific items requiring coordination with the City, Project partners or other trade contractors.
- ❑ Safe and protected storage of materials and equipment of the Contractor is the responsibility of the Contractor. All materials stored by the Contractor on the site are to be protected in a manner to not jeopardize their warranty or quality of material finish.

CLEAN UP

- ❑ During the progress of the Work, the Contractor shall keep the site and other areas free from accumulation of waste materials, rubbish and other debris, as provided in the contract. Removal and disposal of such waste materials, rubbish, and other debris shall conform to applicable Laws and Regulations in the most environmentally sensitive manner possible. Burial of waste materials, rubbish, and other debris on the site is strictly prohibited.
- ❑ Contractor shall provide daily cleaning of their work areas including sweeping and trash/debris/rubbish removal. Contractor shall be responsible for moving trash to the designated refuse areas for disposal by others.
- ❑ At no time shall a contractor block an egress path without the expressed consent of the City or authorized City representative.
- ❑ At the completion of the Work, the Contractor shall remove from the site all tools, appliances, construction equipment, machinery, trailers, and temporary structures/utilities that they erected as well as surplus materials, rubbish and trash.

WORK HOURS

- ❑ It is the expectation of City that ALL Contractors and subcontractors limit work to normal business working hours, Monday through Friday, unless otherwise required or approved in advance by City.
- ❑ The Work of this Project shall be accomplished during normal working hours and days. Contractors planning to work on weekends or observed holidays must schedule with the authorized Owner agent, no later than 48 hours prior to the anticipated work day.
- ❑ Normal working hours and days are defined as:
 - Mondays through Fridays, 7:00 a.m. to 6:00 p.m. (typical)
 - Weekends (Saturday and Sunday), as scheduled and approved in advance by the City.
 - No work shall be performed on days of normal observance of the following holidays:
 - New Year's Day
 - Memorial Day
 - Independence Day
 - Labor Day
 - Thanksgiving Day and the Friday following
 - Christmas Day
- ❑ Requests for work on non-normal work days or outside the defined normal working hours of this project, does not constitute an approval of said request and may need to be rescheduled to provide adequate security and supervision as required by Contract.

- ❑ No use of power actuated tools or hammer drills is permitted at an occupied City building or adjacent to private residence and/or business between the hours of 7:00 AM and 5:00 PM, or as directed by City officials

PUBLIC ACCESS AND SAFETY

- ❑ Contractor is responsible to provide all safety measures required and implied as necessary to protect all persons on the Project site and all persons and public adjacent to their construction zones. It is not the responsibility of the City to specify measures to be taken.
- ❑ Comply with applicable safety and security regulations of all authorities having jurisdiction. These regulations set forth minimum requirements. Contractor shall not reduce his normal safety provisions or ignore safety regulations required by other authorities having jurisdiction where other requirements are more stringent.
- ❑ The Contractor shall provide, for coordination, and information, all material safety data sheets or other hazard communication information required to be made available to or exchanged between or among employers at the Site in accordance with Laws or Regulations. Contractors must provide updated and current information as it becomes available.
- ❑ In the case of an emergency affecting the safety or protection of persons or the Work or property at the Site or adjacent areas, the Contractor shall act to prevent threat of damage, injury, or loss. The Contractor shall immediately notify the City. Within 24 hours the Contractor shall provide written notification and documentation of the event, indicating if he believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby or are required as a result thereof.
- ❑ The Contractor shall designate a qualified, experienced safety representative at the Site.

SITE DECORUM

- ❑ Contractor and subcontracted employees shall conduct themselves in a professional manner in all areas of the City.
- ❑ Refrain from contact with the general public. When this cannot be avoided, Contractor's and the subcontractor's employees are to be courteous at all times.
- ❑ Proper work attire shall be required at all times on the Project. In addition to the required personal protective devices and attire required to perform work safely, all site workers are to wear clothing appropriate for the work that they are performing. Clothing with inappropriate language or pictures are strictly forbidden.
- ❑ Contractor shall control the conduct of its employees so as to prevent unwanted interaction initiated by Contractor's employees with City/Project personnel, public, other contractors and their employees, or other individuals, in the vicinity of the project site. In the event that any Contractor employee initiates such unwanted interaction, or utilizes profanity, Contractor shall, either upon request of the City or on its own initiative, replace said employee with another of equivalent technical skill, at no additional cost to the City.
- ❑ No radios, other than two-way communication type, will be allowed on the Project site.
- ❑ Smoking or the use of any tobacco products (including chew and snuff) is **NOT ALLOWED** on the Project or any City-owned properties.
- ❑ Water is allowed in Project buildings however ALL other beverages and food are only permitted in designated break areas.
- ❑ Use of any controlled substances on City's property is not permitted.
- ❑ No alcoholic beverages, illegal drugs, controlled substances or firearms of any kind are permitted on the construction site. Any persons found on the site with such in their possession will be escorted from the premises and not permitted to return.

- ❑ Fighting and horseplay on the project site are absolutely forbidden. Participants in fights will be escorted from the premises and not permitted to return.

PARKING

- ❑ Project parking is allowed at designated areas of the Project.
- ❑ Personal vehicles are to remain in provided parking areas.
- ❑ Only approved company work vehicles are allowed on the project site. This effort is dictated to prevent damage to site and other improvements and promote a safe project by minimizing project congestion.
- ❑ For Construction LOADING AND UNLOADING ONLY:
 - Contractors shall be allowed to deliver daily equipment and materials to the Project construction areas so as long that they minimize the impact and risk of damage to existing site and project improvements.
 - Delivery of materials, equipment and products associated with the completion of your scope of work must be coordinated in advance.

UTILITY COORDINATION

- ❑ All excavations shall be completed in accordance with City and OSHA standards. Due to the amount of public and private utilities in and around Grand Park, all excavations must utilize a hydro-vac when area of disruption is appropriately sized.
- ❑ Limit construction operations to those methods and procedures which will not adversely and unduly affect the working environment of City's occupied spaces, including noise, dust, odors, air pollution, ambient discomfort, poor lighting, hazards and other undesirable effects and conditions.
- ❑ Notify the City one week in advance of construction activities which will impact the occupancy and use of adjacent areas.
- ❑ Do not interrupt power, lighting, plumbing, telephone and HVAC services to occupied areas. Interruptions must be scheduled a minimum of two days in advance, receive City's approval, and be made known to users of the area a minimum of 24 hours in advance of the actual interruption.
- ❑ Contractor to connect to temporary utilities as designated by the contract documents or by the City. The Contractor will be responsible for installing and removing all temporary utilities, unless directed otherwise.
- ❑ Contractor shall be responsible for site drainage and maintaining erosion control as required.

USE OF ROADWAYS AND PATHS

- ❑ Comply with limitations on use of public streets and with other requirements of authorities having jurisdiction.
- ❑ Use of the City Park paths or perimeter trails, including those at Grand Park, is discouraged but we understand that in many cases cannot be avoided. Please coordinate in advance any vehicle or equipment size and weight with the City prior to mobilizing on site.
- ❑ Where materials are transported in the performance of this Work, do not load vehicles beyond the capacity recommended by the manufacturer of the vehicles or prescribed by any applicable state or local law or regulation.
- ❑ Provide protection against damage whenever it is necessary to cross existing paths, sidewalks, curbs, and gutters on the City project. Repair and make good at the expense of Contractor all damages thereto, including damage to existing utilities and paving, arising from the operations under the Contract.

- ❑ Access onto any athletic field at Sports Campus at Grand Park or onto any City owned property with irrigation installed is strongly discouraged. Contractor shall protect all playing surfaces and site utilities that could be compromised by the construction activities of the Contractor.
- ❑ Truck staging is not allowed on any City street surrounding the Project.
- ❑ Promptly clean all public right-of-ways should dirt or other debris from site be deposited on roads and streets by the Contractor or vehicles used to deliver or conduct the scope of this agreement.
- ❑ It is the responsibility of ALL Contractors to provide flag person(s) at pedestrian crossings of construction equipment at right of ways or pedestrian paths one hundred percent of the time such equipment is operating.

TRAFFIC CONTROL

- ❑ Provide temporary traffic control barriers to ensure safety of all persons and property.
- ❑ Contractor shall provide all flag person(s) necessary to maintain vehicular and pedestrian traffic affected by deliveries and work performed under their scope. All flag person(s) shall be certified through the union hall or other body having the authority to provide this training.
- ❑ Contractor shall provide traffic control for vehicular traffic leaving and entering the site.

CRANES & HOISTING

- ❑ All hoisting and cranes required to perform the scope of your work is the responsibility of the Contractor to install, provide and operate in accordance with all safety regulations of the authorities having jurisdiction. This includes all temporary hoisting required by job conditions for the installation of materials and equipment.

TEMPORARY SHORING AND BRACING

- ❑ Provide temporary shoring and bracing as required for execution of the Work. ALL shoring and bracing shall be engineered by the Contractor and comply with safety regulations of authorities having jurisdiction.

TEMPORARY BARRICADES

- ❑ Provide temporary barricades as necessary for the execution of the work. Maintain barricades in a clean and neat condition until no longer required and removal is approved or requested.
- ❑ Provide temporary barriers or partitions as required to protect any project workers or the general public from injury due to work of this project, and to protect adjacent areas of the project from spread of dust or dirt.
- ❑ When Work involves modification to an existing egress corridor within an existing building, the Contractor shall provide temporary barricades as necessary, constructed in a manner that maintains the fire resistive integrity of the affected corridor(s). Construction and placement of the barricades shall be approved by the City project representative and the authority having jurisdiction.

CONSTRUCTION SIGNAGE

- ❑ Advertising Signage: The use of Contractor/subcontractor advertising signage is strictly prohibited.
- ❑ No ground-mounted signage is allowed on the project site without the expressed written consent of the City.
- ❑ Signage is authorized on construction trailers and corporate-owned equipment and vehicles. Such signage cannot exceed 6' by 4' (24 square feet) in size. Trailers in violation shall be removed from the site by the Contractor and the Contractor shall have the site storage privileges revoked
- ❑ Signage to be fabricated from new materials and constructed from materials able to withstand construction use/abuse and exposure based upon its proposed installation location for its intended use.

☐ Project Specific Signage:

- ALL signage shall be as approved by the City and the authority having jurisdiction.
- All employee personnel informational signage shall be bilingual (English and Spanish) as requested by the City.
- All project specific signage shall include the City logo and project name incorporated into the design of each sign for the project.

TEMPORARY FACILITIES

- ☐ Erect and maintain, for duration of operations and in locations as approved, suitable temporary office facilities as required for Contractor's administration of the Work. Provide necessary sheds and facilities for the storage of tools, materials, and equipment employed in the performance of the Work. Temporary buildings shall be watertight with raised solid floors, solid sheathed and composition roofs, and adequately glazed and screened windows for light and ventilation. Temporary buildings shall be painted colors as approved. Contractor shall furnish daily janitorial service in the trailer. Provide stairs and handicapped ramp per code.

RUBBER TIRED EQUIPMENT

- ☐ Where carts, hand trucks, wheelbarrows, and similar wheeled conveyances are used in interior spaces or on finished surfaces (including synthetic turf fields) on or in any portions of any structure, equipment shall be equipped with pneumatic tires or other tire approved by the City.

REMOVAL OF TEMPORARY FACILITIES

- ☐ Temporary facilities, barricades, utilities and other construction of temporary nature shall be removed from the Project site as soon as the progress of the work will permit in the opinion of the City; and the portions of the Project site and building occupied by same shall be reconditioned and restored to original condition.
- ☐ Legally dispose of all debris resulting from removal and reconditioning operations.

VIOLATIONS

- ☐ Any violator of site restrictions will be subject to removal from the site, with recourse for schedule or cost impact.

GENERAL SAFETY PRECAUTIONS

- ☐ Safe working practices shall be observed at **all times**. The safety of your employees, the buildings and the work site is considered to be paramount. All work shall be conducted and completed by the guidelines set forth by the Federal, Local and State Authorities.
- ☐ The City of Westfield is a "Safe City". Any worker or person on a jobsite shall have 100% protection as defined by OSHA for the hazards that they may be exposed. This includes but is not limited to 100% eye protection, hard hat and hi-visibility vest at all times when on-site.
- ☐ Proper gloves are to be used to limit abrasions and cuts. Hearing protection shall be accessible to employees and used whenever exposed to noises that require such protective devices.
- ☐ Fall protection shall be worn, observed or employed when working at a height greater than 6' unless approved in writing by the City and OSHA/IOSHA. This fall protection directive is to be used at all times and includes activities utilizing articulating boom lifts, scissors lifts, ladders, scaffolding and any other activity where workers are exposed to a fall and shall compile with the provisions of OSHA and IOSHA.
- ☐ Any and all "Hot Work" shall have an appropriate fire extinguisher immediately accessible and be pre-approved by the City officials.

- ❑ All electrical service shall be properly protected with a GFCI, including the use of extension cords on permanent power.
- ❑ Eye protection shall be worn at all times when cutting, grinding, chipping, drilling or using power actuated tools.
- ❑ Safety manuals and MSDS sheets must be turned in to the assigned City representative prior to commencing work on site. These manuals are still to be maintained by the Contractor on site for use and reference by any authority having jurisdiction.
- ❑ The City of Westfield is a “Safe City”. In the event of an accident or near-miss, the employees involved may be required to perform a drug and alcohol screening prior to being able to continue working on site.

Non-compliance with the foregoing Project Rules shall result in disciplinary procedures up to and including removal from the project and termination of your contract.

Memo

DATE: August 5, 2026

RE: City of Westfield Parks and Recreation Department's Special Purchase of seven (7) Americana Shelters including installation services

Contractor Name: Midstates Recreation

Amount and type of contract: Purchase contract for equipment; \$156,104.46

Description of supplies purchased: Seven (7) Americana Shelters 3-post 10' x 25' Osage style Shelters, 24" W Panel Roofing

Written Determination for Basis:

Pursuant to Ind. Code § 5-22-10-3, this special purchase is for Seven (7) Americana Shelters has been procured via the Source Well purchasing program, pursuant to Ind. Code § 36-1-7-12 and Ind. Code § 5-22-4-7.

This purchase is being made at a substantial savings to the City of Westfield (Ind. Code § 5-22-10-5) and at a discount (Ind. Code § 5-22-10-12). While the market structure is based on price, the City was able to receive a price discount from Midstates Recreation. Specifically, use of the Source Well Purchasing Program allowed Public Works to purchase the Seven (7) Americana Shelters at a price 10% less than market price of the structures. The cost savings for the City is more than \$6,855.00.
