PETITION HISTORY

This petition was introduced at the September 11, 2023 City Council meeting. The discussion for this petition can be viewed [here](#). The petitioner held a neighbor meeting on September 27, 2023 which resulted in no public comments. A public hearing was held at the October 2, 2023 Advisory Plan Commission (the “Plan Commission”) meeting. The discussion from this meeting can be found [here](#).

A workshop meeting for this petition is scheduled to be held at the November 20, 2023 APC meeting.

This filed petition is related to the following previous applications associated with the subject 50.64 -acre real estate located northeast of the intersection at Spring Mill Rd. and SR 32.

- 09/23/2019
 - o Real estate incorporated into Spring Mill Centre PUD Zoning District
 - o Original Zoning Ordinance (Ord. [Ord. 19-28](#))
- 02/01/2020
 - o Primary Plat and Overall Development Plan approved
 - o Docket No. 2012-ODP-18 and 2012-SPP-18

PROJECT OVERVIEW

Location: This subject real estate is approximately 50.64 acres in size and is generally located northeast of the intersection at Spring Mill Rd. and SR 32 (see [Exhibit 2](#)). The Property is currently zoned the Spring Mill Centre PUD District, which was originally adopted at the September 23, 2019 City Council meeting. Adjacent zoning districts include AG-SF1: Agriculture / Single-family Rural District to the north, Wheeler Landing PUD to the east, Maple Knoll PUD to the south, and EI: Enclosed Industrial District to the west.

Project Description: The petitioner is requesting an amendment to the Spring Mill Centre PUD District to include provisions for proposed signage on the real estate as further described below.

(report continues on next page)

ORDINANCE DETAILS

The original Spring Mill Center PUD ([Ord. 19-28](#)) is silent on modifying the default Unified Development Ordinance (UDO) sign standards applicable to the real estate. Moreover, the petitioner is not proposing to modify the existing language within the Spring Mill Center PUD, but rather proposing to add specific language that address the requested signage to be permitted on the real estate.

Development Standards:

The proposed amendment includes the addition of the following sign standards as part of the overall Development Standards associated with the real estate.

- ***Monument Signs (Center Only) – aka “Center Signs”***
 - o By default, the UDO permits one (1) “Center Sign” for the Property
 - o The proposed PUD Amendment would:
 - Establish a maximum height of seventeen (17) feet for such “Center Sign”; and
 - Regulate the “Center Sign” per the standards set forth in Section [6.17\(J\)\(2\)\(a\)\(iii\)](#).

Update since last meeting –

- Removal of request for two (2) additional “Center Signs” beyond the one (1) permitted.
- Commitment to maximum overall “Center Sign” height of seventeen (17) feet.

- ***Out-lot individual Monument Signs***
 - o The proposed PUD Amendment would:
 - Permit seven (7) out-lot individual Monument Signs in lieu of zero (0) as permitted by the default UDO standards;
 - Require each of the seven (7) requested Out-lot individual Monument Signs to be regulated per the standards set forth in Section [6.17\(H\)\(2\)](#);
 - Limit the maximum overall height of out-lot individual Monument Signs to seven (7) feet in lieu of nine (9) feet; and
 - Require fifty (50) percent of the Sign Area square footage of out-lot individual Monument Signs to count against the user’s permitted Sign Area Allocation as permitted in the UDO in lieu of zero (0) percent.

Updates since last meeting –

- Increase in request from five (5) to seven (7) out-lot individual Monument Signs.
- Commitment to maximum sign height of seven (7) feet.
- Commitment to count fifty (50) percent of the Sign Area square footage for out-lot individual Monument Signs against the user’s permitted Sign Area Allocation* (see below).

* Each out-lot is permitted a Sign Area Allocation (The amount of permitted signage available to a particular Use or tenant). One-hundred (100) percent of the sign area square footage for wall, awing, under canopy signage counts against this cumulative total permitted Sign Area Allocation (no change here). The PUD amendment proposes to count fifty (50) percent of the Sign Area square footage for out-lot individual Monument Signs against the user’s total permitted Sign Area Allocation.

Exhibits:

The proposed amendment includes two (2) visual aid exhibits as described below:

- *“Signage Character Illustrations”*
 - o Establishes the overall character and quality of proposed signage associated with this amendment request.
- *“Approximate Locations of Ground Mounted Signs”*
 - o Establishes the general locations of proposed signage associated with this amendment request.
- *“State Road 32 Signage Exhibit”*
 - o Provides a snapshot of the existing, approved, and requested signage along the State Road 32 corridor from roughly Wheeler Road to Ditch Road (see **Exhibit 6**).

Below is a guide to assist in understanding what signage is currently permitted throughout the real estate and what is being requested to be permitted as part of this proposed PUD amendment.

COMPREHENSIVE PLAN

The real estate falls within the Employment Corridor land use area of the Westfield-Washington Township Comprehensive Plan (the “Comprehensive Plan”). Office and service uses, research and development, and retail and institutional uses that are subordinate to and supportive of the office and service uses are contemplated as appropriate uses within the Employment Corridor area.

This real estate is also included in an area that was further studied in the Family Sports Capital of America Addendum. As a part of The Family Sports Capital of America Vision, as stated in the Addendum, “...it is anticipated that other related and supporting land uses will be located within, adjacent to and nearby the Sports Campus.” It then goes on to list a variety of contemplated uses which include retail, office, and hospitality uses.

Three goals are listed within the Addendum: 1) Provide intergenerational health, recreation and sporting opportunities within the City and provide facilities for state regional and national tournaments; 2) Cooperate with the Hamilton County Convention and Visitor’s Bureau to make Westfield the “Family Sports Capital of America”—a regional and national destination for sporting events and tournaments for all ages; and 3) Pursue economic development opportunities to capitalize on Westfield’s already developing intergenerational sports niche.

The Comprehensive Plan is not law; rather, it is intended to serve as a guide in making land use decisions.

PROCEDURAL

Council Introduction: The petition was introduced at the September 11, 2023, City Council meeting.

Public Hearing: A change of zoning request is required to be considered at a public hearing by the Plan Commission. Notice of the public hearing was provided in accordance with Indiana law and the Plan Commission's Rules of Procedure.
