WHEREAS, Grantor and Grantee have agreed that the ROW Improvements will be of mutual benefit to Grantor and Grantee; and

WHEREAS, in support of the ROW Improvements by Grantee, Grantor has agreed to dedicate an easement over a portion of Grantor's Real Estate located immediately adjacent to Grantee's Real Estate and being more particularly described and depicted on Exhibit D attached hereto and by reference incorporated herein (the "**Easement Area**") to Grantee for the construction, maintenance and operation of the ROW improvements as set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration set forth herein, the receipt and legal sufficiency of which is hereby acknowledged, Grantor hereby makes, grants and declares to and for the benefit of Grantee and the public a permanent easement for the purposes set forth herein, under, over, upon and across the Easement Area, in accordance with the following terms:

1. Drainage Easement Grantor hereby grants to Grantee an exclusive, perpetual easement (the "**Drainage Easement**") under, over, upon, through and across the Easement Area for the purpose of installing, constructing, reconstructing, replacing, repairing, operating and maintaining certain drainage and storm water management (e.g. conveyance, retention and/or detention) facilities (the "**Drainage Facilities**") serving the Grantee's Real Estate, the ROW Improvements, and the storm water drainage and management facilities located thereon, together with the Improvements (defined below). 6. Allocation of Responsibility. In consideration of Grantor's conveyance of exclusive possession and rights with respect to the Easement Area for the purposes set forth in this Agreement, Grantee agrees that Grantor shall not be liable to Grantee for, and Grantee shall defend and hold harmless Grantor from and pay all costs related to any and all claims, demands, losses, injuries, liabilities, costs or expenses (including but not limited to reasonable attorneys' fees) (including without limitation environmentally related claims, demands, enforcement actions or liabilities) (collectively, "**Damages**") suffered or incurred by Grantor, or any party acting by, through or under Grantor arising out of or as a result of (a) Grantee's exercise of any right granted by, or performance of any of Grantee's obligations arising under, this Agreement; or (b) any act, incident, accident or other circumstance relating to the use of the ROW Improvements for which Grantor is alleged or claimed to have any liability by virtue of its fee simple ownership of the Easement Area. The terms of this Section 6 shall survive any conveyance of the Easement Area to Grantee pursuant to Section 10 below.
7. Authority. Grantor represents and warrants to Grantee that the undersigned person executing this Agreement on behalf of Grantor is an authorized representative of Grantor and has been fully empowered, and all necessary action has been taken, to execute and deliver this Agreement and perform the obligations of Grantor hereunder. 8. Appurtenance. The grants, covenants and stipulations herein provided shall extend to and be binding upon the respective heirs, successors and assigns of the parties and shall constitute covenants running with the Grantor's Real Estate and the Grantee's Real Estate and all subdivisions thereof and additions thereto.
9. Modification. The terms, covenants, conditions and provisions of this Agreement may not be terminated, modified, rescinded or amended in whole or in part without the prior written consent of the parties hereto. Any such amendment or modification to this Agreement shall be done by an instrument in writing duly executed by the appropriate parties in interest.
10. Future Conveyance. Grantor may elect at any time to convey fee simple title to the Easement Area to Grantee, which conveyance shall be made as-is, where-is, with all faults and without representation, warranty or recourse. Grantee agrees to accept a deed

conveying fee simple title in and to the Easement Area, provided Grantor has given Grantee prior written notice of Grantor's intent to record such a deed. Upon delivery of such a deed and its recording in the Office of the Recorder of Hamilton County, Indiana, this Agreement shall cease to be of any further force or effect, and shall be deemed to have merged with such deed, except those terms or provisions which expressly survive such conveyance.

11. Entire Agreement This Agreement and the exhibits attached hereto (each of which is hereby incorporated by reference) constitutes the entire agreement by and among the parties hereto, replaces, and supersedes all prior discussions, undertakings or agreements with respect to the subject matter of this Agreement.

The covenants, conditions, terms and provisions of this Agreement shall be governed by and construed in accordance with the laws of the State of Indiana. The paragraph headings are included only for convenience and shall not be construed to modify or affect the covenants, terms or provisions of any paragraph herein. In any adversarial proceedings between the parties arising out of this Agreement, the prevailing party will be entitled to recover from the other party, in addition to any other relief awarded, all expenses that the prevailing party incurs in those proceedings, including attorneys' fees and expenses. This Agreement shall not be construed more strictly against one party than against the other by virtue of the fact that initial drafts were made and prepared by counsel for one of the parties, it being recognized that this Agreement and any related instruments are the product of extensive negotiations between the parties hereto and that both parties hereto have contributed substantially and materially to the final preparation of this Agreement. Nothing contained herein shall be construed as causing either party to be a joint venturer or partner of the other party. General Terms and Conditions of Sale

1. AGREEMENT

The following terms and conditions apply to all customer quotes and orders, regardless of whether binding or not, by Business Furniture LLC ("Company") to the Buyer and are hereby incorporated by reference into and made a part of any such quote or order. These terms and conditions prevail over any of Buyer's general terms and conditions of purchase regardless of whether or when Buyer has submitted its purchase order or any such terms. Any quote or order is considered binding when the Buyer confirms the order by issuing a purchase order or when the Buyer signs the Company quote.

2. TERMS AND PAYMENT

a. Deposit Requirement – A deposit of 50% of the total purchase price stated on the binding quote or purchase order is required at the time Buyer signs such quote or otherwise issues a purchase order. Receipt of deposit will allow Company to place purchase orders.

b. Payment Terms – Payment terms are net 10 days from the invoice date. Complete and or Partial Invoice(s) will be processed as products and services are delivered and completed. If the majority of the product has been received into the Business Furniture warehouse, we will hold the product free of charge for 30 days. After that, storage charges at a rate of .95 cents per square foot per month will be invoiced separately, and invoices for all products will be processed to the Buyer.

c. Credit Cards – American Express, VISA and Mastercard are accepted for payment. For invoice payments greater than \$3,000, a 3% transaction fee will be added.

d. Interest Charge – Buyer shall be liable for payment of interest on accounts not paid when due at the rate of one- and one-half percent (1.5%) per month, or the highest rate allowed by law.

e. Legal Fees – Should Buyer invoices become delinquent, Buyer agrees to pay all reasonable legal and collection fees associated with third-party collection efforts

f. Setoff Rights – Subject to Buyer's rights set forth in Section 7(a), Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Company, whether relating to Company's breach or otherwise.

3. ACCEPTANCE

Prices are quoted FOB destination and are firm for a period of 30 days from the date of the binding quote or order, unless otherwise stated. Prices are subject to change after 30 days. Company's offer to sell is contingent upon approval of Buyer's credit. Merchandise is subject to reasonable variation in color, quality, and finish, as allowed by industry standards. Company shall not be held responsible for furniture specifications not prepared by Company.

4. CANCELLATION AND CHANGES; TAX

a. Changes and Cancellation - All orders are considered custom orders; therefore, cancelations, changes, or returns will not be accepted.

b. Tax – All prices on any purchase order or quote are exclusive of all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind on any amounts payable by Buyer. If Company is required to collect any such taxes, Buyer hereby acknowledges it is responsible for and shall promptly reimburse Company for all such costs even though tax may not be shown in Company's quote.

5. SCHEDULE CHANGES.

In the case of construction delays or other events out of Business Furniture's control that force postponement of delivery, all products may be stored until delivery can be resumed. Added costs for the re-routing of trucks, double handling, insurance, and storage beyond 30 days will be passed onto the Buyer, and product shall be invoiced upon receipt at Business Furniture's warehouse, or buyer site. In the event products are received at Buyer's site, any loss or damage to the products caused by weather, other trades, fire, theft, or other causes not related to Business Furniture shall be the responsibility of the Buyer.

6. INSTALLATION

a. Jobsite shall be clean and clear of debris prior to any delivery of the products being provided by Company. Any expense incurred by Company or any party on Company's behalf in meeting these requirements and being able to deliver and install the products will be the responsibility of the Buyer and, if incurred by Company shall be reimbursed with the invoicing process stated herein. All jobsite services such as electric current, heat, elevator, adequate facilities for off-loading, staging and handling of products shall be the responsibility of the Buyer. In the event of double handling of products due to progress of other trades and/or site conditions, there may be additional cost to the Buyer.

b. Installation will be made during normal business hours of 8:00 AM – 5:00 PM Monday – Friday. Any additional costs resulting from overtime work performed at the Buyer's request will result in additional cost to the Buyer. Company is responsible for removing all product packing materials from the site and cleaning of the product delivered. Upon completion of the installation, a Company representative will perform a final walk through with the Buyer. A punch list will be prepared listing the necessary items, labor and or product, to be performed to complete the project scope.

7. DAMAGED OR SHORT SHIPMENTS

Should resolution be beyond the control of Company, Company will notify Buyer with a reason and new commitment. In the event of damage caused by Company, the damaged product will be repaired or replaced to the commercially reasonable satisfaction of the Buyer.

b. Drop Shipments - Buyer is responsible for receiving, inspecting for damage and filing freight claims on merchandise shipped by the supplier directly to Buyer. Damaged goods and packaging must be retained for inspection by the carrier. Company shall not be responsible for any losses sustained due to Buyer's failure to file proper freight claims. Company's invoices shall be paid in full when due, irrespective of pending freight claims.

8. MANUFACTURER'S WARRANTY AND DISCLAIMER BY COMPANY

a. All merchandise sold by Company shall carry only the manufacturer's warranty. Such warranty may exclude merchantability and fitness for a particular purpose and may limit both consequential and incidental damages.

9. LIMITATION OF LIABILITY AND REMEDIES.

a. SUBJECT TO THE LIMITATIONS SET FORTH HEREIN, THE LIABILITIES OF COMPANY FOR PRODUCTS PROVIDED AND SERVICES RENDERED SHALL BE STRICTLY AND EXCLUSIVELY LIMITED TO REPAIR OR REPLACEMENT OF MERCHANDISE, WITH THE STIPULATION THAT WRITTEN NOTIFICATION OF DAMAGE IS GIVEN TO COMPANY BY BUYER AT TIME OF DELIVERY. TERMS AND CONDITIONS FOR ENCROACHMENT PERMIT

1. It is understood that any permit by virtue of this request is revocable at the pleasure of the City of Westfield and that the same shall be voided if the following terms and conditions are not fulfilled by the Permittee. The Permittee hereby agrees to observe all requirements of the Encroachment Standard Ordinance and comply with the conditions set forth by the MUTCD Rulings and Revisions.
2. The undersigned shall notify the Director or his representative a minimum of 72 hours prior to the time that work is to be performed. The undersigned will furnish placards identifying equipment, flashers, barricades and/or other warning devices at the construction site. When two-way traffic is confined to one lane, flagging personnel shall be required. Permittee must follow Chapter XVII of Title 29, Code of Federal Regulation, Part 1926 known as Safety & Health Regulation for Construction.
3. In cases where the work authorized by the permit will cause major interference with traffic flow on streets, Permittee shall provide a uniformed traffic officer when requested by the Director or his representative to provide traffic control at the construction site. Work shall not be performed on any major arterials, streets and thoroughfares during rush hours or peak hours of vehicular traffic flow, unless in case of emergencies.
4. The Permittee shall not create a hazardous or unsafe situation at construction sites, which would cause injury or damage to vehicular and pedestrian traffic. The Permittee shall not leave unattended open cuts unprotected overnight or during weekend periods. Permission to use temporary steel plates or any authorized substitutes shall be requested at open cuts or construction sites. The Director or his representative shall be notified of these steel plates or substitutes by the Permittee.
5. All construction equipment and/or vehicles left unattended for any length of time shall be parked in locations as to not create hazardous and unsafe situations to vehicular and pedestrian flow. The construction equipment and/or vehicles shall be parked in such a manner as to not restrict sight distance to vehicular traffic. **All construction equipment and/or vehicles are prohibited from driving on named trails, neighborhood perimeter trails, and sidewalks.**
6. The Permittee shall hold harmless and indemnify the City of Westfield from, for and against any claim of any person in tort, contract or otherwise arising out of the act or omissions of the Permittee, their agents, representatives, servants, contractors and the latter's subcontractors, whenever such acts or omissions or any rights or performance or exercise thereof of the Permittee arise under this permit from alteration, modernization, replacement, operation, maintenance, change or removal of any part or portion of the public right-of-way, or facility thereof. All existing utilities must be identified and located prior to all boring operations. Permittee shall be responsible for consequential damages to residents and businesses who are damaged during outages caused by these untimely accidents experienced by poorly coordinated utility borings and construction activities in the City right-of-way.
7. The Permittee shall stipulate the type of materials and method of repair utilized to close any open cuts, subject to the Director or his representative's approval.
8. The Permittee shall begin work within 45 working days from the date of application approval, and work must be completed within 60 working days of the application approval. Any construction and/or work not completed by this date shall be grounds to nullify and void this permit. Re-application would then be necessary.
9. The Permittee shall be required upon completion of construction and/or work to notify the Director or his representative for inspection and verification. The construction and/or work shall be inspected prior to being accepted by the City of Westfield as being complete. The Director or his representative shall perform the inspection.

Any construction work or repair measures utilized to close any open cuts made under this permit that are found to be unsatisfactory shall be corrected within 10 working days by the Permittee. The Permittee shall be responsible to maintain and repair any and all open cuts granted by this permit for a period of one year upon final acceptance, unless the City of Westfield and/or other utilities, contractors or subcontractors or other parties remove, damage, modernize, replace, change any part or portion of the public right-of-way or facility or thereof granted under this permit.
11. Upon completion/acceptance by Director or his representative as builds must be provided (print and CD form) within 30 days of completion.
