THE WESTFIELD BOARD OF PUBLIC WORKS AND SAFETY March 29, 2012

The Westfield Board of Public Works and Safety met in regular session Thursday March 29, 2012 at the Westfield City Service Center. Members present were Mayor Andy Cook, Mark Heirbrandt and Jack Hart. Also present were Deputy Clerk-Treasurer Teresa Skelton and Attorney Brian Zaiger from Krieg DeVault, LLC. Mark Heirbrandt called the meeting to order at 3:00 P.M.

Meeting Minutes Consideration for Approval:

Action Item #1: March 29, 2012

Jack Hart made the motion to approve the March 1, 2012 meeting minutes as presented. Mayor Cook seconded. Vote: Yes-3; No-0. Motion carried.

Presentations:

Utility Rate Adjustment Update

Director of Public Works Kurt Wanninger announced that the City Council unanimously approved Ordinance 12-01 and Ordinance 12-02, March 12, 2012. These ordinances will be in effect and appear on a rate payer's bill in May of this year. No action required.

Road Impact Fee Zone Improvement Plan and Ordinance Update

Kurt Wanninger updated the Board on the plan. He also explained that this is updated every five (5) years. No action required.

Quote Approval:

Action Item #2: Generator Maintenance Contract Quote Approval

Kurt Wanninger explained this quote to the Board. This has been reviewed by Enterprise Development Director John Rogers.

Jack Hart made the motion to authorize the Director of Public Works to execute the agreement with Buckeye Power Sales for three (3) years. Mayor Cook seconded. Vote: Yes-3; No-0. Motion carried.

Construction Standards & Specifications Changes:

Action Item #3: Decorative Street Sign Post Standard

Kurt Wanninger described the standard and specifications to the Board. There is no action required at this meeting.

Change Orders:

Action Item #4: East Access Road

City Engineer Neil VanTrees described the factors for the proposed increase from Vectren from the original quote.

There was some discussion before Mayor Cook made the motion to deny the payment of the increase. Mark Heirbrandt seconded. Vote: Yes-3; No-0. Motion carried.

Department Reports:

- Parks and Recreation –Parks Director Melody Sweat
- Police Department – Assistant Chief of Police Scott Jordan
- Public Works Department – Director of Public Works Kurt Wanninger
- Community and Economic Development Department – Assistant Director Jennifer Miller
- Also present were Director of Enterprise Development – John Rogers and Supervisor of New Construction Development – Harry Nikides

With no further business the meeting was adjourned at 3:50 P.M.

Deputy Clerk-Treasurer

Field and GIS Services

- **Field Services**

- o Tim located 661 tickets and processed 1,220 GPS Points

Highlights

- Two recent maps created for Parks and Recreation located in the Map inventory:
 - o [Urban and Natural Trails](#)
 - o [City of Westfield Named Trails](#)
- The Indianapolis Metropolitan Planning Organization is requesting information about how Informatics used GIS to aid in the Street department's Pavement Management System.
- Leane was asked to present "Putting back the Trees Grant" at the Indiana Geographic Information Conference in May.
- The new Westfield City Limits were added to the U.S. Census Bureau 2012 Boundary and Annexation Survey (BAS). The U.S. Census Bureau conducts the Boundary and Annexation Survey (BAS) annually to collect information about selected legally defined geographic areas. The BAS is used to update information about the legal boundaries and names of all governmental units in the United States. The Census Bureau uses the boundary information collected in the BAS to tabulate data for the decennial and economic censuses, and annual estimates and surveys such as the Population Estimates Program and the American Community Survey.

Volunteerism: 2 hours of volunteer work completed.

- Leane spent 2 hours with Cassandra has a YAP mentor

Training: 20 hours of training completed.

- Leane attended CMN6010 Foundations of Organizational Communications

RE: Park Improvements as of April 2012

Dear Board Members:

This nice weather has allowed us to get a jump and many projects for the department.

PARKS

Playgrounds

All bi-annual playground safety audits have been completed. A few minor repairs have been made. Additional playground mulch has been installed where necessary.

Asa Bales

Irrigation repairs have been completed and the system is ready for operation when needed. Construction of a new retaining wall and railing has begun along the creek in the middle of the park. All work is being done in house. The restrooms have been painted.

The Herron Art School student is finishing her sculpture that is to be installed at the east entrance to Asa Bales Park in June.

Armstrong

The second year Ball State Landscape Architecture class will be designing concept plans for Armstrong Park. We met with 22 students and their teachers on site. We will have design back in three weeks.

Old Friends Cemetery

You may not have noticed but we placed an artificial boulder over the water pipes in the park. I think it looks great.

Quaker

Irrigation has been inspected and it is ready to go when needed.

OTHER ITEMS

Trail Overlay

The Trail Overlay Zoning Ordinance continues to be worked on by the Councils Ordinance Committee. We are looking a Comprehensive Plan Amendment to address some other the criteria.

Grand Junction

Brian Zaiger and I have met with all but 3 property owners. Land acquisition is going well.

Special Events or Programs

Tree Planting Workshop

Hamilton County Tree Steward will be partnering with us to host a tree planting workshop on Saturday, April 21st.

Arbor Day

The 2012 Arbor Day Tree Planting and Seedling Giveaway will take place at Freedom Trail Park. Our corporate sponsor this year is HNTB. And we are working with Silver Lake HOA as a neighborhood sponsor. This year event will take place on Saturday, April 28th starting at 10AM. Please join us.

Community Plant Day

This event will take place on May 19th at Quaker Park. We invite you to join us at 10AM to plant flowers in the beds throughout the park. All flowers are donated by Heartland Growers.

Action Item #3 – Public Rights of Way Ordinance

UTILITIES

Sec. 645-701. - Scope of utility's rights.

Sec. 645-702. - Location and relocation of facilities.

Sec. 645-703. - Work in public rights-of-way.

Sec. 645-704. - Utility poles.

Sec. 645-705. - Records.

Sec. 645-706. - Interpretation of "public utilities."

Sec. 645-701. - Scope of utility's rights.

(a)

Any public utility having a right pursuant to any statute, ordinance, franchise, contract, easement or other document to lay, install, maintain, repair and operate its facilities in, under, along, through or over the streets, avenues, alleys, public grounds and public rights-of-way of the city shall exercise such right in accordance with the terms of such statute, ordinance, franchise, contract, easement or other document and the city or state law applicable thereto. Nothing in this article and no action of the city pursuant to this article shall be construed as relieving any public utility from the control of the city under its police powers, or as vesting, extending or increasing the utility's rights in or to the use of any streets, avenues, alleys, public grounds and public rights-of-way, other than under and by the provisions of any statutes, ordinances, franchises, contracts, easements or other documents granting the utility any such rights and as limited therein by law.

(b)

Whenever the department of public works shall deem the condition or location of any public utility pole, wire, main, cable, conduit, pipe or other facility in any street or public place to be dangerous or injurious to life or property, it shall order, in writing, the facility to be made safe or to be removed. If the utility fails to repair or remove the facility, the city may cause the repair or removal thereof, and the utility shall pay all costs incurred by the city in connection therewith. It shall constitute a violation of this Code for any public utility to fail to comply with a written order of the city to repair, remove or relocate any of its facilities located in, on or above any public grounds or rights-of-

way whenever the uses of the city for any such ground or right-of-way so requires or where the access to and use of any private premises are interfered with.

(c)

Whenever any electric, water, gas or other public service utility has been ordered by the city to do anything pursuant to this article regarding its facilities located in any public right-of-way or place, or to provide service for the public in any location within the city, and where no statute or regulation of the state permits the utility to refuse such service, it shall be a violation of this Code for any such utility to fail to do so, after being so ordered in writing by any competent municipal authority. Whenever any public utility shall fail or refuse to comply with orders by the city, or shall fail to comply with any of the provisions of this Code or of state law, the city-county council may suspend the franchises, grants, contracts, permits, privileges, easements or rights of such utility to use thereafter any of the streets or public places of the city, and no such uses shall be resumed without obtaining from the city its new approval as originally required, or as may be then authorized by statute, or unless so ordered by a court or the Public Service Commission of Indiana.

Sec. 645-702. - Location and relocation of facilities.

(a)

The department of public works may designate the sides of the streets and the locations thereon along which any of the poles, wires, mains or conduits used by telegraph, telephone, transportation, television, electric light, gas and water utilities, either separately or jointly, shall be placed, strung or laid. The department of public works may refuse to permit the same utility to erect or maintain poles, or string wires or lay cables, mains or conduits along both sides of, or in more than one (1) part of any streets, except in cases of emergency or cases of clear necessity.

(b)

Whenever the department of public works shall deem it necessary that the location of any pole, wire, cable, main, conduit or other public utility facility in any public right-of-way or public place shall be changed, the department shall order in writing the change of location thereof, designating the proper location therefor, and provide a reasonable time for compliance

by the affected utility or utilities. Changes in location of utility facilities in, over or through public rights-of-way or public grounds necessitated by work initiated by or financed by the department of and public works shall be at the expense of the utility. However, in their project plans, the department of public works shall coordinate with the utilities to insure the utility relocation costs are limited to the maximum extent possible. Changes in location of utility facilities in, over or through public rights-of-way or public grounds necessitated by work initiated by or financed by any party other than the department of public works shall be at the expense of such other party.

Sec. 645-703. - Work in public rights-of-way.

(a)

All utilities desiring to work in, on, under or over the public right-of-way shall obtain all applicable permits as required in this article. In performing such work, the utilities shall be bound by the standards, regulations, procedures and guidelines set forth in this article except that:

(1)

A public utility shall not be required to file a performance bond with an application for a permit if the utility has on file with the permit section of the department of public works a statement signed by an officer of the utility wherein the utility agrees to indemnify the city against, and hold the city harmless from, any claim for damages arising out of the work of the utility (or persons, corporations or firms authorized by the utility) in a public right-of-way pursuant to any permit issued by the permit section of the department of public works.

(2)

A public utility shall not be required to file a written statement of insurance with an application for a permit if the utility has on file with the permit section of the department of public works the indemnification agreement specified in subsection (1) above.

(3)

A public utility shall not be required to obtain in advance any permit or permits to excavate within the public right-of-way or block or alter traffic patterns on any thoroughfare or street where such action:

a.

Is required in connection with making emergency repairs to underground, overhead or surface facilities;

b.

Is necessary because service to one (1) or more customers has been interrupted or is in danger of being interrupted and the interruption may result in personal injury or property damage to the customer, utility or some third party; or

c.

Is required to comply immediately with an order of a court or an agency having jurisdiction over the utility.

Whenever a utility performs work in accordance with this exception, it shall notify the department of public works maintenance section by telephone during normal duty hours or, if after normal duty hours or on holidays or weekends, the permit section of the department of public works where such notification will be recorded by a telephone recording device.

(4)

A public utility shall not be required to obtain a right-of-way excavation permit to perform work, including excavating, in a public right-of-way unless the utility will make an excavation in or under the paved surface within the right-of-way.

(5)

A public utility shall not be required to obtain parking meter block out and removal permits, provided the utility reports all blockages to the parking meter section of the department of public works and pays, on a monthly basis, the blockage charges due.

(b)

All work including, but not limited to, the restoration of pavement, sidewalks or grass areas, shall be done by the utility at the expense of the utility, unless the city shall elect to do the work and charge the cost thereof to the utility. Such work shall be subject to the supervision and approval of the department of public works.

Sec. 645-704. - Utility poles.

The department of public works may prescribe or approve the locations for installation and the approximate height, dimensions and character of telephone, telegraph, electric or any other poles used by a utility. The height, dimensions and character of all structures used to support aerial utility or public-owned lines shall be of a diameter, height and character that will provide safe clearances as specified in the prevailing governing federal, state or local codes. The department of public works shall require the removal or relocation of any such structures and appurtenances of such structures which do not comply with the reasonable requirements as set out or approved in accordance with the provisions of this Code.

All poles shall be removed according to the following standards unless otherwise authorized or directed by the department of public works:

(1)

Any pole located in nonpavement areas shall either be removed in its entirety or cut off one (1) foot below the ground surface level.

(2)

Any pole located in pavement areas shall either be removed in its entirety or cut off below the full depth of the pavement.

Sec. 645-705. - Records.

(a)

Each utility having the right to install and locate poles, service lines, conduits or other utility facilities of any kind in the public rights-of-way and places of the city shall at all times maintain a record of the same, their locations in the public streets or public places of the city, and a record of the location and dates of repairs made to those facilities within the last eight (8) years. Such records and copies thereof shall be made available, on demand, to the mayor, the director of public works, the chiefs of the fire department and Indianapolis Metropolitan Police Department, or any board or other city official requiring and requesting such information. All records of all abandoned lines and of the removal of all utility poles, conduits, pipes, lines and other facilities shall be kept by the utility for a period of at least

three (3) years and be available to the city authorities, or copies of such records be furnished on demand.

(b)

It shall be unlawful for any utility required to keep records by this section to fail to keep such records, or to fail to produce and make them available to the city authorities on written demand.

Sec. 645-706. - Interpretation of "public utilities."

For purposes of this article, the term "public utilities" includes companies which are subject to the jurisdiction of the Federal Communications Commission as persons engaged in interstate commerce in communications by wire.

Action Item #4 - City of Westfield Decorative Street Sign Post Standard

The City of Westfield Public Works Department (WPWD) installs standard “U” channel posts or square posts in the public right-of-way for the mounting of regulatory, warning, and informational/guide signs. WPWD will allow the installation of decorative signposts by residential developers and neighborhood associations on a case-by-case basis provided that their installation does not result in an adverse impact to the public safety or future roadway construction projects and that there is no cost to the City for installation or maintenance. It should be noted that this policy and the requirements listed below are only applicable on City maintained streets. Contact the Indiana Department of Transportation (INDOT) at (317) 467-3459 for decorative signpost requests on state maintained roads.

Design and Submittal Requirements

All requests for decorative signpost installations in the public right-of-way must meet the following installation/ maintenance and submittal requirements. Verification of the items listed below is required with the request submittal package.

- Signposts must be designed to be “breakaway” in accordance with NCHRP Report 350. A detail/specification sheet of the proposed signpost(s) with verification of breakaway design provided in submittal package.
- All signs (regulatory, warning, and informational/guide) must be in conformance with the *Manual on Uniform Traffic Control Devices* (MUTCD), US Department of Transportation/Federal Highway Administration, with respect to color, size, and shape. Street name sign lettering is white on green background.
- Residential Developer/Neighborhood Association is responsible for providing and installing all signs on decorative signposts. All MUTCD signs are to be of high intensity, retro-reflective sheeting with verification provided in submittal package.
- Signposts must be of sufficient height to mount the sign in conformance with MUTCD requirements. Most typical installations require a vertical clearance of 7 feet from the bottom edge of the sign to the ground surface.
- Signposts at intersections must be installed in locations as provided in the [The City of Westfield Construction Standards & Specifications \(WCSS\)](#).
- Signposts cannot be installed closer than 8 feet from the face-of-curb or edge-of-pavement unless impeded visually or by right-of-way limits.
- WPWD must approve the color (other than black) of signposts and any requested sign mounting/trim.
- Only signs and only one sign can be mounted on a signpost (exception: 1) 2 street name signs can be mounted on a signpost – [\(WCSS\)](#). 2) Supplemental plates on warning signs as approved by WPWD on a case-by-case basis).
- Residential Developer requested installations require documentation of an incorporated Homeowner’s Association (HOA); copy of Covenants/Restrictions with items indicating HOA responsibility for any outstanding installation costs, maintenance costs, and acknowledgement of the transferability of requirements for the decorative signposts installation as included in the Installation Agreement. Submittal also to include a scaled subdivision street/site plan indicating the location/identification of all proposed signing.
- Signs attached to a backboard or framed with decorative trim cannot alter the sign size, shape, or visibility.
- WPWD reserves the right to install temporary replacement signs using standard sign post mounting when decorative sign posts and signs are damaged. Contact WPWD for removal of temporary sign posts when replacement can be installed.

- Routine maintenance/replacement of damaged signposts and any sign mounting backboard/trim is the responsibility of the Neighborhood Association/Residential Developer.
- The City reserves the right to remove or relocate, or require the removal or relocation, of signs.
- The City reserves the right to install additional signs that are not mounted on decorative signposts.
- Enter into an agreement with the City covering hold harmless provisions.

Any work within the public right-of-way that requires closure of the sidewalk or travel lanes during installation of the decorative signposts requires a right-of-way encroachment permit. The contractor is responsible for ensuring that all closures are in conformance with *The City's Construction Standards and Specifications*. The right-of-way encroachment permit must be obtained from The City of Westfield's Customer Service Department - 2728 E 171st St, Westfield, IN 46140 (317) 804-3153, prior to the beginning of work.

All requests for neighborhood decorative signpost installations are to be submitted to the WPWD Engineering Department, 2706 E 171st St, Westfield, IN 46140.

Action Item #5 – Performance Bonds and/or Maintenance Bonds

Performance Bond Release

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following performance bond for release by the requested developer:

Performance Bond Release

- Twin Oaks Section 1D: Water

The Westfield Public Works Development and Construction Division has inspected and approved all infrastructures covered by this performance bond.

The Westfield Public Works Department recommends that the Board of Public Works and Safety approve the release of this Performance Bond.

Maintenance Bond Acceptance:

The Westfield Public Works Development and Construction Division has inspected and approved all infrastructures covered by this three-year maintenance bond.

- Twin Oaks Section 1D: Water

The Westfield Public Works Department recommends that the Board of Public Works and Safety approve this Maintenance Bond for acceptance.

Memo

To: Board of Public Works & Safety

CC: File

Date: 4/24/2012

Re: Trade-In Transaction of Vehicular Equipment

On September 7, 2011 the City of Westfield entered into a sales agreement with Donley Safety and Kovatch Mobile Equipment for the purchase of a new ladder truck. As part of the sales transaction and the department's vehicle obsolescence and replacement strategy we have sought to trade-in a 1999 Pierce Manufacturing Fire Truck.

Three trade-in values were obtained for the aforementioned fire truck. These values are attached hereto. The range for trade-in values was \$50,000 to \$79,000 for the vehicle less loose equipment. After consultation with legal counsel regarding the parameters of the trade-in transaction a sales agreement was drafted by the city attorney and said agreement was entered into on Friday, April 20, 2012. At such time a check was issued to the City of Westfield, by Donley Safety, for the sum of \$79,000. The check has been placed in the custody of the Clerk Treasurer for deposit in the City's account(s).

At the advisement of legal counsel this transaction comes before the Board of Works and Safety for ratification.

RE: Trade-In Offers

Dear Chief,

As we discussed, I obtained three (3) trade-in valuations for the 1999 Pierce Aerial and the 1999 International Pumper/Tanker. I will send you the three confirming emails as back-up to this letter, but to summarize:

- Offer #1 was from Brindlee Mountain – they offered \$100,000 for the pair.
- Offer #2 was from Steve Swails – he was interested in the pumper only. He offered \$51,000
- Offer #3 was from Jon's Mid America – they offered \$220,000 total if they could receive the trucks in a few weeks, \$200,000 if they had to wait. After our discussion, he split the offer into \$79,000 for the International and \$141,000 for the aerial. He also indicated that the value would hold until your new aerial was delivered. He also wanted me to inquire if he could drive the pumper home from the FDIC next Saturday (April 21).

Please contact me if you need any further information. Thank you very much for the opportunity.

Sincerely,

Mike Smith

Donley Safety

CASUAL SALES AGREEMENT

The Westfield Fire Department ("Seller") hereby offers for sale and/or trade in on the purchase of new firefighting equipment pursuant to a signed contract dated 4-20-2012 from:

BUYER: Donley & Associates, Inc. (d.b.a. Donley Safety)

ADDRESS: 5546 ELMWOOD CT.

CITY: INDIANAPOLIS ST: IN **ZIP:** 46203

Purchaser agrees to buy and credit Seller for the item and sum herein:

Description of Item: 1999 International Pumper (VIN # 1HTSDADRXH611096)

Model #: # 1 for the sum of \$ 79,000. Total \$ 79,000.00

The Westfield Fire Department ("Seller") offers these goods for sale "AS IS AND WITH NO EXPRESSED OR IMPLIED WARRANTIES, INCLUDING NO IMPLIED WARRANTY OF MERCHANTABILITY." Buyer accepts the full risk of use and such risks fall solely on the Buyer. The parties to this transaction agree and understand that the purchase price is for fair market value as determined by the parties and that this Casual Sales Agreement ("Agreement") has not been entered to influence or induce any other business opportunities between the parties. As a condition of the sale, Buyer hereby agrees to release, indemnify and hold Seller, its employees, affiliates, directors, officers, and agents, harmless for any damages or claims arising out of the item purchased and or traded in whether bought by or on behalf of Buyer or a third party or any future purchaser. The terms within are intended as a final expression of the Agreement and may not be contradicted by evidence of any prior agreement or of any contemporaneous oral agreement. Any changes to this Agreement must be done in writing and attached as an addendum hereto.

These goods are being disposed of by Seller as a casual sale and "not as part of the normal business of providing fire protection."

WESTFIELD BOARD OF PUBLIC WORKS MEETING

Westfield Public Works Executive Summary Progress Report

1. Village Park TIF Projects

- South Union to Western Way Drive (Westfield Blvd.)(aka West Access Road) – This project has been broken into 3 Segment Phases. Phase 1 is from US31 south to 151st Street. The alignment and location of this segment has not be determined. Phase 2 will be from 151st south and tie into Greyhound Pass. Phase 3 will consist of building a Round-A-Bout at the intersection of Western Way/Greyhound Pass and the new West Access Road Connection.

The professional services design for Phase 1 has been awarded to VSE Engineering. With this design a complete environmental assessment will be conducted for all 3 Phases. Additionally, in the Winter and Spring of 2011 the entire area was surveyed. VSE has begun the initial process of design for the construction of Phase 1.

Numerous coordination meetings have been held with INDOT and Pnahandle Eastern in regards to road and high pressure gas line coordination.

2. Eastside TIF Projects – 161st Street and Carey Road. The design and engineering work on the 161st Street and Carey Road Round-a-bout project is complete, with R/W acquisition and utility coordination beginning in 2012. At this time, it appears that this project will likely be scheduled for utility relocations in late 2012 with construction in early 2013.
3. Beechwood Storm Sewer Project. The Beechwood Storm Sewer project is in the final design phases. The field survey, utility investigation, and engineering have been completed. VSE Engineering has finalized plans and prepared easement documentation and were sent to residents on July 29, 2011 This project is now shelf ready and ready to move forward in 2012. This Project was bid on April 27th and will be brought to the Board on May 3rd for approval and award. Construction for this project is not scheduled to start until after July 1 of 2012 in order to take advantage of the dry summer conditions and shorten the construction period.
4. Block Grant. This Project is complete with only minor punchlist items needing to be completed like final restoration and seeding. The 2013 Block Grant was submitted and we are awaiting approval from the Noblesville Housing Authority.
5. 2012 Resurfacing and Maintenance Improvement Project. The 2012 Resurfacing and MIP list has been generated and was bid on Monday April 21st, 2012 and will be brought to the Board on May 3rd for approval and award.
6. Towne Road Bridge Replacement over the John Edwards Drain. The Public Works Engineering Division will be drafting an RFP for the design of a bridge for Towne

Road. This bridge which was listed in the top 8 for replacement according to the City of Westfield Small Structure Inventory List is complete. Engineering will begin in late 2012 with proposed construction of this bridge proposed for 2013 depending on funding.

7. Grand Park. The Public Works Engineering and Development/Construction Divisions are providing technical input into the planning and design of the Grand Park Sports Complex. The Public Works Department continues to assist in the design and financial analysis meetings associated with this project. The Public Works Department is also overseeing the construction and inspection activities associated with Meyer Najem and Crider and Crider.
8. 186th Street Extension. This project is in conjunction with the Grand Park Project and the proposed Main Street Project. This project was bid on January 27, 2012 and will be taken to the Redevelopment Commission on March 5, 2012 for approval and award. This project has been awarded and the Contractor, Crider and Crider as begun construction.
9. Grand Junction. The Public Works Department continues to be the lead on the proposed Regional Detention Plan associated with the Anna Kendall (Cool Creek) Regulated Drain. The Public Works Department also has provided technical input in regards to the downtown thoroughfare plan, utility development, and trail development.
10. Public Safety Training Facility/ Public Works Horseshoe Water Utilities Property. The Public Works Department continues to look for opportunities to utilize the maximum extent of the available land for development and will be working with the DNR to revise the limits of the floodway for the future Safety Training Facility that will be developed in the future.
11. Horseshoe Well Development. Well 16 is currently under construction with the drilling of Well #16. Following the completion of the drilling of Well 16 the installation of the associated valve vault, electrical, and instrumental apertures will follow.
12. Oakridge Road and 161st Street Round-a-bout. The Public Works Department applied for CMAQ funds for a RAB at this intersection and these funds were approved at the August of 2011 by the MPO. The original funding was for construction only with the cost of design, R/W and utility acquisition by the City. The Public Works Department applied for additional funds for the cost of design, R/W and utility acquisition and these funds were also approved at the August 2012 MPO making this project 100% funded. Design will begin early 2012 and the Selection Team for the RFP has concluded their scoring sheets which were sent to INDOT for final approval. INDOT has approved United Consulting Engineers for the Design of the 161st Street Round-a-bout. Construction of the RAB is scheduled for the summer of 2013.
13. Springmill Road and 156th Street Round-A-bout. The Public Works Department applied for CMAQ funds for the construction of RAB's at this intersection and these funds were approved at the August of 2011 by the MPO. At the August MPO Policy Meeting the MPO members voted to approve the 156th Street and

Springmill Road RAB for funding for construction and construction inspection. This intersection will be designed in late 2012 with construction in 2014.

14. Spring Mill Road (146th Street to SR32) and 161st Street (Springmill Road to US31) The Public Works allied for funding through the MPO for funding to study the above corridor. The Funding was approved in late 2011 and we recently requested additional funding to expand the scope of the study. The MPO received and reviewed the revised scope of work submitted by United for the expanded Spring Mill Road and 161st Street study noting the increased total cost. The MPO was able to fund the federal portion of the expanded study with a total MPO contribution of \$78,800 and a local contribution of \$19,720 paid by the City of Westfield. The Department has selected United Consulting Engineers to complete this study and held a kick off meeting in February to finalize the contract and scope to begin the evaluation of these roads.
15. US 31 Freeway Project. The Public Works Department continues to meet with INDOT and the Design Team in regards to coordinating the design and utility relocations associated with this project. Recently this project has been accelerated and has increased the amount of time needed on this project.
16. Monon Trail TE Grant Funds. The City has officially been awarded TE funds for three projects. They are as follows:

Des. No.	Location	Amount
0900029	SR 32 to 216 th St.	\$846,000 (federal)/\$211,500(local)
1173079	SR 32 to 191 st St.	\$1,096,667 (federal)/\$822,583(local)
1173193	191 st to 216 th	\$1,000,000 (federal)/(\$1.4M (local)

A TIP amendment request was submitted and approved by the MPO which placed both the 09 and the 11 project into the TIP with the 09 labeled strictly for Design, Survey and R/W and the 11 labeled for construction and construction inspection. Currently, there is a RFP out for the Design and R/W acquisition for the Monon Trail. North of SR32 to the Monon Trails Elementary School.

NOTICE OF OFFICIAL ACTION

OF

INDIANA DEPARTMENT OF TRANSPORTATION

WHEREAS, under and by virtue of the Statutes of the State of Indiana relative to traffic regulation, the Indiana Department of Transportation has the authority and the duty to adopt and promulgate regulations in the interest of the safety and convenience of the traveling public using the highways, including streets in cities and towns, under the control of said Department, be it known that the following traffic regulation is hereby adopted:

Parking restrictions shall be established on SR 32 in Westfield, Hamilton County as follows:

- (1) *No parking anytime* shall be established on the south side of SR 32 from a point 55 feet west of the west edgeline of Mill Street to a point 93 feet west of the west edgeline of Mill Street, a distance of approximately 38 feet.
- (2) *No parking anytime* shall be established on the south side of SR 32 from a point 190 feet east of the east edgeline of Mill Street to a point 210 feet east of the east edgeline of Mill Street, a distance of approximately 20 feet.
- (3) *No parking anytime* shall be established on the north side of SR 32 from a point 210 feet east of the east edgeline of Union Street to a point 235 feet east of the east edgeline of Union Street, a distance of approximately 25 feet.
- (4) *No parking anytime* shall be established on the south side of SR 32 from a point 145 feet east of the east edgeline of Walnut Street to a point 165 feet east of the east edgeline of Walnut Street, a distance of approximately 20 feet.

NOTICE OF OFFICIAL ACTION OF INDIANA DEPARTMENT OF TRANSPORTATION

FOR OFFICIAL ACTION

FORM T-74
Page 1 of 1

DATE: August 13, 2007

ROUTE: SR 32

CITY OR COUNTY: Westfield
Hamilton County

FILE #: 07-022-E

TO: WESTFIELD TOWN COUNCIL

The Indiana Department of Transportation proposes to make certain traffic improvements on SR 32 in Hamilton County.

In order to facilitate the movements of traffic over the route and conform with standards set up by the Indiana Department of Transportation, the following traffic controls must be established as determined by proper engineering investigation.

It is agreed by the undersigned on behalf of the Town that the following controls are satisfactory.

CONTROLS TO BE ESTABLISHED

Parking shall be controlled on SR 32 in the town of Westfield, Hamilton County as follows:

"No Parking 2 AM to 6 AM" shall be established on the north and south side of SR 32 for marked parking spaces between the east corners of Mill Street (Westlea Drive) on SR 32 to the west corners of Cherry Street on SR 32, a distance of approximately 2,150 feet.

"Two Hour Parking," notwithstanding the foregoing parking restricting, two hour parking shall be established on the north and south side of SR 32 for marked parking spaces between the east corners of Mill Street (Westlea Drive) on SR 32 to the west corners of Cherry Street on SR 32, from the hours of 6 AM to 2 AM, a distance of approximately 2,150 feet.

Sec. 58-354.2 Parking Zones Restrictions Map

Figure 9E - 3

Sec. 58-354.3 Parking Zones Restrictions Penalties

Penalties for 2 Hour Parking Restriction Zones

A. Each violator of the restrictions and provisions of this traffic offense shall pay a fine and penalty to the City of Westfield, in the sum of ten dollars (\$10), if paid within seven (7) days of the date of the time of issuance of the traffic offense. Additional late fees shall be assessed based upon the following fine schedule:

1. Unpaid between eight and fourteen (8-14) days of the date of issuance: Twenty dollars (\$20)
2. Unpaid between fifteen and twenty-one (15-21) days of the date of issuance: Forty dollars (\$40)
3. Unpaid between twenty-two and twenty-eight (22-28) days of the date of issuance: Sixty dollars (\$60)
4. Unpaid between twenty-nine and thirty-five (29-35) days of the date of issuance: Eighty dollars (\$80)
5. Unpaid after thirty-six (36) days of the date of issuance: One Hundred dollars (\$100)

B. Any Vehicle having three (3) UNPAID parking violations in excess of sixty (60) days after the date of issuance that is found in a Parking Zone Restriction Area is subject to being restrained by having a wheel boot installed by employees of the City of Westfield, until such time as all outstanding fines and fees are paid in full. In addition, there will be a twenty-five dollar (\$25) fee for the removal of wheel boot. It is the discretion of the Chief of Police to have motorcycles and/or any other vehicles towed to safe storage in lieu of using the wheel boot. Said vehicle will be released only after payment of all fines and fees are paid and full, and any costs incurred by the city for the towing of the vehicle.

C. Any attempt to evade this ordinance by a motorist by moving their vehicle from one parking restriction zone parking spot to another parking restriction zone parking spot will be deemed in violation of this ordinance.

D. In the event that such a fine has not been paid within ninety (90) days of the date of the issuance the violator may be docketed in the Hamilton County Courts and prosecuted as a Class C infraction. In such event, the violator shall be obligated to pay any costs imposed by reason of the docking with the Hamilton County Courts in addition to the fines prescribed herein.
